**ARTICLE 3**  
**NON-DISCRIMINATION**

The parties agree not to interfere with the right of any employee covered by this Agreement to become a member of the Employee Organization, withdraw from membership from the Employee Organization, or refrain from becoming a member of the Employee Organization. There shall be no discrimination against any employee covered by this Agreement by reasons of race, creed, color, national origin, sex, Employee Organization membership or activity, or lack of Employee Organization membership or activity.

**ARTICLE 4**  
**REPRESENTATION OF THE CITY**

1. The City shall be represented by the City Manager, or a person or persons designated in writing to the Employee Organization by the City Manager. The City Manager, or his designated representative, shall have sole authority to conclude an agreement on behalf of the City subject to ratification by an official resolution of the City of Coral Gables Commission.
2. It is understood that the designated representatives of the City are the official representatives for the purpose of

negotiations with the Employee Organization. Any negotiations entered into with persons other than those defined herein, regardless of their position or association with the City, shall be deemed unauthorized and shall have no standing or weight of authority in committing or in any way obligating the City.

3. The City Manager or his designated representative shall notify the Employee Organization of any changes in designation of the City's representative for the purpose of negotiations.

#### **ARTICLE 5** **REPRESENTATION OF THE EMPLOYEE ORGANIZATION**

1. The Employee Organization shall be represented by the President or his designee in all matters. The Employee Organization shall notify the City Manager annually of any change in the stated representative.
2. It is understood that the Employee Organization representative or representatives are the official representatives of the Employee Organization for the purpose of negotiating with the City. Any negotiations entered into with persons other than those defined herein regardless of their position or association with the Employee Organization shall be deemed unauthorized and shall have no standing or weight or authority in committing or in any way obligating the Employee Organization.

#### **ARTICLE 6** **DUES DEDUCTION**

1. Any employee covered hereunder, who has submitted a properly executed written dues authorization card or statement to the City Manager or designee may have membership dues in the Employee Organization deducted from the employee's wages. Dues shall be deducted the first pay period of each month, and shall, within ten (10) workdays of the first pay period be transmitted to the Employee Organization. An authorized representative of the Employee Organization shall pick up the aforesaid dues at the City's Finance Department and shall sign a form furnished by the City acknowledging receipt of the dues. The Employee Organization shall furnish, in writing, the names of the employees authorized to pick up the dues and shall promptly notify the City of any additions or deletions. The City shall have no responsibility or any liability for any monies once picked up by the Employee Organization, nor shall the City have any responsibility or any liability for the improper deductions of dues. Further, the Employee Organization shall hold the City harmless for non-intentional errors in the administration of the dues deduction system, although the City shall exercise reasonable care to insure accuracy in said transaction.
2. It shall be the responsibility of the Employee Organization to notify the City Manager or designee of any change in the amount of dues to be deducted at least thirty (30) days in advance of said change. Under no circumstances shall the City be required to deduct Employee Organization fines or penalties from the wages of any member.
3. Any employee covered hereunder may, at any time, through written notification to the City and the Employee Organization have the City cease deducting dues from wages.

**ARTICLE 7**  
**PERSONNEL RECORDS**

1. Bargaining unit members covered by this Agreement shall be provided a copy of all documents at the time those documents are placed in their individual personnel files. Bargaining unit members covered by this Agreement shall have the right to inspect their official personnel files, wherever located; provided, however, that such inspection shall take place at reasonable times. The members shall have the right, at their own expense, to make copies of any item contained in their personnel files.
2. Bargaining unit members covered by this Agreement shall have the right to file a written response to any letter or reprimand or other document, which is hereafter placed in the member's official personnel file as a result of supervisory action or citizen complaint. At the member's request, any such written response shall be included in the member's official personnel file together with the letter of reprimand and other document against which it is directed. In the event a City and/or Departmental investigation results in a member being exonerated from allegations based on a written complaint filed by a member of the public, said written complaint shall be removed from the member's official personnel files upon the member's written request.
3. To the extent permitted by law and in order to protect the privacy and promote the safety of individual police officers, the City agrees not to directly or indirectly furnish the news media or the public with any member's home address, telephone number, and/or photograph without first obtaining express written consent. This provision does not preclude the City and/or the Police Department, from furnishing any information for official law enforcement purpose, either for its own use or when required by any other law enforcement or judicial entity.

**ARTICLE 8**  
**DEPARTMENTAL RULES AND REGULATIONS**

1. It is agreed and understood that each new departmental rule, regulation, policy, procedure, etc., or supplement to, revision of, or clarification of same, may have the effect of significantly modifying the members present working conditions. This bargaining unit reserves the right to have input during or after the formation of, or change to, said departmental rules, regulations, policies and procedures, and to review same prior to general distribution. This will be accomplished by having the President or designee of the Employee Organization be in attendance at professional standards meetings or that segment of staff meetings where professional standards are formulated and/or discussed. Any new departmental manuals shall become effective upon the general distribution of same to the members covered by this Agreement.
2. Recognizing that from time to time the Chief, the Human Resources Director, the City Manager and/or other authorized departmental and City management officials will be required to issue memoranda or written directives, which supplement, revise, amend, or clarify departmental and City rules, regulations, and procedures, the parties agree that the members covered hereunder shall be entitled to receive copies of all such memoranda and written directives issued subsequent to the execution date of this Agreement. Nothing contained herein shall require distribution to the members of any memorandum, directive, or other document, which, by its terms or intent, is limited in application to specific individuals, assignments, incidents and/or occurrences, or expires within a fixed period of time, or is purely informational in nature. These routine documents (as distinguished from memoranda and written directives supplementing, revising, amending, or clarifying departmental rules,

policy, and/or procedure of general and long term application) shall continue to be posted on departmental bulletin boards in accordance with pre-existing departmental practice. The Chief and/or other authorized departmental and City management officials may require written acknowledgment of all written directives or other documents by the individuals receiving said directives or other documents.

3. Recognizing that the promulgation of departmental and City rules, regulations, policies, and procedures, is within the exclusive purview of the City acting through its Chief of Police, the Human Resources Director and/or City Manager the parties agree that notwithstanding any provision of this Article, every departmental and City rule, regulation, policy and procedure presently in effect shall remain in effect until such time as a particular rule, regulation, policy or procedure is expressly altered through the issuance of a written memorandum or directive or the revision of the departmental or City manuals entitled "Revised Rules and Regulations of the Police Department of the City of Coral Gables, Florida" and "Personnel Rules and Regulations, City of Coral Gables, Florida."

#### **ARTICLE 9** **LABOR-MANAGEMENT / SAFETY COMMITTEE**

1. There shall be a Labor-Management/Safety Committee consisting of three (3) management representatives designated by the Chief of Police, and three (3) bargaining unit employees designated by the President of the Employee Organization. The Labor-Management/Safety Committee shall meet as needed but not less than quarterly.
2. The function of the Committee shall be to discuss general matters pertaining to Human Resources and safety issues. Employee Organization Committee members, who are off duty at the time of a Committee meeting, shall be compensated for attending an officially designated Labor-Management/Safety Committee meeting. Those that are on duty shall also be entitled to attend without loss of pay or reduction in accrued leave.

#### **ARTICLE 10** **INTERNAL INVESTIGATIONS AND OBLIGATION TO THE PUBLIC**

1. The parties recognize that the security of the City of Coral Gables and its citizens depends to a great extent upon the manner in which the members covered by this Agreement perform their various duties. Further, the parties recognize that the performance of such duties involves those members in all manner of contacts and relationships with the public and that out of such contacts and relationships, questions may arise or complaints may be made concerning the actions of members covered by this Agreement. Investigation of such questions and complaints must necessarily be conducted by, or under the direction of the Chief of Police or his designee whose primary concern must be the security of the City of Coral Gables and the preservation of the public interest.
2. In order to maintain the security of the City of Coral Gables and protect the interests of its citizens, while, at the same time, safeguarding the rights of individual members of the bargaining unit (hereafter referred to as "member"), the parties agree that the City must have the right to conduct investigations of citizen's complaints and matters of internal security; provided, however, that any investigative interview of a member, which investigative interview could lead to a disciplinary action, demotion, or dismissal, shall be conducted under the following conditions:

- a. The interview shall be conducted at a reasonable hour, preferably at a time when the member is on duty, unless the seriousness of the investigation is of such a degree that immediate action is required.
- b. The Bargaining Organization and member under investigation shall be informed of the nature of the investigation prior to any interview; and the member shall be provided with the names of all complainants.
- c. The Bargaining Organization and member under investigation shall be informed of the rank, name, and command of the officer in charge of the investigation and the interviewing officer. All questions directed to the officer being interviewed shall be asked by and through one interviewer at any one time, during any one scheduled session.
- d. Interview sessions shall be for reasonable periods and shall be timed to allow for such personal necessities and rest periods as are reasonably necessary. All interviews must be held at Coral Gables Police Headquarters, insofar as possible.
- e. At the request of any member under investigation, the member shall have the right to be represented by counsel or any other representative, who shall be present at all times during such interviews.
- f. The formal interview of a member under investigation, including all recess periods, shall be recorded, and there shall be no unrecorded questions or statements. Members shall be entitled to a copy of their own statements made during the course of an internal investigation of them.
- g. If the member being interviewed is under arrest or is likely to be placed under arrest as a result of the interview, the member shall be completely informed of all rights prior to the commencement of the interview.
- h. No member shall be ordered to submit to any device designed to measure the truth of the member's responses during questioning; provided, however, that there shall be no restriction on the right of any member to submit to such a device on a voluntary basis.
- i. During interviews covered hereunder, questions shall be limited to the circumstances surrounding the allegations, which are the subject of the investigation. No member shall be required to submit to a psychological or psychiatric evaluation without first receiving an explanation from the Chief of Police as required by Article 46 of this Agreement.
- j. In the interest of fairness to the member under investigation, the City, insofar as is legally permissible, agrees to make no conclusion statements concerning the validity of the allegations under investigation until such time as the investigation has been completed. In the event the member under investigation, or any organization representing said member makes public statements concerning the allegations under investigation, the City shall have the right to respond in any manner it deems appropriate.
- k. In the event a member is relieved of duty as a result of an internal investigation, the member shall be given the opportunity to utilize annual and/or compensatory leave (to the extent said annual leave and/or compensatory leave is earned) to satisfy being relieved of duty.
- l. The City agrees that no adverse action will be taken against any member, who exercises the rights provided for in this Article.
- m. There shall be no restriction on the City's (or the department's) right to relieve from duty any member pending investigation of any incident or complaint. If the member is arrested, indicted or otherwise charged with a felony violation of a criminal statute, refuses to take a drug or alcohol test or tests positive for drugs

or alcohol in violation of the City's Drug-Free Alcohol Policy or this contract the City may immediately relieve the member from duty without pay. Being relieved from duty for one of these circumstances is not disciplinary in nature, but is an interim measure pending a decision on disciplinary action after further investigation. If after investigation no disciplinary action is taken, the individual who was relieved of duty will be eligible for back pay or restoration of annual leave or compensatory leave, if applicable.

- n. All records pertaining to internal investigations of members that are eligible for destruction under the criteria specified by Florida law shall be destroyed within thirty (30) days of the date that they first become eligible for said destruction. The City reserves the right, in certain circumstances, to save specific records. When records are saved the involved member(s) will be notified in writing as to the reasons why the records are being saved, and informing the member(s) of the proposed destruction date. No records will be saved, for any reason, beyond three years from the date that they were first eligible for destruction with the exception of noticed litigation. Members may invoke their rights under Articles 12 and 13 of this Agreement in regards to this section.
- o. Members covered by this Agreement shall have the right to inspect all completed internal investigation files, wherever located; provided however, that such inspection shall take place at reasonable times. The members shall have the right, at their own expense, to make copies of any item contained in their internal investigation files. However, expenses will be reimbursed to members or the Bargaining Unit Organization if the findings result in no sustained complaints. An internal investigation file shall be considered completed, for the purposes of this Article, just prior to being forwarded to the Chief of Police or designee, and/or staff for final review. The member will receive written notification that the internal investigation file has been completed. The member shall have the right to review said file, along with a representative and/or legal counsel prior to the scheduling of and attendance at a pre-determination hearing on said investigation/file.

## **ARTICLE 11**

Any right, power or privilege of the City not specifically relinquished by the City in this Agreement shall remain with the City.

## **ARTICLE 12**

### **GRIEVANCE PROCEDURE**

1. In a mutual effort to provide a harmonious working relationship between the parties of this Agreement, it is agreed and understood that there shall be a procedure for the resolution of grievances between the parties and that such procedure shall cover both grievances involving the application or interpretation of this Agreement and grievances involving discharge, suspension, demotion, or any other adverse personnel action against a member covered by this Agreement.
2. Every effort will be made by the parties to settle any grievance as expeditiously as possible. Should the grieving party fail to observe the time limits as set out in the steps of this Article, the grievance shall be considered conclusively abandoned. Any grievance not answered by Management within the prescribed time limits shall automatically advance to the next higher step.
3. Where a grievance is general in nature in that it applies to a number of members rather than a single member, or if the grievance is directly between the Employee Organization and the Department or the City, such grievance shall be presented in writing directly to the Chief of Police, within the time limits provided for the submission of a grievance in STEP 1. The grievance shall be signed by the aggrieved members or the President of the Employee Organization. Thereafter, the grievance shall be processed in accordance with procedures set forth in STEP 5 and STEP 6.
4. Where a grievance involves discharge, suspension, demotion, or other disciplinary action invoked by the Chief of Police or any other Department Head, the processing of the grievance shall commence at STEP 6 of the grievance procedure, within the time limits provided for the submission of a grievance in STEP 1.
5. All other grievances shall be presented in the following manner and effort shall be made by the parties to secure the prompt disposition of such grievances.

STEP 1: The grievance shall be reduced to writing, utilizing Police Department form #CG042, Grievance Documentation, by the member and will present the form to the immediate supervisor within fourteen (14) calendar days of the occurrence of the event(s) which gave rise to the grievance. The supervisor shall forward a copy of the grievance to the Employee Organization, even if the supervisor is able to satisfactorily settle the dispute.

STEP 2: Any grievance which cannot be satisfactorily settled with the immediate supervisor shall be forwarded by the grievant or the Employee Organization within seven (7) calendar days of the

receipt of the response to the Shift Commander or Administrative Lieutenant or designee who, within seven (7) calendar days after receipt of the grievance form (or such longer period of time as is mutually agreed upon), shall render a decision on the grievance in writing;

STEP 3: Any grievance which cannot be satisfactorily settled with the Shift Commander or Administrative Lieutenant or designee as the case may be, shall be forwarded by the grievant or the Employee Organization within seven (7) calendar days of the receipt of the response to the Division Commander or designee. The Division Commander or designee shall, within seven (7) calendar days after receipt of the Grievance form (or such longer period of time as is mutually agreed upon), render a decision on the grievance in writing;

STEP 4: Any grievance, which was referred to the Division Commander, or designee and was not satisfactorily settled shall be forwarded by the grievant or the Employee Organization with seven (7) calendar days of the receipt of the response to the Deputy Chief or designee. The Deputy Chief or designee shall, within seven (7) calendar days after the receipt of the grievance form (or such longer period of the time as is mutually agreed upon), render a decision on the grievance in writing;

STEP 5: Any grievance which cannot be satisfactorily settled with the Deputy Chief or Designee shall be forwarded by the grievant or the Employee Organization within seven (7) calendar days of the receipt of the response to the Chief of Police or designee. The grievance as specified in writing in STEP 1 shall be discussed by and between the member (or if the members opts, the President of the Employee Organization) and the Chief of Police or designee within seven (7) calendar days after the completion of STEP 4. The Chief of Police, or designee shall within seven (7) calendar days after this discussion (or such longer period of time as is mutually agreed upon), render a decision in writing, with a copy to the Employee Organization.

STEP 6: Any grievance which cannot be satisfactorily settled with the Police Chief or designee shall be forwarded by the grievant or the Employee Organization within seven (7) calendar days of the receipt of the response to the City Manager or designee, who shall within fourteen (14) calendar days of the receipt of the grievance form or, if a meeting is held on the grievance, within fourteen (14) calendar days of such meeting (or some longer period of time as is mutually agreed upon) render a decision in writing with a copy to the Employee Organization.

6. The Employee Organization may request that any decision of the City Manager or designee, arising out of this grievance procedure be submitted to arbitration under the arbitration Article of this Agreement, by submitting a written request within fifteen (15) calendar days after receipt of the City Manager's written decision. Arbitral review of the decision of the City Manager or designee shall proceed in accordance with the provision of the arbitration Article. Either party shall be entitled to seek review of the arbitrator's decision in Circuit Court. Review in Circuit Court must be requested within 30 days of receipt of the arbitrator's award, if not the decision will be final and binding.
7. Both parties to this Agreement understand that the grievance arbitration procedure set forth in this contract is the sole avenue of pursuing such grievance and the Trial Board is not available to members of this bargaining unit.
8. Newly hired probationary employees shall have no right to utilize this grievance procedure for any matter

covering discharge, suspension or other discipline.

9. Members on probation for promotional purposes may utilize all provisions of this Article except when it applies to promotional probationary status.

### **ARTICLE 13** **ARBITRATION**

1. In the event a grievance processed through the grievance procedure has not been resolved, either party may submit the grievance for arbitration within fifteen (15) calendar days after the City Manager, or designee, renders a written decision on the grievance. A request for arbitration shall be sent to the American Arbitration Association (AAA) requesting that it furnish a panel of five (5) names from which each party shall have the option of alternately striking two (2) names with the City going first, thus leaving the fifth, who will be the impartial Arbitrator. The parties shall each have the option of striking two (2) panels from AAA.
2. The City and the member (or the Employee Organization) shall mutually agree in writing as to the statement of the grievance to be arbitrated prior to the arbitration hearing, and the Arbitrator, therefore, shall confine the decision to the particular grievance thus specified. In the event the parties fail to agree on the statement of grievance to be submitted to the Arbitrator, the Arbitrator will confine consideration and determination to the written statement of the grievance presented in STEP 1 of the grievance procedure. The Arbitrator shall have no authority to change, amend, add to, subtract from, or otherwise alter or supplement this Agreement or any part thereof or amendment thereto. The Arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration or which is not a grievance as denied in this Agreement; nor shall this Collective Bargaining Agreement be construed by the Arbitrator to supersede applicable laws in existence at the time of signing of this Agreement, except to the extent as specifically provided herein.
3. Each party shall bear the expense of its own witnesses and its own representatives. The Arbitrator's fees and related expenses and expense of obtaining a hearing room, if any, shall be equally divided between the parties. Any party desiring a transcript of the hearing shall bear the cost of such transcript unless both parties mutually agree to share said cost.
4. The parties shall make their choice of the impartial arbitrator within five (5) days after receipt of the panel from the AAA. Copies of the Arbitrator's award made in accordance with the jurisdiction and authority under this Agreement shall be furnished to both parties within thirty (30) days of the closing of the arbitration hearing.
5. Consistent with the provisions of the Florida Public Employees Relations Act, Chapter 447, et seq., it is mutually acknowledged and agreed that this collective bargaining agreement shall be administered within the amounts appropriated by the City Commission for funding of the collective bargaining agreement. Accordingly, and notwithstanding any other provision of this collective bargaining agreement, the arbitrator shall have no authority, power, or jurisdiction to construe any provision of law, statute, ordinance, resolution, rule or regulation or provision of this collective bargaining agreement to result in, obligate, or cause the City to have or bear any expense, debt, cost or liability which would result, directly or indirectly, in the City exceeding the amounts initially appropriated and approved by the City Commission for the funding of this collective bargaining Agreement as agreed upon by the parties. Any such award, which contravenes or is not in compliance with the

provisions of this paragraph, shall be null and void.

6. The grievances and arbitration procedure herein shall have no application to the resolution of disputes between the parties concerning the terms of a new Collective Bargaining Agreement to replace this Agreement.
7. Newly hired probationary employees shall have no right to utilize this arbitration procedure for any matter covering discharge, suspension, or other discipline.
8. Members of the bargaining unit on probation for promotional purposes may utilize all provisions of this article except when it applies to promotional status.

#### **ARTICLE 14** **WORKWEEK, OVERTIME AND SHIFT DIFFERENTIAL**

1. The following provisions shall govern hours of work and overtime.
2. In accordance with existing City policy, forty (40) hours shall constitute a normal workweek for a bargaining member covered by this Agreement. Nothing herein shall guarantee any bargaining unit member payment for a forty (40) hour workweek unless the employee actually works forty (40) hours.
3. In the event the City elects to change the workweek schedule, the City agrees to give the Employee Organization at least thirty (30) days' advance notice of the change. This paragraph shall not apply to changes in the work schedule of individual employees, but only applies to changes in the overall work schedule of the department and/or its divisions.
4. In accordance with existing City policy, hours worked in excess of the regular forty (40) hour workweek shall be compensated at the rate of time and one-half of the members regular rate of pay; or, at the option of the member, and with the approval of the Chief or his designee, hours actually worked in excess of the regular forty (40) hour workweek shall be compensated by the member receiving compensatory leave at the rate of time and one-half for each hour worked in excess of the regular forty (40) hour workweek [except as provided in Article 23 (Holidays)]. For purposes of this provision, effective with the first full pay period following October 1, 2014, annual leave shall count as hours worked.
5. Recognizing that the Department has an obligation to provide sufficient staffing, accrued compensatory leave may only be utilized at a time (or times) approved by the Chief, but only as provided in the FLSA. Members covered by this Agreement will be allowed to save compensatory leave throughout the leave year, up to a maximum of four hundred eighty (480) hours. Members that have entered into the Deferred Retirement Option Plan (DROP), and have exercised the right to sell accumulated compensatory hours, shall only be permitted to accrue a maximum of eighty (80) hours of compensatory leave. Any balances of compensatory leave at end of each fiscal year, shall be paid to the bargaining unit member. Lump sum payments for accumulated compensatory time shall be excluded from total earnings for pension purposes beginning September 30, 2009.
6. Nothing herein shall require the payment of the time and one-half or compensatory time (compensatory leave) when an insubstantial amount of time is worked in excess of the length of the employee's normal shift. For the purpose of this Article, an insubstantial amount of time shall be considered any period of time less than one-quarter (1/4) hour.

7. If a member covered by this Agreement is called in to work at a time outside his/her normal working hours, the Officer shall receive a minimum of three (3) hours pay at the rate of time and one-half (1-1/2) the Officer's regular rate of pay, or at the Officer's discretion, and with the approval of the Chief or his designee, a minimum of three (3) hours in compensatory leave (at the rate of time and one-half), except that an employee ordered to report for duty one (1) hour or less prior to normal working hours shall not be entitled to three (3) hours of minimum pay but will be paid normal overtime pay. If the Officer is required to hold-over for any reason within an hour of the normal tour of duty, it will be considered an extension of the shift, entitling the Officer to normal overtime pay. However, an employee who has not worked a forty (40) hour workweek will be compensated for the call out at the Officer's regular rate of pay and will not have the option of selecting compensatory leave.
8. The aforementioned minimum call out compensation and other provisions of paragraph 7 of this Article shall apply to required off-duty appearances as a subpoenaed witness in the Federal, Circuit and/or County Courts on pending criminal, civil or traffic cases where the employee is involved as a witness, arresting officer, and/or investigating officer. Nothing herein shall restrict the City or the Department from altering work schedules or taking any other action to reduce the number of overtime, court time, or call out hours worked by the employees covered by this Agreement.
9. If any member is subpoenaed to appear in court under the conditions described in paragraph 8 above (i.e., the paragraph dealing with required off-duty court appearances), the Officer shall not be required to appear at the police station before and/or after said court appearance. (In the event the department determines that there has been any abuse in claims for court appearance compensation, the department reserves the right to institute any procedure or system to measure, record, verify attendance at off-duty court appearances and duration of such appearances, provided that no such system or procedure shall require the bargaining unit member to travel to the police station before and/or after the court appearance). Compliance with the paragraph shall be a condition precedent to obtaining compensation for an off-duty court appearance under paragraphs 7 and 8 above.
10. Members who are assigned to a permanent regular work shift or temporary shift having the major portion of the hours scheduled between the hours of 5:00 P.M. and 10:00 P.M. shall receive two and one-half percent (2.5%) additional compensation above regular rate of pay. Members of the bargaining unit who are assigned to a permanent regular work shift or temporary shift having the major portion of the hours scheduled between 10:00 P.M. and 6:00 A.M. shall receive four percent (4%) additional compensation above their regular rate of pay. Members who work a permanent or temporary shift spanning the two shift differential periods (i.e., 5:00 P.M. to 10:00 P.M.; 10:00 P.M. to 6:00 A.M.) will receive shift differential pay for the total hours worked that corresponds to the shift differential for the majority of the hours worked. It is also understood and agreed that shift differential shall not apply to pay for time not actually worked, with the exception of sick leave, annual leave, administrative leave and compensatory leave, and also that any bargaining unit member that works less than four (4) hours during an established shift differential time period will not be entitled to shift differential pay.
11. Bargaining unit members designated to temporarily serve in a regularly budgeted higher position shall be compensated as follows:
  - (a) If the member serves in a higher classification for a period of less than eight (8) hours, the employee shall receive no additional compensation beyond the wages of their regular classification.

If the provisional appointee's appointment/promotion extends beyond the life of the eligibility list from which they

  - a. Seniority in rank;
  - b. Departmental seniority, which shall consist of continuous accumulated paid service with the City of Coral Gables Police Department. Seniority shall be computed from the date of taking of the Police Officer's Oath. Where two (2) or more officers took the oath on the same date, seniority standing shall be determined by class standing upon graduation from the Police Academy, or in the case of two or more previously certified officers taking the oath on the same date, seniority standing shall be determined by the amount of total previous employment as a law enforcement officer, with longer previous service earning a higher seniority standing than lesser previous service.
  - c. Seniority within a unit.
2. Wherever applicable, seniority in rank shall have preference.
3. In the event of a reduction in the size of a unit, reductions in the number of personnel in that unit shall be in inverse order of unit seniority. In case of a tie in unit seniority, departmental seniority shall govern.
4. Vacations for each fiscal year and bidding within a unit shall be drawn by employee on the basis of department seniority.
5. In the event a vacancy occurs in the Uniform Patrol or Technical Services Division, seniority shall become effective upon the shift change.

#### **ARTICLE 20** **REDUCTION IN FORCE**

In the event of a reduction in force, employees shall be reduced to force in the inverse order of their seniority in their classification. If more than one (1) classification is affected, an employee, who is to be reduced in force from a higher classification, shall be given an opportunity to revert to the next lower classification. Upon reverting to a lower classification, an employee's seniority shall be determined by the date of permanent appointment to that classification. Employees shall be recalled from reduction in force in accordance with their seniority in the classification from which they

were reduced in force. No new employees shall be hired in any classification until all employees on reduction in force status in that classification have had the opportunity to return to work; provided, however, that such employees are physically and mentally capable of performing the work at the time of recall. No reduced in force employee shall retain recall rights beyond eighteen (18) months from the date of reduction in force.

## **ARTICLE 21** **INDIVIDUAL RIGHTS**

Nothing contained in this collective bargaining agreement shall foreclose any member covered by this Agreement from pursuing any right or remedy available under this Agreement without representation of the Employee Organization, except that arbitration is the exclusive right of the Coral Gables Fraternal Order of Police, Walter Stathers Memorial Lodge No. 7 (Employee Organization) as per Article 12.6. The Employee Organization will not deny the right to arbitration based on non-membership to the Organization. The Employee Organization holds the City harmless on all denials to arbitration and assumes all responsibility for such denials. Further, nothing contained in this Agreement shall foreclose any member from discussing a problem directly with the immediate supervisor or other departmental official without the intervention of the Employee Organization; provided that the immediate supervisor or other departmental official agrees to discuss and/or attempt to resolve the matter outside the formal grievance procedure. Should any bargaining unit member choose to resolve issues or grievances without the intervention of the Employee Organization, resulting decisions of such will not set a precedent for the Employee Organization.

No person covered under this Agreement shall receive both a clothing allowance and a uniform allowance for the same period of time.
2. Uniformed members of the bargaining unit who are assigned to the Police Department's motorcycle unit will be allowed to have replaced when needed, as determined by the Chief of Police or his designee, any portion of their specialized unit uniforms which are made of leather, and have been damaged due to exposure to the natural elements. The decision to grant (or not to grant) disability leave to any employee and the duration of any such disability leave shall be made at the sole and exclusive function of the Human Resources Director; provided, however, that the Human Resources Director must make the decision to grant (or not to grant) disability leave within sixty (60) calendar days from the date of the employee's alleged incapacity to perform any work as directed by the City. The Human Resources Director's decision shall be based on reports from the designated doctor(s). In order to alleviate the potential financial hardship to the employee during the period in which the Director is investigating the alleged job-related or incurred injury for the purpose of making his decision, the City agrees to grant the employee disability leave on a conditional basis subject to strict compliance with all of the following conditions:
  - a. The Chief of Police advises the Human Resources Director that it has been determined that there is reasonable cause to believe that the personal disability resulting in the incapacity of the employee arose directly from and out of the discharge of the employee's duties in the course of employment with the City. Further, the Chief of Police advises the Human Resources Director that it is recommended that the employee be placed on disability leave (on a conditional basis) pending the outcome of the Human Resources Director's investigation and the issuance of the Human Resources Director's decision to grant (or not to grant) disability leave.
  - b. Disability on a conditional basis shall commence immediately upon the Chief of Police advising the Human Resources Director of the findings and recommendations in accordance with paragraph a, above.
  - c. That portion of the last forty-eight (48) hours of sick leave (accrued during the leave year) that is unused at the end of the leave year shall be allowed to accumulate to a maximum of four hundred (400) hours. 2. Requests in writing for permission to solicit donations of accrued leave from departmental personnel shall be submitted to the Police Chief, who will then confer with the Human Resources Director. Such written requests shall, include the employee's name, reasons for requesting such donations of accrued leave, and approximate duration of absence, if known.
3. 4. As forms are completed by the donors the Department will forward such forms to the Police Payroll Clerk, who will time and date stamp each form in the order it is received. Donated time will be credited to the absent employee in the order in which the forms are received. In the event of excess donations received but not used due to the employee's early recovery, resignation, retirement, or death, any donation forms received but not utilized will be voided and the time returned to the donating employees. Donation time returned to a donor shall be reflected in the leave balance on the donor's pay stub.
5. A maximum of 240 hours of leave time donated will be permitted per individual request. Upon exhaustion of these 240 hours of donated time a request to obtain up to 240 additional hours may be addressed at the discretion of the Department Head. 7. Time donated for this purpose will not be considered during the performance rating period, nor will it reflect a donator's right to convert leave to accrued annual leave as provided in this Agreement.
8. The Police Payroll Clerk shall notify the Department when donated time is nearly exhausted, and the Police Chief shall have the responsibility of requesting additional donated time, if desired.
9. The Department will immediately notify the Police Payroll Clerk of the employee's return to work or of any major change in the employee's physical condition.

3. Only promotional probationary bargaining unit members may utilize rights under Articles 12 and 13 of this Agreement.

**ARTICLE 44**  
**DRUG AND ALCOHOL POLICY**

1. The City and the Union recognize that employee substance and alcohol abuse may have an adverse impact on the City government, the image of City employees, and the general health, welfare and safety of employees and the general public at large. Accordingly, it is in the best interest of the parties to negotiate over the subject of drug and alcohol use and testing.
2. The City and the (hereafter, the Policy) Union have negotiated a Drug and Alcohol-Free Workplace Policy and Work Rules pursuant to the provisions of the Florida Drug-Free Workplace Program, as provided in Section 440.102, Florida Statutes (1991), and the regulations of the Florida Department of Labor and Employment Security, Division of Workers Compensation, et seq., Florida Administrative Code (1991). The Policy is incorporated herein and made a part of this Agreement. The City's Policy prohibits illegal drug use and alcohol abuse which might affect employees in the performance of their duties. The policy gives the City the right to test job applicants and employees under certain circumstances. A drug test as defined by the Policy includes testing for the presence of alcohol. In addition, the Employee Organization agrees that the department may conduct random testing for alcohol and any controlled substance, including narcotic drugs. All samples taken from a member who is ordered to submit to testing will be properly containerized and impounded. The impounded samples will not be released for testing until after the passing of the deadline for grieving the test, as outlined in subsection 7 g of this article. All employees must comply with the requirements of the Policy, and will be subject to appropriate disciplinary action up to and including discharge, as provided in the Policy in the event of non-compliance with the Policy.
3. A copy of the Policy will be distributed to all current employees and will be given to all newly hired employees.
4. In the event that legislation or administrative regulations are enacted which amend, supplement or alter in any way the requirements set forth in the Florida Drug-Free Workplace Program, or which may enable the City to reduce the cost or limit the increase in the cost of health, life, liability or workers compensation insurance premiums, the City may change the drug and alcohol policy, if such changes will enable the City to remain in compliance with state law and/or regulations or will result in a reduction in the cost or limit the increase in the cost of health, life, liability or workers compensation insurance premiums. The City will inform the Union in writing at least sixty (60) days prior to instituting any such change in the Policy, prior to any such implementation.
5. The City and the Union agree that any issue or grievance arising from the implementation of the Policy shall be heard by an arbitrator, pursuant to the grievance and arbitration article of this Agreement (also see subsection 7).
6. In the event that any conflict is determined to exist between the City's Drug and Alcohol Free Workplace Policy and Work Rules and the Florida Drug-Free Workplace Program, including Section 440.102, Florida Statutes and the accompanying regulations, it is agreed by the City and the Union that the City's drug and alcohol policy will be construed and/or revised, as necessary, to meet the statutory and regulatory requirements of the Florida Drug-Free Workplace Program.
7. Special Expedited Arbitrations:
  - a. The President of the bargaining unit and the Human Resources Director will pick at least two permanent

umpires to hear reasonable suspicion employee drug and alcohol grievances. The umpires will alternate, hearing only grievances where the bargaining unit or the member alleges that there was no reasonable suspicion to warrant being ordered to submit samples for testing. Said grievance will be limited to whether or not there was a reasonable belief based on reasonable suspicion to require the grievant to take the Alcohol/Controlled Substance test, and submit samples for same.

- b. Except for the member's annual medical screening, Alcohol/Controlled Substance test samples shall be tested unless the member chooses to grieve the submission of said samples for testing, or after grieving, the umpire rules that there was a reasonable suspicion to order the member to submit the samples for testing.
- c. The cost of the umpire's decision and all necessary associated legal fees will be borne by the City if the umpire rules there was no reasonable suspicion to require the member to take the test. If the umpire rules that there was reasonable suspicion to require the member to take the test, the party (bargaining unit or member) who filed the grievance will pay for the costs of the umpire and all necessary associated legal fees.
- d. It is anticipated that an expedited hearing would be held before the umpire under the American Arbitration Association rules of expedited arbitration, and no post hearing briefs will be filed. The grievance will be submitted directly to the Human Resources Director for arbitration and will be heard no later than three (3) calendar days after the member is required to submit the samples for testing. The umpire will rule at the close of the hearing and an oral response from the umpire will be sufficient to settle the grievance.
- e. The umpires will serve from year to year and shall be appointed by a letter jointly signed by the bargaining unit President and the Human Resources Director. Should either the City or the bargaining unit wish to drop an umpire the umpire shall be notified and the parties shall agree on a replacement.
- f. If the member is physically unable to file a grievance, the Union may elect to act on the members behalf by filing the reasonable suspicion grievance for them.
- g. If the member or Union chooses to file a reasonable suspicion grievance, said grievance must be in writing. The grievance must be delivered, via fax or by hand, to the Human Resources Directors office on the same day as the test or no later than 5:00 PM of the next regularly scheduled work day of the Human Resources Director.
- h. In cases that require this expedited arbitration, the umpire is given the authority to order the test sample to be immediately destroyed with no testing of same, or to order that the samples be released for testing as specified in the agreed upon City's Drug and Alcohol Free Workplace Policy and Work Rules, and or, this agreement. If the umpire rules that there was no reasonable suspicion to test the member, the samples will be ordered destroyed prior to any testing. If the umpire rules that there was reasonable suspicion to have the member tested, the samples will be released for testing.
