

**BUSINESS IMPROVEMENT DISTRICT
OF CORAL GABLES**

February 2, 2009

Maria Albarro Jimenez
Interim City Manager
City of Coral Gables
Coral Gables, FL 33134

Dear Ms. Jimenez:

Enclosed please find supporting documents discussed at our Streetscape meeting last week:

1. Notice of public meeting scheduled for 7/26/06 sent to all property owners and merchants to present Parking Study findings. Held at Coral Gables Country Club
2. Notice of public meeting scheduled for 8/17/06, a follow up to the July meeting. Held at Coral Gables Youth Center
3. Notice rescheduling (2) above to Thursday at 9:00 AM instead of 2:00 PM
4. Letter to BID Property Owners encouraging attendance at final meeting of Parking Study on September 28th, 6:00 PM, Colonnade Hotel
5. Notice of (4) above sent to all property owners AND merchants via fax and e-mail
6. Notice to property owners and merchants of Tuesday, January 23, 2007, Commission Meeting to review final parking study. 11:00 AM Time Certain
7. Newspaper ad for first public workshop with Streetscape Advisory Committee to be held Monday, September 8th, 2008, 6:00 PM at the Westin Colonnade Hotel
8. Notice to property owners and merchants, mailed and faxed, of September 8th, 2008 public workshop (same as 7 above)
9. Official Coral Gables e-News announcing September 8, 2008, public workshop and seeking input from Coral Gables residents
10. Sign-in sheets from September 8th public meeting
11. Notice of October 7th Streetscape meeting
12. Sign-in sheet from October 7th Streetscape meeting

I have also included for your information a copy of the Coral Gables Chamber of Commerce resolution passed officially by their Board of Directors on October 29, 2008, in support of the Streetscape design.

Should you need any further information, please do not hesitate to contact me. We look forward to seeing you next week.

Regards,

Mari Molina
Executive Director

Notice of Public Meeting

The City of Coral Gables is holding a public meeting to present the findings of the Task I - Five-Year Parking Demand Analysis for Downtown Coral Gables.

This study was a result of last year's streetscape public meeting, where merchants and property owners asked the City for a new parking study to analyze the current parking situation. The last study was conducted in 1999, since then the downtown has experienced considerable growth.

Date: Wednesday, July 26, 2006
Time: 9:00 AM
Location: Country Club of Coral Gables, 997 North Greenway Drive, (Granada Ball Room North)

The meeting is open to all Merchants and Property owners.

Notice of Public Meeting

The City of Coral Gables is holding a public meeting to present the findings of the Task I - Five-Year Parking Demand Analysis for Downtown Coral Gables.

This meeting is a follow-up to the July meeting. The presentation will include elements not covered in the first presentation, including parking garage information. The meeting is open to all Merchants and Property owners.

Date: Thursday, August 17th, 2006
Time: 2:00 – 5:00 PM
Location: Coral Gables Youth Center, Theater Room, 405
University Drive

Please note that there will be a final public meeting to present the findings. We will notify all merchants and property owners in advance.

Notice of Public Meeting

New Time: August 17th at 9:00 AM

The presentation for the Task I - Five-Year Parking Demand Analysis for Downtown Coral Gables has been moved to a new time at the request of the BID. Many BID businesses voiced their concerns about the afternoon time since it was during business hours. Please remember, this is a follow-up to the July meeting. The presentation will include elements not covered in the first presentation, including parking garage information. The meeting is open to all merchants and property owners.

Date: Thursday, August 17, 2006
Time: 9:00 am - 11:00 am
Location: Coral Gables Youth Center, Theater Room, 405 University Drive

Please note that there will be a final public meeting to present the final results. We will notify all merchants and property owners well in advance. We have also asked the City to schedule the meeting at a more convenient time to business owners.

September 1, 2006

Dear BID Property Owner:

We invite you and strongly encourage you to attend the final public meeting to present the results of the Task I - Five-Year Parking Demand Analysis for Downtown Coral Gables, as study commissioned by the City of Coral Gables.

This study was a result of last year's streetscape public meeting, where merchants and property owners asked the City for a new parking study to analyze current parking conditions. The last study was conducted in 1999. Since then, the downtown has experienced considerable growth.

The presentation is scheduled for **Thursday, September 28th at 6:00 PM**, at The Colonnade Hotel, 180 Aragon Ave. **This will be the most informative and conclusive meeting of this important study.** We hope you can attend.

Sincerely,

Mari Molina
Executive Director

Notice of Final Parking Study Presentation

Thursday, September 28th at 6:00 PM

We invite you and strongly encourage you to attend the final public meeting to present the results of the Task I - Five-Year Parking Demand Analysis for Downtown Coral Gables, as study commissioned by the City of Coral Gables.

This study was a result of last year's streetscape public meeting, where merchants and property owners asked the City for a new parking study to analyze current parking conditions. The last study was conducted in 1999. Since then, the downtown has experienced considerable growth.

Date: Thursday, September 28th, 2006
Time: 6:00 PM
Location: The Colonnade Hotel, 180 Aragon Ave

This will be the most informative and conclusive meeting of this important study. The meeting is open to all merchants and property owners. We hope you can attend.

Parking Management Study Presentation to Commission Tuesday, January 23rd, 2007 at 11:00 AM

A date and time certain for the Parking Management Study presentation to the City Commission has been set.

Date:	Tuesday, January 23 rd , 2007
Time Certain:	11:00 AM
Location:	City Hall – Commission Chambers

The meeting is open to all merchants and property owners. We hope you can attend.

A SKELETON CREW THAT'S ANYTHING BUT.

ORTHOPEDICS IS A COMPLEX DISCIPLINE. With 206 bones to be concerned with, it can be extremely broad and highly specialized at the same time. That's why we've chosen to focus on this field so specifically, assembling a comprehensive team of surgeons, nurses, techs and therapists, all highly trained in Orthopedic specialties. With only 105 rooms and a medical team that takes the time to listen and better serve its patients, we can offer what many other hospitals can't. This is Coral Gables Hospital. This is healthcare on a human scale."

e-News Coral Gables

THE OFFICIAL CITY OF CORAL GABLES NEWSLETTER

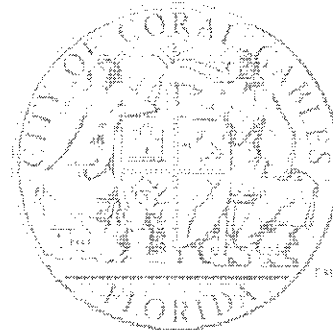

WEDNESDAY, SEPTEMBER 3, 2008

Interim Police Chief Is Named

Assistant Chief Richard Naue Jr., a respected senior law enforcement professional who has worked for the City of Coral Gables for the past 30 years, has been named Interim Police Chief. He will take the post left by Police Chief Michael L. Hammerschmidt who passed away on August 20 after losing his courageous battle with cancer. Richard Naue joined the Coral Gables Police Department in November of 1977 and was promoted to Police Sergeant in 1983. Ten years later he became a Police Lieutenant and consequently a Police Major in 1997. His most recent promotion came in January of 2007, when he was selected as Assistant Chief of Police in charge of the Field Operations Bureau. During his law enforcement career, Naue was twice selected as Coral Gables Officer of the Month, in June of 1983 and in May of 1992. In 1989, he was selected by his peers as the recipient of the coveted Robert DeKorte Memorial Award in 1989 and in 1998 he received the James Avery Brotherhood Award.

City Officials Oppose County Budget

A resolution of the Coral Gables City Commission was unanimously approved opposing Miami-Dade County's tentative millage rates and the proposed county budget for fiscal year 2008-2009. The Coral Gables leaders agreed that the proposed county budget and tentative millage will adversely impact all citizens of Coral Gables and unfairly shift a greater amount of the tax burden to the City's residents, businesses and other municipalities -instead of evenly distributing the tax burden among all Miami-Dade County residents. The City of Coral Gables encourages residents to let their voices be heard at the

EVENTS ROUNDUP

For the definitive guide to upcoming events in the City of Coral Gables, [click here](#)

TRAFFIC

Coral Way and Segovia

Street: This week you should begin to see lots of activity at the intersection of Coral Way and Segovia Street where construction crews will install a large traffic circle. For the next two weeks, workers will be removing existing street signs, traffic lights, sidewalks, gutters, shrubs, curbing and asphalt to prepare the area for the construction of the circle. The following streets are close and remain closed throughout the duration of the project: Coral Way at Segovia Street, North Greenway Drive at Segovia Street, Segovia Street at Coral Way and Segovia Street at Biltmore Way.

upcoming county budget hearings scheduled on September 4 and September 18, 5:01 p.m., 111 N.W. First Street, 2nd floor, at County Commission Chambers.

City Budget Hearings Scheduled for September 9 & 23

The public is invited to attend the upcoming Budget Hearings for the City of Coral Gables on Tuesdays, September 9 and September 23, beginning at 5:01 p.m. Both meetings will take place at Commission Chambers, 405 Biltmore Way, 2nd floor. The proposed 2008-2009 budget maintains the same 5.25 millage rate from last year. To review the proposed budget for next year, [click here](#).

Place Your Ads On The Trolleys

In looking for sources of additional revenues for the City, the City Commission approved a proposal to allow advertising inside of the popular Coral Gables trolleys. On August 26, the Commission authorized the City Manager to negotiate a contract with Artcoart Plus, a company selected to sell and produce electronic ads that will be displayed inside the trolleys. The company is also set to produce printed maps of the trolley route after providing the City a percentage of all ad revenues. The monies collected from this new venture will help alleviate the operational costs of the Gables trolleys, a free service to the community which transports 5,000 passengers daily through the Ponce de Leon corridor. The trolleys are also available for rental during non-operating hours as an additional source of revenue. Companies interested in advertising or renting the Trolleys, should call 305-460-5070.

2008

Country Club Proposer To Be Evaluated

A seven-member Evaluation Committee will review a proposal to be presented next week by a company interested in managing the Country Club of Coral Gables facility. The public will be invited to observe — but not participate — in a meeting scheduled for Wednesday, September 17, at 2:30 p.m. at Commission Chambers. In June, the City of Coral Gables received two responses to a Request For Proposal for the long-term leasing of the Coral Gables Country Club facility. The Evaluation Committee has reviewed the proposals for sufficiency and disqualified one of the proposals for not including the required documentation. Toronto-based Liberty

Local traffic will be permitted through the area at all times. Signs are positioned just outside the construction zone that clearly mark detour routes. The traffic circle is scheduled to be completed by December 15.

More Improvements Coming To City Parks

You have probably seen the work being completed at the War Memorial Youth Center recently, which included the sodding of the field, the replacement of the outdoor basketball box lights, and the installation of playground shades. This week, the indoor basketball gym floor will also be stripped and entirely refinished. But there's also other work being done throughout Coral Gables to the many playgrounds and parks including: Coral Bay Park (construction of the park pavilion and ADA improvements); Granada Pro Shop (interior and bathrooms ADA improvements and ADA accessible parking space); Jaycee Park and Pierce Park (installation of ADA accessible picnic table); Phillips Park and Sunrise Park (shade structure installation); Riviera Park (new park with gazebo, resurfacing of existing walkways, new play animals, light fixtures, landscaping, benches and trash receptacles); Rotary Centennial Park (new play equipment, walkway, benches, trash receptacles and fence); Salvadore Park (demolition of tennis hard courts and conversion to clay courts, resurfacing of clay courts, lightning upgrades and other playground improvements); Venetian Pool (slip resistance surfacing to the floor, replacement of chlorination system, and ADA improvements); and to William H. Kerdyk Biltmore Tennis Center (ADA improvements and permanent bleachers). These park upgrades are being made to enhance the quality of life of residents of all ages.

City Hall Receives Outstanding Historic Preservation Award

The Coral Gables City Hall was constructed from 1927-1928 and is listed on both the National Register of Historic Places and on the Coral Gables Register of Historic Places. Coral Gables City Hall is perhaps the most important example of the City's strong effort toward historic preservation, recognizing the historical and architectural value of Coral Gables significant buildings. That is why this facility was recently awarded the Outstanding Historic Preservation Award by the Coral Gables Chamber of Commerce, as part of the City Beautiful Award that recognizes outstanding architecture in the City. Designed by architects

Denman Fink, Phineas Paist, and Harold Steward, the building features a semicircular wing with 12 prominent stone columns, a bell tower, balcony, and cast ornamentation, creating spectacular facades. Coral Gables City Hall continues to be preserved for the enjoyment of future generations, an ongoing effort which has included the restoration of the interior cupola and ADA enhancements.

Seaway Group Posts Information About Proposed Biltmore Villages

The Seaway Group, the company that took over control of the City-owned property in 1992, has posted information on the world wide web about the Biltmore Villages. The proposed construction around the Biltmore Hotel include the upgrading of the existing West Lot parking field as the site of hidden parking with additional hotel rooms and condominium residences above it. All changes will be subject to the normal rigorous review and approval process imposed by the City of Coral Gables.

Numerous public hearings will be scheduled to receive input from all parties affected. Residents looking for more information about this topic and interested in seeing preliminary renderings should [click here](#).

Streetscape Advisory Committee Seeks Input

The Miracle Mile Streetscape Advisory Committee, a group of volunteers made by design professionals, urban planners, engineers, transportation professionals and the Business Improvement District, is holding a public forum on Monday, September 8, at 6 p.m. at the Westin Colonnade Hotel, 180 Aragon Avenue. The meeting will be held to seek input from merchants, property owners, City staff and residents about the several streetscape design options for Giralda Avenue (Restaurant Row) and Miracle Mile. The group was formed this year to evaluate and recommend the best streetscape design option for the continued success of the commercial owners and the broader vision consistent with the walkable features recommended by the 2002 City Charrette. This presentation is the first in a series of public forums that will be presented to several City Boards, the Chamber of Commerce, residents and ultimately, to the City Commission for approval. For additional information, contact the Business Improvement District at 305-569-0311.

CORAL GABLES

CHAMBER OF COMMERCE
*Developing Business • Building Community***RESOLUTION OF SUPPORT FOR DOWNTOWN CORAL GABLES
"STREETSCAPE DESIGN PROGRAM"**

The undersigned Chairman and President of The Coral Gables Chamber of Commerce, a Florida not-for-profit corporation ("The Chamber"), does hereby certify that the following resolution was duly adopted at a meeting of the Board of Directors of The Chamber (the "Board"), duly called and held in Coral Gables, Florida on October 29, 2008 in which meeting a quorum was present and acting throughout:

WHEREAS, Downtown Coral Gables has formed a Streetscape Design Committee with consultant planners and urban designers from the University of Miami and they have conducted a series of studies including existing conditions, exemplary urban main streets and streetscape elements in other communities and reviewed several streetscape design scenarios for the redevelopment of Miracle Mile including substantial enhancements to the streetscape of this area; and,

WHEREAS, the Coral Gables Chamber supports the vision proposed by the Streetscape Design Committee and adopted by the BID to design Miracle Mile as a premier main street destination that strikes a better balance between pedestrian and vehicular traffic; and,

WHEREAS, the Coral Gables Chamber supports the reconfiguration of Miracle Mile's streetscape to create a greatly enhanced urban main street destination that is highly visible, colorful, and attractive while greatly increasing space for sidewalk cafes, kiosks and gathering places all of which, in the aggregate, will render the downtown as a "Destination"; and

WHEREAS, the Coral Gables Chamber supports the design plans for changing the existing angle parking to parallel parking on Miracle Mile and implementing a shared street design for Giralda's Restaurant Row; and,

WHEREAS, the Coral Gables Chamber supports the BID in their search for funding options for the redevelopment Miracle Mile; and,

WHEREAS, the Coral Gables Chamber supports the Streetscape design priority of improving drainage, alley conditions and paseos connecting parking garages to Miracle Mile. Improving connections and paseos between downtown garages and the street will further encourage walkability, mitigate losses in on-street parking, and position the area as a destination; and,

WHEREAS, the Coral Gables Chamber encourages the City of Coral Gables to minimize the amount of assessments that would be passed through to the property owners; and,

WHEREAS, the Coral Gables Chamber encourages the City of Coral Gables to provide a favorable repayment structure for any assessments imposed as a result of this Streetscape project; and,

WHEREAS, the Coral Gables Chamber believes that this is a positive project for the economy and prestige of the City of Coral Gables; and

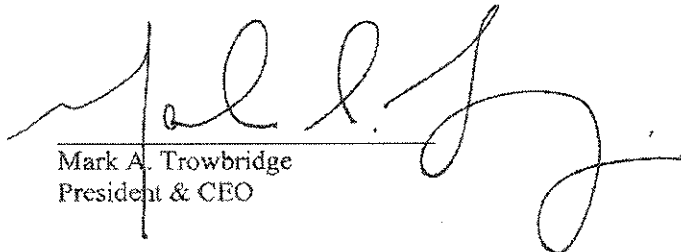

WHEREAS, the Coral Gables Chamber of Commerce, for many reasons, believes it to be in the best interest of both the residents and the business community for the Downtown Coral Gables Streetscape Project to proceed in an efficient manner; and,

NOW BE IT THEREFORE RESOLVED, that the Coral Gables Chamber of Commerce hereby supports and endorses the Miracle Mile Streetscape Project of Downtown Coral Gables to the Coral Gables community and urges the City of Coral Gables to work constructively with Downtown Coral Gables BID, and its affiliates, to ensure that the "Downtown Coral Gables Streetscape Design Program" moves forward successfully and in a timely manner.

IN WITNESS WHEREOF, the undersigned have executed this Resolution effective as of October 29, 2008.
