

GARBAGE AND RECYCLING RECEPTACLES PROJECT

DESIGN REVIEW COMMITTEE MEETING

Date of Meeting:

Description: Following is a ballot that records votes by members of City of Coral Gables staff sitting on the Design Review Committee (DRC) assigned with the task of reviewing five (5) different vendor proposals submitted for selection of a city-wide garbage and recycling receptacle, to be used in public spaces within the City. The five submittals each meet minimum functional standards determined by City staff.

Instructions: DRC members are to submit a vote for each vendor brand of receptacle for DESIGN AESTHETICS by indicating YES for meeting aesthetic standards, or NO for not meeting aesthetic standards for a City-wide standard design.

DRC member	Department +Email address	Landscape Forms	Anova	Victor Stanley	Dumor	Pride
TOTAL 'YES' VOTES:
