COMMITTEE REPORTS:

PUBLICATIONS & PUBLICITY: Kendell Turner mentioned the Library's Historic Designation should be publicly recognized. Amy Kutell suggested having a reception with a focus of attention on the recent process of the Historic designation and why it is important. Kutell added that maybe Grace Armada or Marni Ardito could use this opportunity to convey the importance of libraries in our community. Kutell also recommended associating the reception with the "Ten by Ten Challenge." This event is sponsored by the Friends of the Library and challenges 10,000 people to donate \$10 by 10/10/10. Combining these events would help increase the number of attendees and encourage donations. Kendell Turner suggested inviting organizations interested in both preservations and libraries. She also mentioned advertising via e-Blast, Gables Home Page and Coral Gables Newspaper.

Ileana Davis offered to translate an article and have it published in Diario Las Americas. Kendell Turner offered to have the article approved by Public Affairs.

Marni Ordito informed that evening events must be approved by Silvia Mona Ona and Amy Kutell offered to e-mail Silvia. Dan Keys suggested asking Silvia if the reception could be partially sponsored by the Miami Dade Library System.

Kendell Turner pointed out the date of the reception should be before October 10, 2010, and Pam Admire suggested September 23, 2010, the beginning of autumn. Kendell Turner and the other board members confirmed this date to be appropriate.

Amy Kutell reminded that invitations will need to be printed and Kendell Turner mentioned the drinks and hors d'ourves could consist of tea or lemonade with fruits and cheese. Ileana Davis volunteered to donate a case of wine.

Amy Kutell inquired about any donations received, could they go to the board for future events and other expenses? Kendell Turner mentioned that the Historic Preservation Board has a trust fund and a record could be kept of the donations received. Dan Keys stated he would look into it.

LIBRARY REPORT: Marni Ardito reported the summer reading program ended on July 24, 2010, and that it was a very big success. She mentioned more people attended this year than the previous year. Three hundred children registered and 900 completed reading logs were received. Also, the new computer system, Polaris, has started and as a result they are in a transition stage.

LIBRARY MAINTENANCE & BUTTERFLY GARDEN: Dan Keys reported that supplemental landscape maintenance is being provided as necessary. Marni Ardito mentioned that the base of the Butterfly Sculpture case was stained and Dan Keys informed everyone the plaque was also there. Kendell Turner added the children have been very much attracted to the butterfly and the parents have been very responsive to it. She stated, "It is a real success."

LIBRARY HISTORY: Dan Keys presented a plaque in which the Historic Preservation Board certifies the Historic designation of the Coral Gables Branch Library. As Kendell Turner read the plaque, she pointed out a few modifications that were needed. The address should read "Coral Gables, Florida" and the title should read "The Coral Gables Sub regional Branch Library."
