

HERNAN BAS

- Hernan Bas is a world-renowned contemporary artist known for his landscape and figurative, narrative driven work.
- Born to Cuban immigrant parents and raised in South Florida, Bas draws influence from American subculture, the Symbolist movement of the 19th century and Les Nabis.

THE SWAN PRINCE, 2004

Currently on display at Perrotin Galerie
Paris, France

PAST EXHIBITIONS

- Bas' work has been exhibited internationally and is held in major collections, including MOMA, the Rubell Museum, Whitney Museum of American Art, MOCA North Miami and more.
