Mayor Valdes-Fauli introduced Sergeant Jose C. Baez as the recipient of the 2018 Robert DeKorte Memorial Award. Police Chief Edward J. Hudak, in presenting the award said that it is given yearly to commemorate Robert DeKorte who was killed in the line of duty, and that said nomination is made upon receiving nominations from members of the Coral Gables Police Benevolent Association and the Fraternal Order of Police Executive Committee. The recipient of such a prestigious award is chosen because he/she demonstrates courage, honor and brotherhood. Jose started with the Police Department in September 1992 and has a stellar career with the department. He worked in the motorcycle unit; special investigation section working undercover details; as a canine officer and was also promoted and remained as the canine sergeant. About a year ago Sergeant Baez was then promoted to internal affairs. He takes a mentorship role which involves representation and accountability and makes the Police Department and the City what it is. He has been a steadfast confidant for many officers within the organization, has gone above and beyond in many instances and continues to exemplify what is expected of our employees within the Police Department and the City at large. He concluded by saying that it is with

great honor that he recognizes and present Sergeant Jose Baez with the 2018 Robert DeKorte Memorial Award.

Sergeant Baez thanked the City Commission and City Manager for all they do for the Police Department and the City, and that he has always wanted to receive this award because it means so much to him. He continued by saying that what Officer Dekorte and his family went through, and if they are listening, it is something that they will never forget; the sacrifice he made for the City and its citizens and everyone else. He thanked the Chief for the many years they have worked together through good and bad times, for being there for him and his family and that he is a true leader to the men and women in his department and welcomed him back from his vacation. Sergeant Baez then accepted his award flanked by the members of the City Commission and his fellow police officers.

Congratulations to Detective Andrew Cachinero, recipient of the City of Coral Gables "Detective of the Quarter Award," for the first quarter in 2019.

Police Chief Edward J. Hudak, made the presentation regarding Detective Andrew Cachinero recipient of the Coral Gables Detective of the Quarter Award.

He stated that Detective Cachinero works with the Crimes Against Persons Unit and went on to explain the events of an armed robbery which took place on February 8, 2019 at 1121 Asturia Avenue when the victim was robbed at gunpoint and her vehicle stolen. Detective Cachinero upon responding to the crime, reviewed several residential CCTVs in the area, tracked the victim's Sunpass transponder and through social media he was able to, working in conjunction with other agencies, obtain the activity and image of the stolen vehicle. Detective Cachinero also conducted a surveillance of the gated community in which the subject was said to have resided and built a rapport with the family members persuading them to give him the whereabouts of the subject, who at the time was already incarcerated. The proper authorities were contacted, and the subject was charged.

In another incident on October 1, 2019, Detective Cachinero was involved in solving an armed robbery which occurred in the alleyway of the 4800 block on Ponce de Leon Boulevard in which two employees from a landscaping company were victims of an armed robbery by two subjects involving the theft of a hedge trimmer. Upon receiving the call, Detective Cachinero immediately ascertained footage from a camera in the neighborhood and assisted by members of multiple police agencies, because the vehicle was involved in other thefts throughout Miami-Dade County, they were able to track it as far away as Martin County. Detective Cachinero's persistence in pursuit and capture of these individuals led to him receiving information

that one of the subjects had already been arrested in another County for an unrelated crime. This person will be extradited to Miami-Dade County where he will be arrested, and an arrest is still pending for the other subject. In these cases, Detective Cachinero has shown his keen investigative abilities in solving crime by integrating numerous forums including social media to combat crime. In concluding, Chief Hudak stated that this is just a few of the examples of what Detective Cachinero does on a regular basis and because of this he is the Detective of the Quarter 2019, First Quarter.

Detective Cachinero thanked his wife for her support and having been in law enforcement for the past 20 years, the Mayor and City Commission and the City Manager for the award. Special thanks were also given to Police Chief Hudak and his fellow officers. He concluded by saying, thank you and that it is because of Chief Hudak's leadership and always demanding excellence from them, and him always hearing Chief Hudak saying in the background, "you can't say it is not your job".

Congratulations to Officer Alexander Ortega, recipient of the City of Coral Gables "Officer of the Month Award," for the month of March 2019

Attachments: [Nominating Memo Ofc Ortega March 2019](#)
[COMMISSION COVER MEMO - OFFICER OF THE MONTH March 2019](#)

The presentation of the "Officer of the Month" for the month of March 2019 was made by Police Chief Eduard J. Hudak. Chief Hudak stated that Officer Ortega has been with the department for about two years. On March 2, 2019 at approximately midnight, Officer Ortega conducted a traffic stop at the 3900 block of Toledo Street of a Silver Saturn Vue which did not have a tag. Upon observing of a large box at the back of the vehicle he was able to get consent from the driver to search the vehicle. In doing so, the driver later admitted to where he obtained the box which contained a stolen dog crate. It is because of the officer's investigative abilities that he was not only able to obtain a stolen package, but probably prevented more packages from being stolen from within our City. It is this type of investigative work that they look for in new officers and try to instill in them and Officer Ortega. It is because of him going beyond the initial traffic stop, and using his investigate skills, however new they may be, in preventing more crimes and solving others for those who enter our City. Based on his actions, he is our "Officer of the Month" for the month of March 2019.

Officer Alexander Ortega began by thanking the Mayor and City Commission and the Selection Committee for choosing him as "Officer of the Month" for March. He thanked his family for supporting him in the career he has chosen as a law enforcement officer, various fellow officers for their part in molding him daily to become a well-rounded officer through their guidance and direction, and he in turn will listen and stay mission-focused.

Congratulations to Officer Oscar Valdivia, recipient of the City of Coral Gables “Officer of the Month Award,” for the month of April 2019.

Attachments: [COMMISSION COVER MEMO - OFFICER OF THE MONTH APRIL 2019 Nomination Memo - Officer of the Month Valdivia](#)

Police Chief Edward J. Hudak, presented the award to Sergeant Valdivia, the recipient of the “Officer of the Month Award” for April 2019. Chief Hudak stated that on April 24, 2019, units were dispatched in an emergency mode to the scene of an accident along Granada Boulevard, and at the scene was Sergeant Oscar Valdivia who was recently promoted to midnight supervisor. It is because of his abilities to manage the scene that the individuals who fled the scene left property in the stolen vehicle. Shortly after that, while he was still in the neighborhood at the 4600 block of Ponce de Leon, underneath the Metrorail, he noticed a couple of subjects walking, one without shoes and in his socks. Sergeant Valdivia’s keen ability to consistently gather facts as well as supervise the officers in what was going on, he noticed that there was still a pair of shoes in the stolen vehicle, and it is because of that acute observation, and an additional search he did about 100 feet away, one of the subject’s driver’s license and a key that matched the stolen vehicle was recovered. It is because of his efforts; two people were taken off the street for loitering and prowling that night and future charges of grand theft auto are still pending. Further investigation was able to link, although not able to prove, these subjects as being some of our City’s car hoppers and burglars. Chief Hudak concluded that Sergeant Valdivia continues to lead his officers from the front, always setting his standards high, and it is because of that he was nominated by his Lieutenant, and it was consented by those under him, that he is the “Officer of the Month” for April 2019 and he congratulated him.

Sergeant Oscar Valdivia thanked the Mayor and City Commission, Police Chief Hudak and everyone for being there, and stated that when Chief Hudak promoted him, he was not going to let him down; that he likes to lead by example and believes the award shows that and will continue to do so if he has the stripes; and closed by thanking everyone again.

Fire Chief Marcos de la Rosa presented the “Firefighter of the Month” award for the month of April 2019 to Lieutenant Jeffrey Stone. He stated that if he could choose one word to describe Lieutenant Stone it would be, consistency because he is consistent in the training and development of fire personnel and does so daily. Of notable mention, the Chief stated that since 2016 that department has hired almost half their personnel. He concluded by saying that Lieutenant Stone’s commitment to training and development is exemplary and the reason for him being recognized as the “Firefighter of the Month” and congratulated him. Lieutenant Jeffrey Stone upon accepting his award thanked everyone for coming.

[notification letter ff of month may](#)

Fire Chief Marcos de la Rosa presented the “Firefighter of the Month Award” for the month of May 2019 to Battalion Chief Alejandro Garces. He indicated that at the last City Commission meeting a presentation was made for “National EMS Week” with the theme for this year being “Beyond the Call”, and he believes that is why Alex was nominated and accepted this month as the “Firefighter of the Month” as well as their last “Firefighter of the Month”, John Jensen. They had responded to a call involving an elderly gentleman who had a medical emergency and because of that emergency he was not able to open the gentleman’s front door. The door had to be forced opened to gain access damaging the door. The next day, Chief Garces and Firefighter Jensen took it upon themselves to replace the door by purchasing a new one and installing it for the elderly gentleman, and this is a prime example of going beyond the call and the reason he is “Firefighter of the Month”.

Upon receiving his award, Battalion Chief Alejandro Garces thanked Fire Chief de la Rosa, his command staff in addition to the Mayor and City Commission and gave a special thank you to Driver Engineer Jensen who is always willing to step-up and assist, and when I asked him to help me, he jumped on it right away. That’s the best part of the job, it is to help people in need and that is what they were able to do that day and ended by thanking everyone.

Congratulations to Linda Maestre, recipient of the City of Coral Gables "Communications Operator of the Quarter Award," for the first quarter in 2019.

Attachments: [COMMISSION COVER MEMO - Communications Operator of the first quarter 2019](#)
[Nomination Memo - Operator of the 1st Qtr. Maestre](#)

Police Chief Edward J. Hudak in addressing those present stated that the City of Coral Gables is one of seven cities he believes, within the County that handle both the 911 calls for Police and the Firefighter departments that we have. Part of their responsibility in the City is that we handle those 911 calls with the same service and deliverance of excellence that we want for our residents. He then requested that Communications Operator Linda Maestre join him at the podium. Every year he recognizes those individuals who go beyond and above in their Communications Section. He continued by saying since his tenure here, the one thing he believes he underestimated was what a good morale does for the betterance and furtherance in keeping our residents and visitors safe. A good morale that goes on in the Communications Section is something that is a yeoman's task, and often says that Police Officers, Firefighters often know what they are getting into before they get there. Every day the Communications Operators in the City of Coral Gables push a button and they don't have any idea what is going to be on the other side of that phone; a child drowning, a fight in progress, a sexual battery, a domestic violence and they must have the answers in a split second. This becomes a very, very stressful situation, and for the last 20 years, Linda Mastre has been doing that. First in the City of Homestead where in July 2000, we stole her, and she has worked with us now for nearly 19 years and has been consistently perfect in what she does when she is answering those phones and continues to do. What he considers to be the biggest issue, is morale, and she continues to do so and has taken it upon herself, including using her own funds, which he wasn't aware of until now to come up with different themes to break the stress and to take care of our own, our operators. We are finding now that the mental health of our employees should be paramount when we are handling these emergency situations, not just for our Police and Firefighters, but for our Communications civilian personnel. It is because of what she has done, because of how she has cared for her fellow employees, she has been awarded the "Operator of the First Quarter", 2019. Congratulations.

Ms. Maestre thanked Police Chief Hudak, the Mayor and City Commission, her fellow employees and Mara for recognizing her, she appreciates it. She continued by saying that most people don't know, and that is, (tearfully), that she lost her family some time ago, and to her, this is her family, and wants to push that forward and hopefully people will be more together and look out for each other; and thanked everyone again.

Attachments: [CM_PT EE of the First Quarter Nomination Letter](#)

Mayor Valdes-Fauli read the agenda item regarding congratulating Michael Machado who is a part-time lifeguard III and recipient of the "Part-Time Employee of the Quarter Award," for the first quarter in 2019. Ms. Karla Green, Human Resources Director approached the dais to introduce Michael Machado of the Community and Recreation Department-Venetian Pool. At this time, a video was played showing Mr. Machado working at the Venetian Pool as a lifeguard. Michael began his career with the City as a volunteer aid with the Venetian Aquatic Club assisting with giving children swimming lessons and then became a part-time lifeguard in the summer of 2004. This nomination for this award originates from his department's upper management and co-workers and this is what they had to say about Michael as follows: "that for the past 15 years Michael has proven to be Coral Gables most dedicated senior lifeguard and instructor and his co-workers and supervisors have all recognized and commended him on his great leadership skills and his ability to be proactive, to problem solve, to communicate with others and to be levelheaded when facing an emergency. He is a great team player who has taken part in training hundreds of lifeguards during his time at the Venetian Pool. Michael's passion for service to the community has been outstanding both in the City of Coral Gables and in the City of Hialeah where he currently serves as a full-time employee in the Fire Department. Michael's pride in his work, dedication and leadership skills are exemplary to all his coworkers". Congratulations to Michael for all his contributions to the City Beautiful and for being the "Part-time Employee of the First Quarter" of 2019.

Ms Carolina Vester, Assistant Director Community and Recreation Department stated that Michael is a unique and dedicated individual and he is now going on his 16th summer here in the City on a part-time level, and what makes him so unique is that several years back he decided to not just work at Venetian Pool, but he also took on night shifts at the ER in South Miami Hospital. He then got hired by the Fire Department in the City of Hialeah; was working all three jobs and decided that it was important for him to stay with the City, to stay with the Venetian Pool, because of the direct impact he has on our lifeguards. She reiterated what was said by HR Director Green and stated what was not mentioned is the indirect impact he has had on our residents and guests every single day by training those lifeguards proactive life safety skills and ensuring that our patrons are safe in the City of Coral Gables at the Venetian Pool.

Michael Machado thanked everyone in the City of Coral Gables for creating an environment for him in which he could thrive to the point at where he is today. He continued by saying that he was hired with Carolina and she was an awesome mentor

to him throughout the entire time he was there. He also thanked all his current supervisors Jose, Sarah, and Victoria and all the other lifeguards that he works with, because if it wasn't for them, he would not be the leader he is today, and it is because of the lifeguards that he is able to even have the privilege to teach and to lead. He then thanked everyone in the City and said that he really appreciates the award.

L. DISCUSSION ITEMS

Mayor Valdes-Fauli: Anything else?

Vice Mayor Lago: A few items. Go ahead. Commissioner Keon, you want to start, or you want me to start?

Commissioner Keon: The only thing I wanted to ask about from the last time we had the...committee final report.

Vice Mayor Lago: Yes.

Commissioner Keon: I wanted to ask, I don't know by what means we do this, maybe if you are the Manager we can start to talk about. One of the big things they recommended was having people available within the community to talk to people, maybe we can look at the Emergency Management or the emergency committee, what is the name of that committee?

Vice Mayor Lago: Emergency Management.

Commissioner Keon: The Emergency Management committee.

Vice Mayor Lago: I've held off on naming people to that board after an hour discussion.

Commissioner Keon: I only have a couple of people on that board anyway and maybe we can utilize that board to work in that fashion. I'd like you just to look into it, Mr. Manager.

Mayor Valdes-Fauli: [Inaudible]

Commissioner Keon: In the Blue-Ribbon Panel, one of their recommendations, we accepted their report, but one of the big recommendations they made was to have people within the community available to work within neighborhoods to find out what's happening.

Mayor Valdes-Fauli: I do have my Emergency Management people and I put them in charge of different neighborhoods on the neighborhood associations.

Commissioner Keon: But you do that just yourself. I think it would maybe be a good task for that board. I'd like you to consider that so you can use that board, because they don't otherwise really meet or do anything. So, we would have to meet with them at least once a year to talk about what their duties are, if they are going to serve on that board during that time. Thank you. That's it.

Vice Mayor Lago: I have two items. This is for staff - the development projects portal online, which is the Economic Development section on the website, its not updated.

So, when residents and business owners, whoever is interested wants to look at projects that are forthcoming, they are not there. I don't think its been updated for about a year. So, can we take a look at that and see if we can get that updated with the latest projects that are coming forth, coming before us. I want to make sure that anybody who has a question or has an interest in finding out and that's why Commissioner Keon and I we're here and we put this together and we thought it was a good idea. I think we actually, both of us spearheaded that. The purpose of that is very simple. When a resident comes here and says, I do not know anything about a project that's going on in my backyard, that's not the case. You can point them in the direction. They can see a full set of drawings, they can see the projects where they are, when is that coming before the Commission. Just another opportunity to be as transparent as possible. A resident didn't tell me about it. I was just looking at it the other day and I noticed it hadn't been updated in some time, because some of the projects that are coming up for approval have already been approved about a year ago. So, let's update that. I know that my colleagues also received an e-mail from the Coral Gables Youth Center soccer team, the Coral Gables Storm Black 2001, I can hear Commissioner Keon saying yes. Under 18 girls Florida State, they won the championship. So, I just want to commend them for that. I was thinking about probably bringing them at the next Commission meeting and giving them just a simple Proclamation, if the Mayor approves it.

Mayor Valdes-Fauli: Yes.

Vice Mayor Lago: Something we should be proud of. They also wrote to me saying that some of the members of the soccer team don't have the financial wherewithal to make it to the nationals. Now they are going to nationals, and they kind of gave me a breakdown of the cost. Its not cheap, but I'm going to possibly contribute myself a little bit to help out the students and I wanted to see if maybe...

Commissioner Keon: We can talk to the Community Foundation.

Vice Mayor Lago: Talk to the Foundation to see if there are any ideas.

Mayor Valdes-Fauli: How much are you talking about?

Vice Mayor Lago: Its \$27,000 for everybody, but again, certain students can afford it and certain can't, and this is something where they just won the under 18 girls Florida State Cup Championship and they are from our backyard and it says, here are the

Coral Gables Storm Black. So, I think we need to do what we can, if we can to help them.

Mayor Valdes-Fauli: Absolutely. OK. Anybody else? I have on the Fink Studio, which as I said is going to be one of my priorities, and I would like to have a meeting with the Commission and the Spanish Cultural Committee, Centro Cultural Espanol, the Spanish Cultural Center, at the Consul's house and I guess this would have to be a Sunshine meeting and I will give you the date and then we can call a meeting and they can explain to us in detail what they do, what they plan, their financial plans and the...of the government of Spain. So, I'd like to set that up. Anything else?

Vice Mayor Lago: I have one item that I forgot to mention. Sorry, I apologize. I've spoken to Miriam and I've requested that she present legislation at the next Commission meeting, which deals with the empty parking lots. I know we don't allow booting, but the City of Miami presented legislation which ticketing, so I wanted to bring that before you. And I know that one of my other colleagues had also an interest in co-sponsoring it with me, Miriam told me.

City Attorney Ramos: So, we have a number of residential complaints about getting, what we describe as fake tickets. They look like they are Coral Gables tickets, but they are not, they are private lots. We worked with them, with the different to try to have them change, and they have complied, so they don't look so similar to ours, but it's still causing a lot of confusion. Looks like Miami had the same issue, so we'd be drafting an ordinance for the next meeting.

Commissioner Keon: I thought we did that.

Vice Mayor Lago: We did it for booting.

Commissioner Keon: Right, but we also raised that issue of the ticketing - no - OK.

Commissioner Mena: We discussed it and I mentioned it to the City Attorney as well.

Vice Mayor Lago: This legislation would cure it.

Mayor Valdes-Fauli: OK. Anything else? Meeting adjourned.
