By executing and delivering this Security Instrument, Borrower hereby grants to Lender, as security for the Obligations (hereinafter defined), a security interest in the Fixtures, the Equipment, the Personal Property and the other property constituting the Property to the full extent that the Fixtures, the Equipment, the Personal Property and such other property now owned, or hereafter acquired, to the full extent that all of Borrower's right, title and interest in and to the Fixtures, the Equipment, the Personal Property and the other property may be subject to the UCC (said portion of the Property so subject to the UCC being called the "**Collateral**"). If an Event of Default shall occur and be continuing, Lender, in addition to any other rights and remedies which it may have, shall have and may exercise immediately and without demand, any and all rights and remedies granted to a secured party upon default under the UCC, including, without limiting the generality of the foregoing, the right to take possession of the Collateral or any part thereof, and to take such other measures as Lender may deem necessary for the care, protection and preservation of the Collateral. Upon request or demand of Lender after the occurrence and during the continuance of an Event of Default, Borrower shall, at its expense, assemble the Collateral and make it available to Lender at a convenient place (at the Land if tangible property) reasonably acceptable to Lender. Borrower shall pay to Lender on demand any and all actual out-of-pocket expenses, including reasonable legal expenses and attorneys' fees and costs, incurred or paid by Lender in protecting its interest in the Collateral and in enforcing its rights hereunder with respect to the Collateral after the occurrence and during the continuance of an Event of Default. Any notice of sale, disposition or other intended action by Lender with respect to the Collateral sent to Borrower in accordance with the provisions hereof at least ten (10) Business Days prior to such action, shall, except as otherwise provided by applicable law, constitute reasonable notice to Borrower. The proceeds of any disposition of the Collateral, or any part thereof, may, except as otherwise required by applicable law, be applied by Lender to the payment of the Debt in such priority and proportions as Lender in its discretion shall deem proper. Borrower's (debtor's) principal place of business is as set forth on the first page hereof and the address of Lender (secured party) is as set forth on the first page hereof.

Section 1.4 Fixture Filing. Certain of the Property is or will become "fixtures" (as that term is defined in the UCC) on the Land, and this Security Instrument, upon being filed for record in the real estate records of the city or county wherein such fixtures are situated, shall operate also as a financing statement (naming Borrower as the Debtor with an address as set forth on the first page hereof and an organizational identification number of

5485103, and Lender as the Secured Party with an address as set forth on the first page hereof) filed as a fixture filing in accordance with the applicable provisions of said UCC upon such of the Property that is or may become fixtures.

Section 1.5 Pledges of Monies Held. Borrower hereby pledges to Lender any and all monies now or hereafter held by Lender or on behalf of Lender in connection with the Loan, including, without limitation, any sums deposited in the Clearing Account, the Cash Management Account, the Reserve Funds and Net Proceeds, as additional security for the Obligations until expended or applied as provided in this Security Instrument.

CONDITIONS TO GRANT

TO HAVE AND TO HOLD the above granted and described Property unto and to the use and benefit of Lender and its successors and assigns, forever;

WITH POWER OF SALE, to secure Borrower's payment to Lender of the Debt and performance of the Other Obligations at the time and in the manner provided in the Note, the Loan Agreement and this Security Instrument;

PROVIDED, HOWEVER, these presents are upon the express condition that, if Borrower shall well and truly (a) pay to Lender the Debt at the time and in the manner provided in the Note, the Loan Agreement, this Security Instrument and the other Loan Documents, (b) perform the Other Obligations as set forth in the Loan Agreement, this Security Instrument and the other Loan Documents, and (c) abide by and comply with each and every covenant and condition set forth herein and in the Note, the Loan Agreement, this Security Instrument and the other Loan Documents, these presents and the estate hereby granted shall cease, terminate and be void; provided, however, that Borrower's obligation to indemnify and hold harmless Lender pursuant to the provisions hereof shall survive any such payment or release.

ARTICLE 2

DEBT AND OBLIGATIONS SECURED

Section 2.1 Debt. This Security Instrument and the grants, assignments and transfers made in Article 1 hereof are given for the purpose of securing the Debt.

Section 2.2 Other Obligations. This Security Instrument and the grants, assignments and transfers made in Article 1 hereof are also given for the purpose of securing the Other Obligations.

ARTICLE 3

BORROWER COVENANTS

Borrower covenants and agrees that:

Section 3.1 Payment of Debt. Borrower will pay the Debt at the time and in the manner provided in the Loan Agreement, the Note and this Security Instrument.

Section 3.2 Incorporation by Reference. All the covenants, conditions and agreements contained in (a) the Loan Agreement, (b) the Note and (c) all and any of the other Loan Documents, are hereby made a part of this Security Instrument to the same extent and with the same force as if fully set forth herein.

Section 3.3 Maintenance of Property. Borrower shall cause the Property to be maintained in a good and safe condition and repair. The Improvements, the Fixtures, the Equipment and the Personal Property shall not be removed, demolished or materially altered (except for normal replacement of the Fixtures, the Equipment or the Personal Property, tenant finish and refurbishment of the Improvements) without the consent of Lender or as otherwise permitted pursuant to the Loan Agreement. Borrower shall promptly repair, replace or rebuild any part of the Property which may be destroyed by any Casualty or become damaged, worn or dilapidated or which may be affected by any Condemnation, and shall complete and pay for any structure at any time in the process of construction or repair on the Land.

Section 3.4 Waste. Borrower shall not commit or suffer any waste of the Property or make any change in the use of the Property which will in any way materially increase the risk of fire or other hazard arising out of the operation of the Property, or take any action that might invalidate or allow the cancellation of any Policy, or do or permit to be done thereon anything that may in any way materially impair the value of the Property or the security of this Security Instrument. Borrower will not, without the prior written consent of Lender, permit any drilling or exploration for or extraction, removal, or production of any minerals from the surface or the subsurface of the Land, regardless of the depth thereof or the method of mining or extraction thereof.

Section 3.5 Payment for Labor and Materials.

(a) Subject to Section 3.5(b) below, Borrower (i) will promptly pay when due all bills and costs for labor, materials, and specifically fabricated materials ("**Labor and Material Costs**") incurred in connection with the Property, (ii) never permit to exist beyond the due date thereof in respect of the Property, or any part thereof, any Lien or security interest, even though inferior to the Liens and security interests created hereby and by the other Loan Documents, and (iii) never permit to be created or exist in respect of the Property or any part thereof any other or additional Lien or security interest other than the Liens or security interests created hereby and by the other Loan Documents except for the Permitted Encumbrances.

(b) After prior written notice to Lender, Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any of the Labor and Material Costs, provided that (i) no Event of Default has occurred and is continuing under the Loan Agreement, the Note, this Security Instrument or any of the other Loan Documents, (ii) Borrower is permitted to do so under the provisions of any other mortgage, deed of trust or deed to secure debt affecting the Property, (iii) such proceeding shall suspend the collection of the Labor and Material Costs from Borrower and from the Property or Borrower shall have paid all of the Labor and Material Costs under protest, (iv) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Borrower is subject and shall not constitute a default thereunder, (v) neither the Property nor any part

thereof nor interest therein will be in danger of being sold, forfeited, terminated, canceled or lost, and (vi) Borrower shall have furnished the security as may be required in the proceeding, or as may be reasonably requested by Lender, to insure the payment of any contested Labor and Material Costs, together with all interest and penalties thereon.

Section 3.6 Performance of Other Agreements. Borrower shall observe and perform each and every term, covenant and provision to be observed or performed by Borrower pursuant to the Loan Agreement, any other Loan Document and any other agreement or recorded instrument affecting or pertaining to the Property and any amendments, modifications or changes thereto.

Section 3.7 Change of Name, Identity or Structure. Borrower shall not change Borrower's name, identity (including its trade name or names) or, if not an individual, Borrower's corporate, partnership or other structure without notifying Lender of such change in writing at least thirty (30) days prior to the effective date of such change and, in the case of a change in Borrower's structure, without first obtaining the prior written consent of Lender. Borrower shall execute and deliver to Lender, prior to or contemporaneously with the effective date of any such change, any financing statement or financing statement change required by Lender to establish or maintain the validity, perfection and priority of the security interests granted herein. At the request of Lender from time to time, Borrower shall execute a certificate in form reasonably satisfactory to Lender listing the trade names under which Borrower is operating or intends to operate the Property, and representing and warranting that Borrower does business under no other trade name with respect to the Property.

ARTICLE 4

OBLIGATIONS AND RELIANCES

Section 4.1 Relationship of Borrower and Lender. The relationship between Borrower and Lender is solely that of debtor and creditor, and Lender has no fiduciary or other special relationship with Borrower, and no term or condition of the Loan Agreement, the Note, this Security Instrument or any other Loan Document shall be construed so as to deem the relationship between Borrower and Lender to be other than that of debtor and creditor.

Section 4.2 No Reliance on Lender. The general partners, members, principals and (if Borrower is a trust) beneficial owners of Borrower, as applicable, are experienced in the ownership and operation of properties similar to the Property, and Borrower and Lender are relying solely upon such expertise and business plan in connection with the ownership and operation of the Property. Borrower is not relying on Lender's expertise, business acumen or advice in connection with the Property.

Section 4.3 No Lender Obligations.

(a) Notwithstanding the provisions of Subsections 1.1(h) and (n) or Section 1.2 hereof, Lender is not undertaking the performance of (i) any obligations under the Leases, or (ii) any obligations with respect to any other agreements, contracts, certificates, instruments, franchises, permits, trademarks, licenses or other documents.

(b) By accepting or approving anything required to be observed, performed or fulfilled or to be given to Lender pursuant to this Security Instrument, the Loan Agreement, the Note or the other Loan Documents, including, without limitation, any Officer's Certificate, balance sheet, statement of profit and loss or other financial statement, survey, appraisal, or Policy, Lender shall not be deemed to have warranted, consented to, or affirmed the sufficiency, the legality or effectiveness of same, and such acceptance or approval thereof shall not constitute any warranty or affirmation with respect thereto by Lender.

Section 4.4 Reliance. Borrower recognizes and acknowledges that in accepting the Loan Agreement, the Note, this Security Instrument and the other Loan Documents, Lender is expressly and primarily relying on the truth and accuracy of the warranties and representations set forth in Section 4.1 of the Loan Agreement without any obligation to investigate the Property and notwithstanding any investigation of the Property by Lender; that such reliance existed on the part of Lender prior to the date hereof, that the warranties and representations are a material inducement to Lender in making the Loan; and that Lender would not be willing to make the Loan and accept this Security Instrument in the absence of the warranties and representations as set forth in Section 4.1 of the Loan Agreement.

ARTICLE 5

FURTHER ASSURANCES

Section 5.1 Recording of Security Instrument, etc. Borrower forthwith upon the execution and delivery of this Security Instrument and thereafter, from time to time, will cause this Security Instrument and any of the other Loan Documents creating a Lien or security interest or evidencing the Lien hereof upon the Property and each instrument of further assurance to be filed, registered or recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and to fully protect and perfect the Lien or security interest hereof upon, and the interest of Lender in, the Property. Borrower will pay all taxes, filing, registration or recording fees, and all expenses incident to the preparation, execution, acknowledgment and/or recording of the Note, this Security Instrument, the other Loan Documents, any note, deed of trust or mortgage supplemental hereto, any other security instrument with respect to the Property and any instrument of further assurance, and any modification or amendment of the foregoing documents, and all federal, state, county and municipal taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of this Security Instrument, any deed of trust or mortgage supplemental hereto, any other security instrument with respect to the Property or any instrument of further assurance, and any modification or amendment of the foregoing documents, except where prohibited by law so to do.

Section 5.2 Further Acts, etc. Borrower will, at the cost of Borrower, and without expense to Lender, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, deeds of trust, mortgages, assignments, notices of assignments, transfers and assurances as Lender shall, from time to time, reasonably require for the better assuring, conveying, assigning, transferring, and confirming unto Lender the property and rights hereby mortgaged, deeded, granted, bargained, sold, conveyed, confirmed, pledged, assigned, warranted and transferred or intended now or hereafter so to be, or which Borrower may be or may

hereafter become bound to convey or assign to Lender, or for carrying out the intention or facilitating the performance of the terms of this Security Instrument or for filing, registering or recording this Security Instrument, or for complying with all Legal Requirements. Borrower, on demand, will execute and deliver, and in the event it shall fail to so execute and deliver, hereby authorizes Lender to execute in the name of Borrower or without the signature of Borrower to the extent Lender may lawfully do so, one or more financing statements to evidence more effectively the security interest of Lender in the Property. Borrower grants to Lender an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Lender at law and in equity, including, without limitation, such rights and remedies available to Lender pursuant to this Section 5.2.

Section 5.3 Changes in Tax, Debt, Credit and Documentary Stamp Laws.

(a) If any Change in Law deducts the Debt from the value of the Property for the purpose of taxation or imposes a tax, either directly or indirectly, on the Debt or Lender's interest in the Property (other than Excluded Taxes), Borrower will pay the tax (other than Excluded Taxes), with interest and penalties thereon, if any to the extent (A) Lender reasonably determines that such amounts are allocable to the Loan and (B) Lender is generally asserting the right to receive such compensation from other similarly situated borrowers of loans from Lender. If Lender is advised by counsel chosen by it that the payment of tax by Borrower would be unlawful or taxable to Lender, unenforceable or provide the basis for a defense of usury, then Lender shall have the option, by written notice of not less than one hundred twenty (120) days, to declare the Debt immediately due and payable provided that these shall be no Spread Maintenance Premium payable in connection therewith.

(b) Borrower will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Taxes or Other Charges assessed against the Property, or any part thereof, and no deduction shall otherwise be made or claimed from the assessed value of the Property, or any part thereof, for real estate tax purposes by reason of this Security Instrument or the Debt. If such claim, credit or deduction shall be required by law then unless Borrower elects to compensate Lender for any such additional cost within ten (10) Business Days upon receipt of written notice from Lender, Lender shall have the option, by written notice of not less than one hundred twenty (120) days, to declare the Debt immediately due and payable, provided that these shall be no Spread Maintenance Premium payable in connection therewith.

(c) If at any time the United States of America, any State thereof or any subdivision of any such State shall require revenue or other stamps to be affixed to the Note, this Security Instrument, or any of the other Loan Documents, or shall impose any other tax or charge on the same, Borrower will pay for the same, with interest and penalties thereon, if any.

Section 5.4 Severing of Mortgage. This Security Instrument and the Note may, at any time until the same shall be fully paid and satisfied, at the sole election of Lender, be severed into two or more notes and two or more security instruments as set forth in, and subject to the terms and conditions of Article 9 of the Loan Agreement.

Section 5.5 Replacement Documents. Upon receipt of an affidavit of an officer of Lender as to the loss, theft, destruction or mutilation of the Note or any other Loan Document which is not of public record, and, in the case of any such mutilation, upon surrender and cancellation of such Note or a replacement of such other Loan Document, Borrower will issue, in lieu thereof, a replacement Note or other Loan Document, dated the date of such lost, stolen, destroyed or mutilated Note or other Loan Document in the same principal amount thereof and otherwise of like tenor.

ARTICLE 6

DUE ON SALE/TRANSFER

Section 6.1 Lender Reliance. Borrower acknowledges that Lender has examined and relied on the experience of Borrower and its general partners, members, principals and (if Borrower is a trust) beneficial owners in owning and operating properties such as the Property in agreeing to make the Loan, and will continue to rely on Borrower's ownership of the Property as a means of maintaining the value of the Property as security for the repayment of the Debt and the performance of the Other Obligations. Borrower acknowledges that Lender has a valid interest in maintaining the value of the Property so as to ensure that, should Borrower default in the repayment of the Debt or the performance of the Other Obligations then, during a continuance of an Event of Default, Lender can recover the Debt by a sale of the Property, in each case, in accordance with the terms hereof and the Loan Agreement.

Section 6.2 No Sale/Transfer. Neither Borrower nor any Restricted Party shall Transfer the Property or any part thereof or any direct or indirect interest therein, or permit or suffer the Property or any part thereof or any direct or indirect interest therein to be Transferred, other than Permitted Transfers or otherwise as expressly permitted pursuant to the terms of the Loan Agreement.

ARTICLE 7

RIGHTS AND REMEDIES UPON DEFAULT

Section 7.1 Remedies. Upon the occurrence and during the continuance of any Event of Default, Borrower agrees that Lender may take such action, without notice or demand (except as otherwise expressly specified herein or in the Loan Agreement), to the fullest extent permitted by law, as it deems advisable to protect and enforce its rights against Borrower and in and to the Property, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as Lender may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of Lender:

- (a) declare the entire unpaid Debt to be immediately due and payable;
- (b) institute proceedings, judicial or otherwise, for the complete foreclosure, in accordance with Florida law, of this Security Instrument under any applicable

provision of law, in which case the Property, or any interest therein, may be sold for cash or upon credit in one or more parcels or in several interests or portions and in any order or manner;

(c) with or without entry, to the extent permitted and pursuant to the procedures provided by applicable law, institute proceedings for the partial foreclosure of this Security Instrument for the portion of the Debt then due and payable, subject to the continuing Lien and security interest of this Security Instrument for the balance of the Debt and the Other Obligations not then due, unimpaired and without loss of priority;

(d) sell for cash or upon credit the Property or any part thereof and all estate, claim, demand, right, title and interest of Borrower therein and rights of redemption thereof, pursuant to power of sale or otherwise, at one or more sales, as an entirety or in parcels, at such time and place, upon such terms and after such notice thereof as may be required or permitted by law; and, without limiting the foregoing:

(i) in connection with any sale or sales hereunder, Lender shall be entitled to elect to treat any of the Property which consists of (x) a right in action, or (y) property that can be severed from the Real Property covered hereby, or (z) any improvements (without causing structural damage thereto), as if the same were personal property, and dispose of the same in accordance with applicable law, separate and apart from the sale of the Real Property. Where the Property consists of Real Property, Personal Property, Equipment or Fixtures, whether or not such Personal Property or Equipment is located on or within the Real Property, Lender shall be entitled to elect to exercise its rights and remedies against any or all of the Real Property, Personal Property, Equipment and Fixtures in such order and manner as is now or hereafter permitted by applicable law;

(ii) Lender shall be entitled to elect to proceed against any or all of the Real Property, Personal Property, Equipment and Fixtures in any manner permitted under applicable law; and if Lender so elects pursuant to applicable law, the power of sale herein granted shall be exercisable with respect to all or any of the Real Property, Personal Property, Equipment and Fixtures covered hereby, as designated by Lender;

(iii) should Lender elect to sell any portion of the Property which is Real Property or which is Personal Property, Equipment or Fixtures that the Lender has elected under applicable law to sell together with Real Property in accordance with the laws governing a sale of the Real Property, Lender shall give such notice of the occurrence of an Event of Default, if any, and its election to sell such Property as may then be required by law. Thereafter, upon the giving of such notice of sale and the expiration of any required time period as may then be required by law, subject to the terms hereof and of the other Loan Documents, and without the necessity of any demand on Borrower or Lender at the time and place specified in the notice of sale, shall sell such Real Property or part thereof at public auction to the highest bidder for cash in lawful money of the United States. Lender may from time to time postpone any sale hereunder by public announcement thereof at the time and place noticed for any such sale; and

(iv) if the Property consists of several lots, parcels or items of property, Lender shall, subject to applicable law, (A) designate the order in which such lots,

parcels or items shall be offered for sale or sold, or (B) elect to sell such lots, parcels or items through a single sale, or through two or more successive sales, or in any other manner Lender designates in Lender's sole discretion. Any Person, including Borrower or Lender, may purchase at any sale hereunder. Should Lender desire that more than one sale or other disposition of the Property be conducted, Lender shall, subject to applicable law, cause such sales or dispositions to be conducted simultaneously, or successively, on the same day, or at such different days or times and in such order as Lender may designate, and no such sale shall terminate or otherwise affect the lien of this Security Instrument on any part of the Property not sold until all the Obligations have been satisfied in full. In the event Lender elects to dispose of the Property through more than one sale, except as otherwise provided by applicable law, Borrower agrees to pay the costs and expenses actually incurred by Lender of each such sale and of any judicial proceedings wherein such sale may be made;

(e) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained herein, in the Note, in the Loan Agreement or in the other Loan Documents;

(f) recover judgment on the Note either before, during or after any proceedings for the enforcement of this Security Instrument or the other Loan Documents;

(g) apply for the appointment of a receiver, trustee, liquidator or conservator of the Property, without notice and without regard for the adequacy of the security for the Debt and without regard for the solvency of Borrower, any guarantor or indemnitor with respect to the Loan or any Person otherwise liable for the payment of the Debt or any part thereof;

(h) the license granted to Borrower under Section 1.2 hereof shall automatically be revoked and Lender may enter into or upon the Property, either personally or by its agents, nominees or attorneys, and dispossess Borrower and its agents and servants therefrom, without liability for trespass, damages or otherwise, and exclude Borrower and its agents or servants wholly therefrom, and take possession of all books, records and accounts relating thereto and Borrower agrees to surrender possession of the Property and of such books, records and accounts to Lender upon demand, and thereupon Lender may (i) use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Property and conduct the business thereat, (ii) complete any construction on the Property in such manner and form as Lender deems advisable, (iii) make alterations, additions, renewals, replacements and improvements to or on the Property, (iv) exercise all rights and powers of Borrower with respect to the Property, whether in the name of Borrower or otherwise, including, without limitation, the right to make, cancel, enforce or modify Leases, obtain and evict tenants, and demand, sue for, collect and receive all Rents of the Property and every part thereof, (v) require Borrower to pay monthly in advance to Lender, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of such part of the Property as may be occupied by Borrower, (vi) require Borrower to vacate and surrender possession of the Property to Lender or to such receiver and, in default thereof, Borrower may be evicted by summary proceedings or otherwise, and (vii) apply the receipts from the Property to the payment of the Debt and the performance of the Other Obligations, in such order, priority and proportions as Lender shall deem appropriate in its sole discretion after deducting therefrom all expenses

(including reasonable attorneys' fees and costs) incurred in connection with the aforesaid operations and all amounts necessary to pay the Taxes, Other Charges, Insurance Premiums and other expenses in connection with the Property, as well as just and reasonable compensation for the services of Lender, its counsel, agents and employees;

(i) exercise any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing: (i) the right to take possession of the Fixtures, the Equipment and/or the Personal Property or any part thereof, and to take such other measures as Lender may deem necessary for the care, protection and preservation of the Fixtures, the Equipment and/or the Personal Property; and (ii) request Borrower at its expense to assemble the Fixtures, the Equipment and/or the Personal Property and make it available to Lender at a convenient place acceptable to Lender. Any notice of sale, disposition or other intended action by Lender with respect to the Fixtures, the Equipment and/or the Personal Property sent to Borrower in accordance with the provisions hereof at least ten (10) days prior to such action, shall constitute commercially reasonable notice to Borrower;

(j) apply any sums then deposited or held in escrow or otherwise by or on behalf of Lender in accordance with the terms of the Loan Agreement, this Security Instrument or any other Loan Document to the payment of the following items in any order in its sole discretion:

- (i) Taxes and Other Charges;
- (ii) Insurance Premiums;
- (iii) Interest on the unpaid principal balance of the Note;
- (iv) Amortization of the unpaid principal balance of the Note;

and/or

(v) All other sums payable pursuant to the Note, the Loan Agreement, this Security Instrument and the other Loan Documents, including, without limitation, the Spread Maintenance Fee, if applicable, and advances made by Lender pursuant to the terms of this Security Instrument.

(k) pursue such other remedies as Lender may have under applicable law; or

(l) apply the undisbursed balance of any Net Proceeds Deficiency deposit, together with interest thereon, to the payment of the Debt in such order, priority and proportions as Lender shall deem to be appropriate in its sole and absolute discretion.

In the event of a sale, by foreclosure, power of sale or otherwise, of less than all of the Property, this Security Instrument shall continue as a Lien and security interest on the remaining portion of the Property unimpaired and without loss of priority.

Section 7.2 Application of Proceeds. The purchase money, proceeds and avails of any disposition of the Property, or any part thereof, or any other sums collected by Lender pursuant to the Note, this Security Instrument or the other Loan Documents, may be applied by Lender to the payment of the Debt in such priority and proportions as Lender in its discretion shall deem proper.

Section 7.3 Right to Cure Defaults. Upon the occurrence and during the continuance of any Default or Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower (except as specifically required herein or in the Loan Agreement) and without releasing Borrower from any Other Obligations hereunder, make any payment or do any act required of Borrower hereunder or in the other Loan Documents with respect to any Other Obligations which payment or action on the part of Lender shall be in such manner and to such extent as Lender may deem necessary to protect the security hereof. Lender is authorized to enter upon the Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in the Property or to foreclose this Security Instrument or to collect the Debt, and the cost and expense thereof (including reasonable attorneys' fees and expenses to the extent permitted by law), with interest as provided in this Section 7.3, shall constitute a portion of the Debt and shall be due and payable to Lender upon demand. All such costs and expenses incurred by Lender in remedying any Default or Event of Default or in appearing in, defending, or bringing any such action or proceeding, as hereinabove provided, shall bear interest at the Default Rate, for the period beginning on the first day after notice from Lender that such cost or expense was incurred and continuing until the date of payment to Lender. All such costs and expenses incurred by Lender, together with interest thereon calculated at the Default Rate, shall be deemed to constitute a portion of the Debt and to be secured by this Security Instrument and the other Loan Documents and shall be immediately due and payable upon demand by Lender therefor.

Section 7.4 Actions and Proceedings. Lender has the right to appear in and defend any action or proceeding brought with respect to the Property and to bring any action or proceeding, in the name and on behalf of Borrower, which Lender, in its sole and absolute discretion, decides should be brought to protect its interest in the Property.

Section 7.5 Recovery of Sums Required To Be Paid. Lender shall have the right, from time to time, to take action to recover any sum or sums which constitute a part of the Debt as the same become due, without regard to whether or not the balance of the Debt shall be due, and without prejudice to the right of Lender thereafter to bring an action of foreclosure, or any other action, for any Event of Default by Borrower existing at the time such earlier action was commenced.

Section 7.6 Other Rights, etc.

(a) The failure of Lender to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Security Instrument. Borrower shall not be relieved of Borrower's obligations hereunder by reason of (i) the failure of Lender to comply with any request of Borrower or any guarantor or indemnitor with respect to the Loan to take any action to foreclose this Security Instrument or otherwise enforce any of the provisions hereof or of the Note or the other Loan Documents, (ii) the release, regardless of consideration,

of the whole or any part of the Property, or of any Person liable for the Obligations or any portion thereof, or (iii) any agreement or stipulation by Lender extending the time of payment or otherwise modifying or supplementing the terms of the Note, this Security Instrument or the other Loan Documents.

(b) It is agreed that the risk of loss or damage to the Property is on Borrower, and Lender shall have no liability whatsoever for any decline in value of the Property, for failure to maintain the Policies, or for failure to determine whether insurance in force is adequate as to the amount of risks insured. Possession by Lender shall not be deemed an election of judicial relief if any such possession is requested or obtained with respect to any Property or collateral not in Lender's possession.

(c) Upon the occurrence and during the continuance of an Event of Default, Lender may resort for the payment of the Debt and the performance of the Other Obligations to any other security held by Lender in such order and manner as Lender, in its discretion, may elect. Lender may take action to recover the Debt, or any portion thereof, or to enforce the Other Obligations or any covenant hereof without prejudice to the right of Lender thereafter to foreclose this Security Instrument. The rights of Lender under this Security Instrument shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Lender shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Lender shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded at law or in equity.

Section 7.7 Right to Release Any Portion of the Property. Upon the occurrence and during the continuance of an Event of Default, Lender may release any portion of the Property for such consideration as Lender may require without, as to the remainder of the Property, in any way impairing or affecting the Lien or priority of this Security Instrument, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the Debt shall have been reduced by the actual monetary consideration, if any, received by Lender for such release, and Lender may accept by assignment, pledge or otherwise any other property in place thereof as Lender may require without being accountable for so doing to any other lienholder. This Security Instrument shall continue as a Lien and security interest in the remaining portion of the Property.

Section 7.8 Violation of Laws. If the Property is not in full compliance with any Legal Requirement, Lender may impose additional requirements upon Borrower in connection herewith including, without limitation, monetary reserves or financial equivalents.

Section 7.9 Recourse and Choice of Remedies. Notwithstanding any other provision of this Security Instrument or the Loan Agreement, including, without limitation, Section 9.4 of the Loan Agreement, but subject to Section 3.1 of the Loan Agreement, Lender and other Indemnified Parties (as hereinafter defined) are entitled to enforce the obligations of Borrower and any guarantor or indemnitor with respect to the Loan contained in Section 8.1 herein without first resorting to or exhausting any security or collateral and without first having recourse to the Note or any of the Property, through foreclosure, exercise of a power of sale or acceptance of a deed in lieu of foreclosure or otherwise, and in the event Lender commences a

foreclosure action against the Property or exercises its power of sale pursuant to this Security Instrument, Lender is entitled to pursue a deficiency judgment with respect to such obligations against Borrower with respect to the Loan. Subject to the terms of the Loan Agreement, the liability of Borrower and any guarantor or indemnitor with respect to the Loan pursuant to Section 8.1 hereof is not limited to the original principal amount of the Note. Notwithstanding the foregoing, nothing herein shall inhibit or prevent Lender from foreclosing or exercising its power of sale pursuant to this Security Instrument or exercising any other rights and remedies pursuant to the Loan Agreement, the Note, this Security Instrument and the other Loan Documents, whether simultaneously with foreclosure proceedings or in any other sequence. A separate action or actions may be brought and prosecuted against Borrower pursuant to Section 8.1 hereof whether or not an action is brought against any other Person and whether or not any other Person is joined in the action or actions. MISCELLANEOUS PROVISIONS

Section 14.1 No Oral Change. This Security Instrument, and any provisions hereof, may not be modified, amended, waived, extended, changed, discharged or terminated orally or by any act or failure to act on the part of Borrower or Lender, but only by an agreement in writing signed by the party(ies) against whom enforcement of any modification, amendment, waiver, extension, change, discharge or termination is sought.

Section 14.2 Successors and Assigns. This Security Instrument shall be binding upon and shall inure to the benefit of Borrower and Lender and their respective successors and permitted assigns, as set forth in the Loan Agreement. Lender shall have the right to assign or transfer its rights under this Security Instrument in connection with any assignment of the Loan and the Loan Documents. Any assignee or transferee of Lender shall be entitled to all the benefits afforded to Lender under this Security Instrument. Borrower shall not have the right to assign or transfer its rights or obligations under this Security Instrument without the prior written consent of Lender, as provided in the Loan Agreement, and any attempted assignment without such consent shall be null and void.

Section 14.3 Inapplicable Provisions. If any term, covenant or condition of the Loan Agreement, the Note or this Security Instrument is held to be invalid, illegal or unenforceable in any respect, the Loan Agreement, the Note and this Security Instrument shall be construed without such provision.

Section 14.4 Headings, etc. The headings and captions of the various Sections of this Security Instrument are for convenience of reference only and are not to be construed as defining or limiting, in any way, the scope or intent of the provisions hereof.

Section 14.5 Subrogation. If any or all of the proceeds of the Note have been used to extinguish, extend or renew any indebtedness heretofore existing against the Property, then, to the extent of the funds so used, Lender shall be subrogated to all of the rights, claims, liens, titles, and interests existing against the Property heretofore held by, or in favor of, the holder of such indebtedness and such former rights, claims, liens, titles, and interests, if any, are not waived but rather are continued in full force and effect in favor of Lender and are merged with the lien and security interest created herein as cumulative security for the payment of the Debt, the performance and discharge of Borrower's obligations hereunder, under the Loan Agreement, the Note and the other Loan Documents and the performance and discharge of the Other Obligations.

Section 14.6 Entire Agreement. The Note, the Loan Agreement, this Security Instrument and the other Loan Documents constitute the entire understanding and agreement between Borrower and Lender with respect to the transactions arising in connection with the Obligations and supersede all prior written or oral understandings and agreements between Borrower and Lender with respect thereto. Borrower hereby acknowledges that, except as incorporated in writing in the Note, the Loan Agreement, this Security Instrument and the other Loan Documents, there are not, and were not, and no Persons are or were authorized by Lender to make, any representations, understandings, stipulations, agreements or promises, oral or written, with respect to the transaction which is the subject of the Note, the Loan Agreement, this Security Instrument and the other Loan Documents.

Section 14.7 Limitation on Lender's Responsibility. No provision of this Security Instrument shall operate to place any obligation or liability for the control, care, management or repair of the Property upon Lender, nor shall it operate to make Lender responsible or liable for any waste committed on the Property by the tenants or any other Person, or for any dangerous or defective condition of the Property, or for any negligence in the management, upkeep, repair or control of the Property resulting in loss or injury or death to any tenant, licensee, employee or stranger. Each of the provisions of every such agreement, document or instrument shall be enforceable by Lender to the fullest extent now or hereafter permitted by law.

Section 14.10 No Partnership or Joint Venture. No provision of this Security Instrument or any of the other Loan Documents shall constitute a partnership, joint venture, tenancy in common or joint tenancy between Borrower and Lender, it being intended that the only relationship created by this Security Instrument, the Loan Agreement, the Note and the other Loan Documents shall be that of debtor and creditor.

Section 14.11 No Merger. So long as the Obligations owed to Lender secured hereby remain unpaid and undischarged and unless Lender otherwise consents in writing, the fee, leasehold, subleasehold and sub-subleasehold estates in and to the Property will not merge but will always remain separate and distinct, notwithstanding the union of such estates (without implying Borrower's consent to such union) either in Borrower, Lender, any tenant or any third party by purchase or otherwise, in the event this Security Instrument is originally placed on a leasehold estate and Borrower later obtains fee title to the Property, such fee title will be subject and subordinate to this Security Instrument.

Any such advances may be made (i) at the option of Lender, or (ii) in accordance with the Loan Agreement. The total amount of the principal indebtedness that may be secured by this Security Instrument may increase or decrease from time to time, but the total unpaid principal balance of such indebtedness secured at any one time by this Security Instrument shall not exceed a maximum principal amount of \$86,800,000.00, plus interest thereon and any disbursements made by Lender pursuant to the terms of this Security Instrument.
