Section 3.02. The Series 2021A Bond. The Series 2021A Bond shall be substantially in the form set forth as Exhibit A to this Agreement. The general terms of the Series 2021A Bond shall be as follows:

(a) Interest. The Series 2021A Bond shall bear interest at the Interest Rate from the Date of Delivery until paid. Upon the occurrence of an Event of Default specified in Section 5.01 of this Agreement, the Interest Rate shall be adjusted to the Default Rate. Interest on the Series 2021A Bond shall be computed on the basis of twelve (12) thirty (30) day months and a 360-day year.

(b) Payments. Interest on the Series 2021A Bond shall be paid semi-annually on every April 1 and October 1, commencing October 1, 2021 until the Series 2021A Bond is paid in full. Principal on the Series 2021A Bond shall be paid in annual installments beginning October 1, 2021, and thereafter on each October 1 until the Series 2021A Bond is paid in full. The current costs of funds, specifically the bond equivalent yield for United States Treasury securities (bills on a discounted bases shall be converted to a bond equivalent yield) with a maturity date closest to the "Remaining Term," shall be subtracted from the "Stated Interest Rate." If the result is zero or a negative number, there shall be no Yield Maintenance Fee due and payable. If the result is a positive

number, then the resulting percentage shall be multiplied by the amount being prepaid times the number of days in the "Remaining Term" and divided by 360. The resulting amount is the "fixed prepayment charge" due to the Bank upon prepayment of the principal of the Series 2021A Bond plus any accrued interest due as of the prepayment date and is expressed in the following calculation:

Yield Maintenance Fee = [Amount Being Prepaid x (Stated Interest Rate-Current Cost of Funds) x Days in the Remaining Term/360 days] + any accrued interest due "Remaining Term."

"Remaining Term" as used above shall mean the remaining term of the Series 2021A Bond.

Any prepayment in part shall be applied against scheduled payments of principal installments hereunder in inverse order of their due dates.

(d) Late Payment. If any payment due to the Bank is more than fifteen (15) days overdue, a late charge of 6% of the overdue payment shall be assessed.

The Series 2021A Bond shall be issued in fully registered form and shall be payable in any coin or currency of the United States.

The registration of transfer of the Series 2021A Bond on the registration books of the Issuer shall be deemed to affect a transfer of the rights and obligations of the Bank under this Agreement to the transferee. Thereafter, such transferee shall be deemed to be the Bank under this Agreement and shall be bound by all provisions of this Agreement that are binding upon the Bank. The Issuer and the transferor shall execute and record such instruments and take such other actions as the Issuer and such transferee may reasonably request in order to confirm that such transferee has succeeded to the capacity of Bank under this Agreement and the Series 2021A Bond.

In the event any Series 2021A Bond is mutilated, lost, stolen, or destroyed, the Issuer shall execute a new Series 2021A Bond of like date and denomination as that mutilated, lost, stolen or destroyed, provided that, in the case of such a mutilated Series 2021A Bond, such

All such payments shall be valid and effectual to satisfy and discharge the liability upon the Series 2021A Bond, and interest thereon, to the extent of the sum or sums so paid.

The registered owner of the Series 2021A Bond is hereby granted power to transfer absolute title thereof by assignment thereof to a bona fide purchaser for value (present or antecedent) without notice of prior defenses or equities or claims of ownership enforceable against such owner's assignor or any person in the chain of title and before the maturity of the Series 2021A Bond; provided, however, that the Series 2021A Bond may be transferred only in whole and not in part to an affiliate of the Bank, qualified institutional buyer or an accredited investor. Every prior registered owner of the Series 2021A Bond shall be deemed to have waived and renounced all of such owner's equities or rights therein in favor of every such bona fide purchaser, and every such bona fide purchaser shall acquire absolute title thereto and to all rights represented thereby.

- (b) the remainder shall be applied by the Issuer to pay the costs of issuance related to the Series 2021A Bond.

Section 4.03. Payment of the Series 2021A Bond. Subject to the next paragraph, the Issuer covenants and agrees and has a positive and affirmative duty to appropriate in its annual budget, by amendment, if necessary, from Non-Ad Valorem Revenues, and to deposit into the Debt Service Fund hereinafter created, amounts sufficient to pay principal of and interest on the Series 2021A Bond not being paid from other amounts as the same shall become due. Such covenant and agreement on the part of the Issuer to budget, appropriate and deposit such

amounts of Non-Ad Valorem Revenues shall be cumulative to the extent not paid, and shall continue until such Non-Ad Valorem Revenues or other legally available funds in amounts sufficient to make all such required payments shall have been budgeted, appropriated, deposited and actually paid. No lien upon or pledge of such budgeted Non-Ad Valorem Revenues shall be in effect until such monies are budgeted, appropriated and deposited as provided herein. The Issuer further acknowledges and agrees that the obligations of the Issuer to include the amount of such amendments in each of its annual budgets and to pay such amounts from Non-Ad Valorem Revenues may be enforced in a court of competent jurisdiction in accordance with the remedies set forth herein.

Until such monies are budgeted, appropriated and deposited as provided herein, such covenant to budget and appropriate does not create any lien upon or pledge of such Non-Ad Valorem Revenues, nor does it preclude the Issuer from pledging in the future its Non-Ad Valorem Revenues, nor does it require the Issuer to levy and collect any particular Non-Ad Valorem Revenues, nor does it give the Bondholders a prior claim on the Non-Ad Valorem Revenues as opposed to claims of general creditors of the Issuer. Such covenant to budget and appropriate Non-Ad Valorem Revenues is subject in all respects to the prior payment of obligations secured by a lien on and pledge of specific components of the Non-Ad Valorem Revenues heretofore or hereafter entered into (including the payment of debt service on bonds and other debt instruments). Anything in this Agreement to the contrary notwithstanding, it is understood and agreed that all obligations of the Issuer hereunder shall be payable solely from the portion of Non-Ad Valorem Revenues budgeted, appropriated and deposited as provided for herein and nothing herein shall be deemed to pledge ad valorem tax power or ad valorem taxing revenues or to permit or constitute a mortgage or lien upon any assets owned by the Issuer and no holder of the Series 2021A Bond nor any other person, may compel the levy of ad valorem taxes on real or personal property within the boundaries of the Issuer or the use or application of ad valorem tax revenues in order to satisfy any payment obligations hereunder or to maintain or continue any of the activities of the Issuer which generate user service charges, regulatory fees, or any other Non-Ad Valorem Revenues. Notwithstanding any provisions of this Agreement or the Series 2021A Bond to the contrary, the Issuer shall never be obligated to maintain or continue any of the activities of the Issuer which generate user service charges, regulatory fees or any Non-Ad Valorem Revenues. The Issuer is prohibited by law from expending moneys not appropriated or in excess of its current budgeted revenues and surpluses. Until such monies are budgeted, appropriated and deposited as provided herein, neither this Agreement nor the obligations of the Issuer hereunder shall be construed as a pledge of or a lien on all or any legally available Non-Ad Valorem Revenues of the Issuer, but shall be payable solely as provided herein subject to the availability of Non-Ad Valorem Revenues after satisfaction of funding requirements for obligations having an express lien on or pledge of such revenues and funding requirements for essential governmental services of the Issuer.

Section 4.04. Creation of Funds. There is hereby created and established with the Issuer the Debt Service Fund (the "Debt Service Fund"). Within the Debt Service Fund there

shall be created the following separate accounts (1) a Principal and Interest Account (the "Principal and Interest Account") and (2) a Cost of Issuance Account (the "Cost of Issuance Account"). The Debt Service Fund and all accounts and subaccounts therein shall constitute trust funds for the purposes hereof.

The Debt Service Fund (including the accounts therein) and any other special funds herein established and created shall be deemed to be held in trust for the purposes provided herein for such funds. The money in all such funds shall be continuously secured in the same manner as state and municipal deposits are authorized to be secured by the laws of the State of Florida.

Notwithstanding anything herein to the contrary, the cash required to be accounted for in each of the funds and accounts described in this Section 4.04 may be deposited in a single bank account, provided that adequate accounting records are maintained to reflect and control the restricted allocation of the cash on deposit therein for the various purposes of such funds and accounts as herein and therein provided. The designation and establishment of the various funds in and by this Agreement shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues and assets of the Issuer for certain purposes and to establish certain priorities for application of such revenues and assets as herein provided.

Section 4.05. Application of Revenue. For so long as any of the principal of and interest on the Series 2021A Bond shall be outstanding or any other amounts are owing hereunder as provided herein, the Issuer covenants with the Holder as follows:

(a) On or before 12:00 noon on the last Business Day immediately preceding each Interest Payment Date, the Issuer shall deposit into the Debt Service Fund an amount of Non-Ad Valorem Revenues (which at the time of such deposit become "Pledged Revenues") at least equal to the Debt Service calculated to such Interest Payment Date.

(b) As soon as practicable after the deposit of Pledged Revenues in the Debt Service Fund, as provided in paragraph (a) above, and in any case no later than the close of business on the Business Day preceding such Interest Payment Date, the Issuer shall credit moneys therein to the Principal and Interest Account, the amount, if any, required so that the balance in said account shall equal the amount of principal of and interest on the Series 2021A Bond coming due on the next Interest Payment Date; provided, that, for the purposes of computing the amount to be deposited in the Principal and Interest Account, there shall be taken into account the amount, if any, set aside in said account from the proceeds of Series 2021A Bond.

Section 4.06. Anti-Dilution Test. The Issuer may incur additional debt secured by all or a portion of the Non-Ad Valorem Revenues only if the total amount of Non-Ad Valorem Revenues for the prior fiscal year were at least 2.00 times the maximum annual debt service of all debt (including all long-term financial obligations appearing on the Issuer's most recent

audited financial statements and the debt proposed to be incurred) to be paid from Non-Ad Valorem Revenues (collectively, "Debt"), including any Debt payable from one or several specific revenue sources.

For purposes of calculating maximum annual debt service if the terms of the Debt are such that interest thereon for any future period of time is to be calculated at a rate which is not then susceptible of precise determination ("Variable Rate Debt"), interest on such Variable Rate Debt shall be computed as follows:

(a) if the principal amount of Variable Rate Debt (including any Variable Rate Debt proposed to be incurred) is less than or equal to 25% of the principal amount of all Debt (including the Debt proposed to be incurred), an interest rate equal to the higher of 12% per annum or The Bond Buyer 40 Index shall be assumed; or

(b) if the principal amount of Variable Rate Debt (including any Variable Rate Debt proposed to be incurred) is more than 25% of the principal amount of all Debt (including the Debt proposed to be incurred), the maximum rate which could be borne by such Variable Rate Debt shall be assumed.

For purposes of calculating maximum annual debt service, balloon indebtedness shall be assumed to amortize in up to 20 years (from the date of calculation) on a level debt service basis. In the event that the Issuer is required to fund a reserve fund, the funding of such reserve fund shall be included in the calculation of debt service. For purposes of this paragraph, "balloon indebtedness" includes indebtedness if 25% or more of the principal amount thereof comes due in any one year.

Section 4.07. Financial Statements and Other Information. (a) The Issuer shall within two hundred ten (210) days following the end of each Fiscal Year of the Issuer, provide the Bank with a copy of the Issuer's audited financial statements for the preceding Fiscal Year.

The financial statements of the Issuer for its fiscal year ended September 30, 2019, previously provided to the Bank, were prepared in accordance with generally accepted accounting principles as same are applicable to local governmental entities and present fairly the financial conditions of the Issuer as of such date and the results of its operations for the period then ended. Since such date there has been no material adverse change in the financial condition, revenues (including, without limitation, the Pledged Revenues), properties or operations of the Issuer.

(b) The Issuer shall within sixty (60) days of adoption of the Issuer's budget, provide the Bank with a copy of the Issuer's budget, as adopted.

(c) The Issuer shall maintain a minimum public debt rating ("Public Rating") of at least "A" by S&P, Fitch Ratings or Moody's as applicable. However, if the Public Rating falls below "A", the Issuer covenants to pledge a dedicated source of revenue (the "Additional Pledge") to the Series 2021A Bond. The Issuer shall provide written notice to the Bank within ten (10) days and

provide the appropriate documents required for adding the Additional Pledge. Such Additional Pledge shall be at least 1.5 times the maximum annual debt service of all debt secured by the Additional Pledge. Acceptance of such Additional Pledge shall be subject to the written approval of the Bank, whose approval shall not be unreasonably withheld. In the event the Additional Pledge is not satisfactory to the Bank, failure to comply with the rating covenant in this Section 4.07(d) shall constitute an Event of Default.

ARTICLE V EVENTS OF DEFAULT AND REMEDIES

Section 5.01. Events of Default. Each of the following is hereby declared an “Event of Default:”

(a) Payment of the principal of or interest on the Series 2021A Bond or other fees or amounts due thereunder or hereunder shall not be made within fifteen (15) days of when such amounts are due and payable;

(b) The Issuer shall default in the due and punctual performance of any other of the material covenants, conditions, agreements and provisions contained in the Series 2021A Bond or in this Agreement and such default shall continue for thirty (30) consecutive days after either (i) the Issuer should have provided notice of such default in accordance with this Section 5.01 or (ii) written notice shall have been given to the Issuer by the Bondholder specifying such default and requiring the same to be remedied; provided, however, that if, the Issuer shall proceed to take such curative action which, if begun and prosecuted with due diligence, cannot be reasonably completed within a period of thirty (30) days, then such period shall be increased to such extent as shall be necessary to enable the Issuer to diligently complete such curative action; provided such period in total will not exceed ninety (90) days;

(c) Any representation or warranty of the Issuer contained in this Agreement or in any certificate or other closing document executed and delivered by the Issuer in connection with the closing of this Loan shall prove to have been untrue in any material respect when executed and delivered, which adversely impairs the Pledged Revenues;

(d) The Issuer admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors, declares financial emergency or consents to the appointment of a receiver or trustee for itself or shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;

(e) The Issuer is adjudged insolvent by a court of competent jurisdiction or is adjudged bankrupt on a petition of bankruptcy filed against the Issuer, or an order, judgment or decree is entered by any court of competent jurisdiction appointing, without the consent of the Issuer, a receiver or trustee of the Issuer or of the whole or any part of its property and any of

the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;

(f) If this Agreement shall at any time for any reason cease to be valid and binding on the Issuer and shall be declared null and void;

(g) If there is an event of default on any other Debt of the Issuer;

(h) Any final, non-appealable judgment or judgments against the Issuer in an aggregate amount at any time in excess of \$20,000,000.

The Issuer shall within ten (10) Business Days after it acquires knowledge thereof, notify the Holder in writing at its notice address provided in Section 6.04 hereof (a) upon the happening, occurrence, or existence of any Event of Default other than non-payment under 5.01(a) above, and (b) any event or condition which with the passage of time or giving of notice, or both, would constitute an Event of Default.

Section 5.02. Exercise of Remedies.

(a) If an Event of Default exists under Section 5.01(a), the Bondholder may declare the principal of the Series 2021A Bond and the interest accrued thereon to be due and payable immediately, by a notice in writing to the Issuer, and upon any such declaration such principal and the interest accrued thereon to the date of declaration shall become immediately due and payable.

(b) At any time after such a declaration of acceleration has been made pursuant to subsection (a) of this Section, the Bondholder, by written notice to the Issuer may rescind and annul such declaration.

(c) Whenever any Event of Default referred to in Section 5.01 hereof shall have happened and be continuing, the Bondholder shall, in addition to any other remedies herein or by law provided, have the right, at its or their option without any further demand or notice, to take whatever other action at law or in equity which may appear necessary or desirable to collect amounts then due and thereafter to become due hereunder or to enforce any other of its or their rights hereunder.

(d) Upon the occurrence and during the continuance of an Event of Default, the Bondholder may proceed to protect and enforce its rights under the laws of the State of Florida or under this Agreement by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein granted or for the enforcement of any proper legal or equitable remedy, as the Bank shall deem most effective to protect and enforce such rights.

In the enforcement of any remedy under this Agreement, to the extent permitted by law, the Bank shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming, and at any time remaining, due from the Issuer for principal, interest or otherwise under any of the provisions of this Agreement or of the Series 2021A Bond then unpaid, with interest on overdue payments of principal and interest (to the extent permitted by law) at the Default Rate, together with any and all costs and expenses of collection and of all proceedings hereunder and under the Series 2021A Bond (including, without limitation, reasonable legal fees in all proceedings, including administrative, appellate and bankruptcy proceedings), but payable exclusively from Pledged Revenues, without prejudice to any other right or remedy of the Bank, and to recover and enforce any judgment or decree against the Issuer, but solely as provided herein and in the Series 2021A Bond, for any portion of such amounts remaining unpaid and interest, costs, and expenses as above provided, and to collect (but from the Pledged Revenues) in any manner provided by law, the monies adjudged or decreed to be payable.

Section 5.03. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Bondholder is intended to be exclusive of any other remedy or remedies herein provided, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder.

Section 5.04. Waivers, Etc. No delay or omission of the Bondholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or any acquiescence therein; and every power and remedy given by this Agreement to the Bondholder may be exercised from time to time and as often as may be deemed expedient.

The Bondholder may waive any default which in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions of this Agreement or before the completion of the enforcement of any other remedy under this Agreement, but no such waiver shall be effective unless in writing and no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

ARTICLE VI MISCELLANEOUS PROVISIONS

Section 6.01. Covenants of Issuer, Etc.; Successors. All of the covenants, stipulations, obligations and agreements contained in this Agreement shall be deemed to be covenants, stipulations, obligations and agreements of the Issuer to the full extent authorized or permitted by law, and all such covenants, stipulations, obligations and agreements shall be binding upon the successor or successors thereof from time to time, and upon any officer, board, commission, authority, agency or instrumentality to whom or to which any power or duty affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law.

In case any covenant, stipulation, obligation or agreement of the Issuer contained in the Series 2021A Bond or in this Agreement shall for any reason be held to be in violation of law, then such covenant, stipulation, obligation, or agreement shall be deemed to be the covenant, stipulation, obligation or agreement of the Issuer to the full extent from time to time permitted by law.
