Discussion regarding street resurfacing initiative

Mayor Cason: Item H is the City Manager Item.

City Manager Salerno: Thank you Mayor, members of the Commission, what I wanted to just give you briefly was a little bit of a show and tell, staff tells me we are about 80 percent approximately done with the first phase of the street resurfacing project, which are the streets in the City North of US-1, excluding the downtown, and I thought you might like to see some before and after pictures, so this is just show and tell, very pretty. Culmer Court before, Culmer Court after; Country Club Prado before, Country Club Prada after; Alhambra Circle and Placenta Avenue after resurfacing; Donatello Street and Benevento Avenue before and the after; Donatello and Paradiso Avenue just off of US-1 and after. Next – Donatello and Sistina before...

Commissioner Cabrera: Big voting precincts.

City Manager Salerno: Dorado Avenue and Suarez Street and the after; Paradiso and Pizarro – after. Next – Lastly, Cardena Street and Valencia Avenue before and after. That’s all I have Mayor and Commissioners, I just wanted to give you a little progress report.

Mayor Cason: What percentage of the – how many miles are they on the second project?- was it 30 miles overall?

City Manager Salerno: We refined that number Mayor, and it appears that the first phase is about 30 miles and the second phase 24 miles, we are about 80 percent done with the first phase. That was it.

Commissioner Quesada: Looks great.
