improvements, sewer and things of that nature, that are going to continue to service the building, and they are requesting encroachments so they can keep those.

Mayor Lago: Mr. Manager, can you give a little bit of background. How does this affect the city?

City Manager Iglesias: We have no issue with this Mayor. These are some small overhangs along the building, sidewalk and some piping that's in the back alley. So, we have no issue with this encroachment.

City Attorney Ramos: That building used to be owned by the city and now, of course, its owned by a private party so that's why this is necessary.

Mayor Lago: I just want to put it on the record. I'll entertain a motion.

Commissioner Anderson: I'll move it.

Vice Mayor Mena: Second.

Commissioner Anderson: Yes

Commissioner Fors: Yes

Vice Mayor Mena: Yes
