Mr. Salerno,

Junior Orange Bowl International Tennis Championship

We are again planning for the Junior Orange Bowl International Tennis Championship, to be held December 14-23, 2012.

This year's tournament has a record number of 1,350 applicants from all over the world. We will be hosting at four sites: the University of Miami, Salvadore Park, the Biltmore Tennis Center and Crandon Park.

As in the past, we are requesting the bank (approx. 30) of meters (on San Amaro, University of Miami location) be available at no charge to accommodate the many participants of this international event. Since there are no longer meters on San Amaro to bag, we could work with Mr. Kinney on another option. Can we barricade the spaces for Jr. Orange Bowl Tennis Participants Only and provide flyers to identify the tennis participants and patrons? (Perhaps placing them on their dash) We request this designated bank of spaces December 13th through the December 23rd finals.

We greatly appreciate your help and the continued support of the City of Coral Gables. I look forward to your positive response and instructions on how to accommodate our request.

Regards,

Barbara Waters
