Good evening Mr. Aldridge,

Here is the application for the River Rocks placed on the swale at 6900 Mira Flores. I am also giving you the Public Works Department phone number so you can ask them a few questions prior to submitting for a permit. If you need any assistance please let me know.

Public Works 305-460-500, just let them know the home was issued a warning for having items placed on swale and owner would like to try and get it approved.

Thank you so much.
