**WHEREAS**, the City Commission of Coral Gables, Florida (the "City Commission"), has enacted Ordinance No. 2015-09 (the "Master Service Assessment Ordinance" or "Ordinance"), which authorizes the imposition of annual service assessments, including, but not limited to, Fire Protection Assessments for fire protection services, facilities, and programs against Assessed Property located within the City;

**WHEREAS**, the reimposition of a Fire Protection Assessment for fire protection services, facilities, and programs each fiscal year is an equitable and efficient method of allocating and apportioning the Fire Protection Assessed Cost among parcels of Assessed Property;

**WHEREAS**, the City Commission desires to reimpose a Fire Protection Assessment program in the City using the procedures provided by the Ordinance, including the tax bill collection method for the Fiscal Year beginning on October 1, 2021;

**WHEREAS**, the City Commission, on June 8, 2021, adopted Resolution No. 2021-148 (the "Preliminary Assessment Resolution");

**WHEREAS**, the Preliminary Assessment Resolution contains and references a brief and general description of the fire protection services, facilities and programs to be provided to Assessed Property; describes the method of apportioning the Fire Protection Assessed Cost to compute the Fire Protection Assessment for fire protection services, facilities, and programs against Assessed Property; estimates rates of assessment; and directs the updating and preparation of the Assessment Roll and provision of the notice required by the Ordinance;

**WHEREAS**, in order to reimpose Fire Protection Assessments for the Fiscal Year beginning October 1, 2021, the Ordinance requires the City Commission to adopt an Annual Assessment Resolution which establishes the rates of assessment and approves the Assessment Roll for the upcoming Fiscal Year, with such amendments as the City Commission deems appropriate, after hearing comments and objections of all interested parties;

**WHEREAS**, the updated Assessment Roll has heretofore been made available for inspection by the public, as required by the Ordinance;

**WHEREAS**, notice of a public hearing has been published and mailed, if required by the terms of the Ordinance, which provides notice to all interested persons of an opportunity to be heard; an affidavit regarding the form of notice mailed being attached hereto as Appendix A and the proof of publication being attached hereto as Appendix B; and

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF CORAL GABLES, FLORIDA:**

**SECTION 1. AUTHORITY.** This resolution is adopted pursuant to the Ordinance, Resolution No. 2009-231 (the "Initial Assessment Resolution"), Resolution No. 2009-267 (the "Final Assessment Resolution"), Resolution No. 2021-148 (the "Preliminary Assessment Resolution"), the City Charter of the City of Coral Gables, Florida, Article VIII, Section 2, Florida Constitution; section 166.021, Florida Statutes; and other applicable provisions of law.

All capitalized terms in this Resolution shall have the meanings defined in the Ordinance, the Initial Assessment Resolution, the Final Assessment Resolution, and the Preliminary Assessment Resolution.

**SECTION 3. REIMPOSITION OF FIRE PROTECTION ASSESSMENTS.**

(A) The parcels of Assessed Property described in the Assessment Roll, which is hereby approved, are hereby found to be specially benefited by the provision of the fire protection services, facilities, and programs described or referenced in the Preliminary Assessment Resolution in the amount of the Fire Protection Assessment set forth in the updated Assessment Roll, a copy of which was present or available for inspection at the above referenced public hearing and is incorporated herein by reference. Adoption of this Annual Assessment Resolution constitutes a legislative determination that all parcels assessed derive a special benefit in a manner consistent with the legislative declarations, determinations and findings as set forth in the Ordinance the Initial Assessment Resolution, the Final Assessment Resolution and the Preliminary Assessment Resolution, from the fire protection services, facilities, or programs to be provided and a legislative determination that the Fire Protection Assessments are fairly and reasonably apportioned among the properties that receive the special benefit as set forth in the Preliminary Assessment Resolution.

(C) The method for computing Fire Protection Assessments described and referenced in the Preliminary Assessment Resolution is hereby approved. The Cost Apportionment and Parcel Apportionment methodologies described and adopted in Sections 6 and 7 of the Preliminary Assessment Resolution are hereby approved.
