

CORAL GABLES COUNTRY CLUB ENVIRONMENTAL REMEDATION / EVALUATION MEETING

Criteria	Points	CEI	CRB
Professional Qualifications	20		
The bidding Project Team must have on its staff at least one Florida Licensed Professional Engineer (P.E.) or a Florida Licensed Professional Geologist (P.G.) with an educational background or strong experience in environmental remediation projects in Miami-Dade County.	0 - 10	10	
The bidding Project Team must demonstrate experience related to removal of petroleum impacted soils and groundwater remediation sites. The firm must also demonstrate acceptable QA/QC practices, experience working with any sub-contractors who may be on the team, and demonstrate compliance with OSHA requirements including 29 CFR 1910.120(e) and be participating in a medical surveillance program as per 29 CFR 1910.120(f).	0 - 10	8	
Experience and Capability	20		
The firm shall demonstrate capabilities of the project team and key team members. Firms demonstrating experience with similar projects in Miami-Dade County shall be given preference by the City. Only those projects where at least 300 tons of petroleum impacted soils were removed will be considered by the City.	0 - 20	13	
Project Approach	20		
The submittal must include an understanding of the Scope of Work in this RFP and the project approach to complete the removal of contaminated soils in the most cost effective manner. The City will give preference to Project Teams that can demonstrate the ability to efficiently and quickly commit resources.	0 - 20	18	
Familiarity and Understanding of Applicable Rules and Statutes	10		
The submittal must demonstrate the firm's familiarity with applicable State, local and Federal rules, regulations, statutes, laws and professional standards regarding all applicable environmental regulations.	0 - 10	9	
Cost Proposal	30		
The top 5 firms will be considered based on the qualifying criteria listed above (4.1 - 4.4). Low bidder will be awarded 30 points, 2 nd place 20 points, 3 rd place 15 points, 4 th place 10 points and 5 th place 5 points.	0 - 30	30	
Total Points	100	88	Disqualified
