**DEPARTMENT HEAD RECOMMENDATION:**

Approval.

**PLANNING AND ZONING BOARD RECOMMENDATION:**

The Planning and Zoning Board at their October 8, 2014 meeting recommended approval of the change of land use (vote: 6-1), change of zoning (vote: 7-0) and the mixed use site plan (vote: 6-1) with conditions.

**BRIEF HISTORY:**

On October 28, 2014, the City Commission approved the proposed change of land use (vote: 5-0) and change of zoning (vote: 5-0) on first reading.

The request is for change of land use, change of zoning and mixed use site plan review for a mixed use project referred to as "Shoma Park Tower". The Planning and Zoning Board at their October 8, 2014 meeting recommended approval of all three requests with Staff's recommended conditions of approval with one additional condition. That additional condition as proffered by the Applicant is as follows, and has been included in the draft mixed use site plan Resolution:

*"Applicant agrees, subject to the consent and cooperation of the neighboring property owner(s)*

*at 6705 Red Road, to consolidate the pedestrian walkway it is proposing for the western end of its property with the existing pedestrian walkway located at the eastern end of the property at 6705 Red Road with all improvements being installed, and work done, at Applicant's expense. If such consolidated walkway is not feasible, then the Applicant agrees to provide a 5 foot wide pedestrian walkway at the western end of its property."*

This property is located within the Red Road/Sunset Road commercial district, one (1) block east of Red Road and three (3) blocks north of Sunset Road. Riviera Park is located across Yumuri Street to the east. The site is 0.7 acres (29,802 sq. ft.) in size and has "Residential Multi-Family Medium Density" land use and Multi-Family 2 District (MF2) zoning designations. The property is bounded by Venera Avenue (north), a three (3) story residential multi-family condominium complex (south), Yumuri Street (east) and a mid-rise commercial Whole Foods/office building (west). Currently, a two (2) story residential multi-family building occupies this site.

The proposed mixed use project consists of a nine (9) story/97'-0" mixed use project containing 104,300 sq. ft. and 65 residential units consisting of 16 one-bedroom, 21 two-bedroom and 28 three-bedroom units. The building's ground floor uses consists of retail use (3,995 sq. ft.), office and lobby uses (2,733 sq. ft.), a café (1,500 sq. ft.) and a commercial fitness center/gym (2,100 sq. ft.). There are 175 parking spaces proposed on two (2) garage levels above the ground floor. Mixed use projects are a conditional use, which requires site plan review at public hearings.

Requests have been included with this Application to change the land use of the property from "Residential Multi-Family Medium Density" to "Commercial Mid-Rise Intensity" and the zoning from Multi-Family 2 District (MF2) to Commercial District (C), which are the appropriate commercial designations for this proposed mixed use project.

The draft Ordinances for change of land use and change of zoning are provided as Exhibits A and B, and the draft Resolution for mixed use site plan review is provided as Exhibit C.

The Applicant is in agreement with the recommended conditions of approval as provided in the draft Resolution.
