Good Morning Mr. Roman,

I am in receipt of the Code Enforcement Warning which you placed at my property, I was at your office this morning but I was told by Ms Cutie the office is still closed.

I would like to get together with you to resolve this matter. I was not aware that I would have to pull a permit to replace what was there already, especially since I was just there at City Hall a few days ago to pull the paint permit.

Ms. Cutie told me you work Tues-Sat, I'm available at any time this week, except Wednesday.

Thanks

Jaime Cervera
