Re: Planning & Zoning Board Application Submittal – Ponce Park Residences – Revised Letter of Intent - 3000 Ponce de Leon Boulevard, 224 & 216 Catalonia Avenue, 203 University Drive, & 225 Malaga Avenue (the “Property”).

Dear Mr. Aizenstat:

Our firm represents RC Acquisitions, LLC, P & J Enterprise Holdings, LLC, and KP Ponce Park FL LLC (collectively, the “Applicants”). On their behalf, we respectfully submit this Letter of Intent to the City of Coral Gables, FL (“City”) Planning & Zoning Board (“Board”) in connection with the proposed redevelopment of the Property with a mixed-use project.

Property Description & Current Land Use Designations

The Property is comprised of six (6) folios identified by the following numbers: 03-4117-005-7140; 03-4117-005-7160; 03-4117-005-7170; 03-4117-005-7180; 03-4117-005-7230; and 03-4117-005-7250. The Property also includes the existing 20-foot-wide alleyway and a portion of University Drive that runs north of the Malaga Avenue right-of-way and west of the Ponce de Leon right-of-way totaling 1,318 sq. feet and depicted on Page 1-08 of the FAR Site Diagram enclosed herewith. According to the survey prepared by Fortin, Leavy, Skiles, Inc. (the “Survey”), the Property is approximately 42,542 sq feet (0.999 acres +/-) in size, inclusive of the alley and right-of-way.

As indicated on the City’s Future Land Use Map, the Property is presently designated Commercial Low-Rise Intensity. The Property is also designated Mixed-Use District 1 (MXD-1) on the City’s Zoning Map.

Planning & Zoning Board Application Request

The Applicants submit the following requests for the Board’s consideration: (i) Small-Scale Comprehensive Plan Future Land Use Map Amendment to change the designation of the Property from Commercial Low-Rise Intensity to Commercial High-Rise Intensity; (ii) a rezoning from Mixed-Use District 1 (MX-1) to Mixed-Use District (MX-3); (iii) Mixed-Use District (“MXD”) Site Plan Approval; (iv) vacation and abandonment of the existing 20-foot-wide alley that presently bisects the Property and runs from Catalonia Avenue to University Drive, as well as that portion of University Drive north of Malaga Avenue right-of-way and east of Ponce de Leon Boulevard right-of-way totaling approximately 1,318 sq. feet; (v) subdivision review for a tentative plat; (vi) transfer of development rights to the Property (“TDRs”),

including Historic Preservation Board approval as the Property is located within five hundred (500) feet of a local historic landmark; and (vii) approval of the encroachment of a porte-cochere into the right-of-way of Catalonia Avenue for a maximum depth of 10 feet and width of 28 feet, 8 inches.

The proposed mixed-use development will include significant public benefits, including:

- i. 22,712 sq. feet (+/-) of total landscape open space, of which 17,202 sq. feet (+/-) consist of the public realm improvements that will help transform a portion of University Drive right-of-way into a well-landscaped urban park;
- ii. Capital expenditures of approximately \$2 million to create the above-described urban park; and
- iii. A contribution of maintenance in perpetuity for the park and the public improvements adjoining the Property.

We also anticipate the identification of other public benefits the Applicants will commit to undertake as discussions advance with the City and area neighbors during the course of the review of this submittal.

In summary, the project will consist of 172,352 sq. ft. of F.A.R. comprised of 57 residential dwelling units (anticipated to be for-sale), 20,142 sq. feet of ground floor and mezzanine level retail, 204 below-grade parking spaces, and a height of 115'-8" to the building's roof (the "Project").

Comprehensive Plan Map Amendment

We respectfully submit this proposed amendment to the City's Comprehensive Plan map which we believe complies with the applicable standards set forth in Section 3-1506 of the City Zoning Code ("Code") as follows:

1. *Whether the request specifically advances any objective or policy of the Comprehensive Plan.*

The proposed amendment advances several objectives and policies of the Comprehensive Plan, including Objective FLU-1.1., which is to preserve Coral Gables as a "place maker" where the balance of existing and future uses is maintained to achieve a high quality living environment and Policy FLU 1.9.1, which is to encourage balanced mixed-use development in the central business district and adjoining commercial areas to promote pedestrian activity and provide for specific commitments to design excellence and long-term economic and cultural vitality.

The request will also help to advance Objective REC-1.1. and Policy REC-1.1.1. by creating an urban open space that will enhance the quality of life and increase the number of recreational opportunities for both the City's residents and visitors. The urban open space will preserve the aesthetic quality through lush specimen landscaping and thoughtfully designed hardscaping that will create a sense of place for the community to gather for passive recreation.

2. *Whether it is internally consistent with the Comprehensive Plan.*

The proposed amendment is internally consistent with the Comprehensive Plan, as indicated on the existing Comprehensive Plan Future Land Use Map. The properties directly to the south and east of the Property are both presently designated Commercial High-Rise Intensity, and the property directly to

the North of the Property is designated Commercial Mid-Rise Intensity. Accordingly, the Comprehensive Plan Future Land Use Map designation of the Property to Commercial High-Rise Intensity is consistent with the Comprehensive Plan.

3. *Its effect on the level of service of public infrastructure.*

The proposed amendment will improve the level of service of public infrastructure because it will facilitate the creation of new urban open space in the City and ensure that the City meets or exceeds all level of service standards and, in accordance with Policy CIE-1.2.1., by increasing the amount of urban open space within the required service radius. The Project will also place residents, retail customers, and restaurant patrons on the main route of the City trolley service, which connects the Douglas Metrorail Station with the City's Central Business District (the "CBD"). Finally, the Project is designed with both a pedestrian mid-block paseo that will enhance pedestrian activity by connecting Malaga Avenue and Catalonia via a well-designed, urban passage in contrast to the current alley condition.

4. *Its effect on environmental resources.*

The proposed amendment will have no negative effect on environmental resources and will include several environmentally friendly attributes and components. Among such features, the Project will: (i) be constructed to LEED standard or its equivalent; (ii) localize traffic access to the least traveled adjoining street – Catalonia Avenue; (iii) include bicycle racks to encourage alternate modes of transportation; (iv) feature electric charging stations to promote sustainability; (v) facilitate public transportation ridership via direct access to the City trolley service; and (vi) increase the amount of landscaped open space.

5. *Any other effect that the City determines is relevant to the City Commission's decision on the application.*

The proposed amendment is consistent with various goals, objectives and policies of the Future Land Use, Design, Housing, and Mobility Elements of the Comprehensive Plan and is appropriate considering recent developments in the surrounding area. Further, it will facilitate the development of the Project, which will advance the City's goals of providing public/open spaces that serve as gathering spaces in the downtown area, encouraging balanced mixed-use development in the City's commercial areas to promote pedestrian activity, and promoting high quality, creative design and site planning that is compatible with the City's architectural heritage and surrounding development, all while improving the vehicular and pedestrian safety on this corner.

District Boundary Change

Applicants respectfully submit this proposed district boundary change which we believe complies with the criteria set forth in Section 14-212.4 of the Code as follows:

1. *It is consistent with the Comprehensive Plan in that it:*

- a. *Does not permit uses which are prohibited in the future land use category of the parcel proposed for development.*

The requested boundary change only minimally expands the scope of permitted or conditional uses otherwise authorized pursuant to an MX-1 designation. The designation requested is consistent with the

proposed uses permitted under the requested *Commercial High-Rise Intensity* designation sought as a companion to the MX-3 district boundary change request.

- b. Does not allow densities or intensities in excess of the densities and intensities which are permitted by the future land use category of the parcel proposed for development.*

The requested district boundary change to MX-3 is consistent with both the Property's existing future land use designation and its requested future designation in that both FLUM designations permit development at a density of 125 Dwelling Units (DUs) per acre and a Floor Area Ratio (FAR) of 3.0.

- c. Does not directly conflict with any objective or policy of the Comprehensive Plan.*

To the best of the undersigned's knowledge, the requested zoning district boundary change is consistent with the current and requested FLUM designations.

- 2. *Will provide a benefit to the City in that it will achieve two or more of the following objectives:*

- a. Improve mobility by reducing vehicle miles traveled for residents within a one-half (1/2) mile radius by:*

- i. Balancing land uses in a manner that reduces vehicle miles traveled.*
- ii. Creating a mix of uses that creates an internal trip capture rate of greater than twenty percent (20%).*
- iii. Increasing the share of trips that use alternate modes of transportation, such as transit ridership, walking, or bicycle riding.*

- b. Promote high-density development or redevelopment in an area that is experiencing declining or flat property values.*

- c. Create affordable housing opportunities for people who live or work in the City of Coral Gables.*

- d. Implement specific objectives and policies of the Comprehensive Plan.*

The requested district boundary change satisfies this standard in that it will both: (i) reduce vehicle miles traveled for residents within ½ mile radius of the Property balancing land uses in a manner that reduces vehicle miles traveled and increasing the share of trips that use alternate modes of transportation; and (ii) implements specific objectives and policies of the Comprehensive Plan, specifically Policy FLU-1.9.1 and Policy FLU-3.2.1.

The co-location of for-sale, residential apartment homes near the commercial business district will provide a much-needed category of housing for families, including empty nesters, who wish to live amidst the amenities offered within the central business district. These high-end apartment homes are in-high demand and in short supply and through their co-location near and among the adjoining office, commercial and retail uses will substantially reduce vehicle miles generated by unit owners who will have immediate access to variety of transit (like the Coral Gables trolley) and micro-mobility solutions (like Freebie and ride sharing services) at their doorstep.

Further, the proposed project will provide for balanced mixed-use development adjoining the central business district that will promote pedestrian activity. Specifically, the proposed project incorporates a well-designed and activated colonnade and paseo which allow for pedestrian connectivity across the site. The substantial improvements to the pedestrian realm coupled with the improvements to the adjoining public plaza at Ponce de Leon Boulevard and University Drive will create/reinforce an axis of pedestrian activity between the project, Ponce Circle Park and the Plaza. Finally, the recasting of the project following its setbacks in front of the City Commission in September of 2022 has resulted in ample dialogue between the project sponsors and neighboring residents that have resulted in a dramatically revised proposal that reflects an architectural aesthetic and scale more acceptable to the community.

3. *Will not cause a substantial diminution of the market value of adjacent property or materially diminish the suitability of adjacent property for its existing or approved use.*

The project is being conceptualized as a boutique (57 dwelling unit) condominium building comprised of essentially apartment homes with an average unit size of 2,400 square feet. These units represent an alternative to ownership of a neighboring single-family home in neighborhoods south of University Drive with all the comforts and amenities of such homes and the benefits of shared ownership (i.e. substantial amenities and the benefits of shared amenity maintenance). We anticipate that the project's sales prices will further bolster the market values of adjacent single-family homes.

MXD Site Plan

Applicants present the proposed mixed-use site plan which complies with the applicable conditional use criteria set forth in Section 3-408 of the Code as follows:

A. *The proposed conditional use is consistent with and furthers the goals, policies and objectives of the Comprehensive Plan and furthers the purposes of these regulations and other City ordinances and actions designed to implement the Plan.*

The Project is consistent with and furthers the following goals, policies, and objectives of the Comprehensive Plan:

Goal FLU-1. Protect, strengthen and enhance the City of Coral Gables as a vibrant community ensuring that its neighborhoods, business opportunities, shopping, employment centers, cultural activities, historic value, desirable housing, open spaces, and natural resources make the City a very desirable place to work, live and play.

The Project will help to protect, strengthen, and enhance the City as a vibrant community and make the City a desirable place to work, live and play. The Project further incorporates these three aspects by including a mix of residential and retail. Finally, lush specimen landscaping interspersed with welcoming pedestrian hardscapes that create a sense of place for the community to gather for passive recreation will enhance the aesthetic quality of the area and will replace an area that is currently covered with pavement.

Objective FLU-1.9. Encourage sound innovation in the development standards of the City's Zoning Code which provides a continuing process to respond to community needs.

The Project includes the proposed abandonment and vacation of both the 20-foot-wide alley that presently bisects the Property and upon a portion of University Drive. The requested vacation and

proposed dedications will allow the City to respond to the community's need for more urban space within the City's commercial area. It is important to note that the Applicants will assume the responsibility and cost of creating and maintaining these open spaces. Instead of a service alley, the Project will provide a mid-block paseo that will be pleasing for pedestrians to utilize.

Policy FLU-1.9.1. Encourage balanced mixed-use development in the central business district and adjoining commercial areas to promote pedestrian activity and provide for specific commitments to design excellence and long-term economic and cultural vitality.

The Project will represent a true mixed-use development in the commercial area just outside the boundary of the central commercial district. It will be pedestrian oriented with a mid-block paseo that will run from north to south through the Project. As noted above, the Project will also provide a significant amount of open space. Further, the Project is located on the major transit corridor of Ponce de Leon Boulevard which connects to Coral Gables Trolley transporting visitors and residents from Miracle Mile to the Douglas Metrorail Station.

Goal DES-1. Maintain the City as a livable city, attractive in its setting and dynamic in its urban character.

The Project will not only maintain the City as a livable city, but will make it even more livable, attractive in its setting through its architecture, attractive to luxury buyers in search of a boutique building with large-format units, and dynamic in its urban character by turning an underutilized site into a best in class, mixed-use development within the City's urban core.

Objective DES-1.1. Preserve and promote high-quality, creative design and site planning that is compatible with the City's architectural heritage, surrounding development, public spaces and open spaces.

The Project will feature high-quality, creative design and site planning that is compatible with and reflective of the City's rich classic Mediterranean architectural heritage, surrounding development, public spaces, and open spaces all in compliance with the Coral Gables Mediterranean style design standards. The Project will also feature vertical step backs and planter breaks, vertical breaks, and a covered arcade public open space, in addition to a significant amount of landscaped open space.

Policy DES-1.1.1. Promote and support George Merrick's vision consistent with the established historic and cultural fabric of the City.

The Project has been redesigned in a manner that is consistent with George Merrick's vision and that takes the best elements of the classic Mediterranean architecture that embodies the historic and cultural fabric of the City. The Project draws inspirations from some of the City's most iconic buildings, including City Hall, with similar features, including rotunda parti, cantilevered capital, and a vaulted/coffered arcade. The Project will also feature a natural stone façade inspired by the limestone featured on many of the City's historic sites and has been designed to provide for architectural elements focused to a pedestrian scale.

B. *The proposed use is compatible with the nature, condition and development of adjacent uses, buildings and structures and will not adversely affect the adjacent uses, buildings or structures.*

The Project is compatible with the nature, condition, and development of adjacent uses, buildings, and structures in scale and size in its immediate vicinity. The Project is designed in a classic Mediterranean style with street-level amenities that create a sense of place and ensure the functionality of the public and private components of the Project. Furthermore, the proposed uses are complementary in nature to the existing adjacent uses and will help to create a truly mixed-use urban environment.

C. The parcel proposed for development is adequate in size and shape to accommodate all development features.

The size and shape of the Property are adequate to accommodate the Project's development features. The modifications proposed to the Project in this current submittal render it further consistent with this criterion. Its redesign has been carefully curated to continue the Merrick legacy and respect the traditional Mediterranean design elements that embody Coral Gables architecture. Additionally, the sweeping design and pedestrian arcade along the Project's eastern side mimics the original design of the Property's underlying plat.

D. The nature of the proposed development is not detrimental to the health, safety and general welfare of the community.

The Project will serve as a model for future development in the City's urban core given its thoughtful design and moderated density. The Project's ground floor creates an urban condition that will both induce and support pedestrian activity through a lushly landscaped and designed public realm suitable for public gatherings and relaxation. The Project embodies the execution of the MXD regulation's goal of allowing for higher residential densities in exchange for public realm improvements. It will also serve to alleviate the hazardous condition of the intersection as currently designed by improving pedestrian safety.

E. The design of the proposed driveways, circulation patterns and parking is well defined to promote vehicular and pedestrian circulation.

The Project has been designed in a manner that promotes vehicular and pedestrian circulation with separate entrance for the parking garage and a midblock pedestrian paseo connecting Catalonia Avenue and Malaga Avenue to increase walkability and avoid traffic congestion.

F. The proposed conditional use satisfies the concurrency standards of Article 3, Division 13 and will not adversely burden public facilities, including the traffic-carrying capacities of streets, in an unreasonable and disproportionate manner.

While not traffic report is required for a project of this size, the Project's previously submitted traffic report, with substantially more density than currently proposed, noted that the Project satisfied all the applicable concurrency standards and will not adversely burden public facilities.

Abandonment, Vacation & Dedication

Applicants request the abandonment and vacation of: (i) the 20-foot-wide alley and portion of University Drive totaling 1,318 sq. feet. Applicants also propose to dedicate portions of University Drive and Malaga Avenue totaling 1,725 sq. feet. We submit that the proposed vacation and abandonment complies with the applicable standards set forth in Section 3-1203 of the Zoning Code as follows:

A. *The non-fee property interest sought to be abandoned:*

1. *Does not provide a benefit to the public health, safety, welfare, or convenience in that:*

- a. *It is not being used by the City for any of its intended purposes.*

The subject alley had been used to hide more utilitarian, less attractive functions of urban life, including service access, garbage removal service, and the location of electric and telecommunications infrastructure. With the integrated development of the properties on either side of the existing alley, its utility is eliminated as such elements (i.e. service access, garbage removal and the like) are internalized within the footprint of the site. The alleys abandonment and replacement with a pedestrian paseo enhances the future utilization of such an area for the one remaining use not otherwise internalized within the Project: pedestrian circulation.

Regarding the portion of University Drive to be vacated, the proposed condition that would result if the Project is approved as designed would significantly enhance the safety of the intersection of University Drive and Ponce de Leon Boulevard for both vehicles and pedestrians. In addition, the vacation of the requested portion of University Drive will also increase the amount of landscaped open space and improve the condition of the pedestrian realm at the sole expense of the Applicants consistent with the City's original design plan.

- b. *The Comprehensive Plan, special purpose plan, or capital improvement program does not anticipate its use; or*

The historic use of the subject alley has been for the near exclusive benefit of the adjoining properties. There is no plan or program of the City to improve the alley to use it or the portion of University Drive which is the subject of the vacation request. Rather, one of the stated policies of the Comprehensive Plan is to increase the amount of urban space available to the City's residents. Such sites serve to preserve the aesthetic quality of an area and to intersperse urban environments with landscaped buffer areas. Converting the existing portion of University Drive into a portion of a larger urban streetscape is consistent with and furthers the goal of the Comprehensive Plan by providing a public open space that serves as a gathering place in the downtown area.

2. *Provides some benefit to the public health, safety, welfare, or convenience, but the overall benefit anticipated to result from abandonment outweighs the specific benefit derived from the non-fee property interest, in that:*

- a. *The vacation or abandonment will not frustrate any comprehensive plan, special purpose plan, or capital improvement program of the City;*

As mentioned above, not only will the vacation and abandonment of both the alley and a portion of University Drive not frustrate any comprehensive plan, special purpose plan, or capital improvement program of the City, but it will be more consistent with such plans and programs.

- b. *The vacation or abandonment will not interfere with any planning effort of the City that is underway at the time of the application but is not yet completed.*

To the best of the Applicants' knowledge, the vacation and abandonment of both the alley and the portion of University Drive will not interfere with any planning effort of the City that is presently underway but not yet completed.

- B. *The vacation or abandonment will provide a material public benefit in terms of promoting the desired development and improves the City's long-term fiscal condition and the applicant provides beneficial mitigation in the form of a proffered mitigation plan which mitigates the loss of real property, the increase in intensity of use and/or impacts on the public health, safety and welfare including increased parking and traffic.*

As described above, the requested vacations and abandonments (along with the proposed dedications by the Applicants) will provide a material public benefit to the City by increasing the amount of urban open space and improving pedestrian and vehicular safety immediately around the Project at no cost to the City. The Applicants will also maintain the open space and will provide any necessary mitigation above and beyond that which is already contemplated. The alley will be replaced with a mid-block paseo, which will internalize vehicular traffic, improve traffic flow, and improve pedestrian movement, and the portion of University Drive to be vacated will be replaced with a vast landscaped open space and much improved condition for both vehicular and pedestrian traffic at the intersection.

Ultimately, in exchange for the vacation of 1,318 sq. feet +/- of University Drive, the Applicant will dedicate a total of 1,725 sq. feet +/- and expend approximately \$2 million to create 27,649 sq. feet of total landscape open space. Accordingly, the proposed vacations will deliver significant public benefits and have positive impacts on the public health, safety, and welfare of the City. Applicants will maintain the slip lane, but it will be repaved in a manner that will reduce the speed of oncoming cars thereby enhancing pedestrian safety.

Transfer of Development Rights

The TDRs that the Applicants are seeking to utilize for the Project were created as the result of the Dispute Resolution Agreement entered into between Mundomed, S.A., South High Cliff Corp., and the City, dated May 2, 2017, recorded in Official Records Book 30586, at Page 3354, in the Public Records of Miami-Dade County, Florida. The Agreement did not involve a local historic landmark or a contributing property within a local historic district, thus no sending site review is required, as confirmed by City staff. Rather, the Agreement involved certain real property which the City rezoned to a less intensive use.

Pursuant to the Agreement, the owner of the property agreed not to oppose or challenge the rezoning in exchange for 50,000 sq. feet of TDRs which may be transferred to and utilized in any Commercial zoned areas of the City which do not abut and are not adjacent to either (i) South Dixie Highway or (ii) properties zoned Single Family Residential (SFR). Pursuant to the Agreement, the filing of the TDR application is subject to approval by the City Commission. At its meeting on Tuesday, August 27, 2019, the City Commission granted initial approval to file an application to receive TDRs on the Property for the Project. It is important to note that only 23,455 sq. feet of the 50,000 sq. feet of TDRs available pursuant to the Agreement are requested to be transferred.

Right-of-Way Encroachment

Consistent with the requirements of Section 4-108, City Zoning Code, Applicant is seeking approval of the encroachment of a porte cochere into the right-of-way of Catalonia Avenue for a depth of 10 feet and a width of 28 feet, 8 inches. The requested encroachment will serve to provide residents,

customers and pedestrians protection from the elements when arriving at the project by vehicle or foot at the north end of the proposed paseo. The Applicant will assume responsibility for all maintenance of the encroachment, payment of any applicable taxes and provision of any liability insurance required by the City.

Thank you for your assistance with this submittal. We look forward to working with the City and earning its approval for this most recent revision to the Project. Should you have any questions regarding this submittal or require additional information, please do not hesitate to contact me at (305) 761-2274 or via e-mail at jfernandez@smgqlaw.com.

Re: 216 Catalonia Avenue, legally described as Lots 10 & 11, Block 29, Coral Gables Crafts Section according to the plat thereof as recorded in Plat Book 10 Page 40 of the public records of Miami-Dade County, Florida

Dear Property Owners:

Section 3-1107(g) of the Coral Gables Zoning Code states that "All demolition permits for non-designated buildings and/or structures must be approved by the Historic Preservation Officer or designee. The approval is valid for eighteen (18) months from issuance and shall thereafter expire and the approval is deemed void unless the demolition permit has been issued by the Development Services Department. The Historic Preservation Officer may require review by the Historic Preservation Board if the building and/or structure to be demolished is eligible for designation as a local historic landmark or as a contributing building, structure or property within an existing local historic landmark district. This determination of eligibility is preliminary in nature and the final public hearing before the Historic Preservation Board on Local Historic Designation shall be within sixty (60) days from the Historic Preservation Officer determination of "eligibility." Consideration by the Board may be deferred by mutual agreement by the property owner and the Historic Preservation Officer. The Historic Preservation Officer may require the filing of a written application on the forms prepared by the Department and may request additional background information to assist the Board in its consideration of eligibility. Independent analysis by a consultant selected by the City may be required to assist in the review of the application. All fees associated with the analysis shall be the responsibility of the applicant. The types of reviews that could be conducted may include but are not limited to the following: property appraisals; archeological assessments; and historic assessments."

Therefore, please be advised that after careful research and study of our records and the information you presented the following information has been determined:

216 Catalonia Avenue, legally described as Lots 10 & 11, Block 29, Coral Gables Crafts Section according to the plat thereof as recorded in Plat Book 10 Page 40 of the public records of Miami-Dade County, Florida, does not meet the minimum eligibility criteria for designation as a local historic landmark. Therefore, the Historical Resources staff will not require review by the Historic Preservation Board if an application is made for a demolition permit.

Please note that, pursuant to Section 2-705(b)(15) of the Coral Gables Zoning Code, this determination does not constitute a development order and is valid for a period of eighteen (18) months. In the case where the Historic Preservation Officer or designee determines that the property does not meet the minimum eligibility criteria for designation, a permit for the demolition of the property must be issued within the eighteen-month period.

Upon expiration of the eighteen-month period, you will be required to file a new application. Any change from the foregoing may be made upon a demonstration of a change in the material facts upon which this determination was made.

If you have any further questions concerning this matter, please do not hesitate to contact this office.

Grantor, for the consideration stated and subject to any reservations from and exceptions to conveyance and warranty stated herein, grants, sells and conveys to Grantee the Property, any and all improvements located thereon and affixed thereto, together with all and singular the rights and appurtenances thereto in any wise belonging, to have and hold the Property unto Grantee, Grantee's successors and assigns forever, subject to (a) the Permitted Encumbrances, as hereinafter defined, and (b) the exceptions, limitations and conditions herein set forth. Grantor binds Grantor and Grantor's successors and assigns to warrant and forever defend the title to the Property to Grantee and Grantee's heirs, executors, administrators, successors and assigns against every person whomsoever lawfully claiming or to claim the same or any part thereof, except as to any reservations from and exceptions to conveyance and warranty herein, when and only when the claim is by, through, or under Grantor but not otherwise.

Except for the limited covenant of warranty stated immediately above, the Property is conveyed: (a) without covenant, representation, or warranty of any kind or nature, express or implied, and (b) subject to the following matters (such matters hereinafter referred to individually and collectively as "Permitted Encumbrances"): (1) easements, rights of way, and prescriptive rights, whether of record or not; licenses and leases, whether written or oral, recorded or unrecorded; all presently recorded restrictions, reservations, covenants, conditions, oil and gas leases, mineral severances; liens, conveyances, and other instruments affecting the Property that have not been created, or do not arise, by, through, or under Grantor; rights of co-owners and co-tenants; rights of adjoining owners in any walls and fences situated on a common boundary; discrepancies, conflicts, and shortages in area or boundary lines; any encroachments or protrusions, or overlapping of improvements; any condition, right, claim, or other matter which would be revealed by a current survey of the Property or which could be discovered by an inspection of the Property; all rights, obligations and other matters emanating from and existing by reason of the creation, establishment, maintenance, and operation of any County Water Improvement District, Municipal Utility District, or similar governmental or quasi-governmental agency; taxes and assessments of whatever kind, type, or nature, assessed, levied, due, or payable for the year or period during which this conveyance takes place and for any subsequent year or period, the payment of which Grantee assumes; taxes, penalties, and assessments for the year in which this conveyance takes place and prior years due to change in land usage, ownership, or omission and/or mistake of assessment, the payment of which Grantee assumes; (2) existing building and zoning ordinances, land use laws and regulations, and environmental regulations; and (3) rights of parties in possession.

BY ACCEPTANCE OF THIS DEED, GRANTEE ACKNOWLEDGES THAT GRANTOR HAS NOT MADE AND DOES NOT MAKE ANY REPRESENTATIONS AS TO THE PHYSICAL CONDITION OF THE PROPERTY, OR ANY OTHER MATTER AFFECTING OR RELATED TO THE PROPERTY (OTHER THAN WARRANTIES OF TITLE AS PROVIDED AND LIMITED HEREIN). GRANTEE EXPRESSLY AGREES THAT TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE PROPERTY IS CONVEYED "AS IS" AND "WITH ALL FAULTS", AND GRANTOR EXPRESSLY DISCLAIMS, AND GRANTEE ACKNOWLEDGES AND ACCEPTS THAT GRANTOR HAS DISCLAIMED, ANY AND ALL REPRESENTATIONS, WARRANTIES OR GUARANTIES OF ANY KIND, ORAL OR WRITTEN, EXPRESS OR IMPLIED (EXCEPT AS TO TITLE AS HEREIN PROVIDED AND LIMITED) CONCERNING THE PROPERTY, INCLUDING, WITHOUT LIMITATION, (i) THE VALUE, CONDITION, MERCHANTABILITY, HABITABILITY, MARKETABILITY, PROFITABILITY, SUITABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE, OF THE PROPERTY, (ii) THE MANNER OR QUALITY OF THE CONSTRUCTION, OR THE MATERIALS, IF ANY, INCORPORATED INTO THE CONSTRUCTION, OF ANY IMPROVEMENTS TO THE PROPERTY, (iii) THE MANNER OF REPAIR, QUALITY OF REPAIR, STATE OF REPAIR OR LACK OF REPAIR OF ANY SUCH IMPROVEMENTS, AND (iv) ACCESS. GRANTEE HAS MADE ALL INSPECTIONS OF THE PROPERTY TO DETERMINE ITS VALUE AND CONDITION DEEMED NECESSARY OR APPROPRIATE BY GRANTEE. GRANTEE ACKNOWLEDGES THAT GRANTEE IS NOT RELYING ON ANY INFORMATION PROVIDED BY GRANTOR IN DETERMINING THE PROPERTY CONDITION. BY ACCEPTANCE OF THIS DEED, GRANTEE SPECIFICALLY ASSUMES ALL RISK, COSTS AND LIABILITIES OF WHATEVER NATURE ARISING OUT OF THE CONDITION OF THE PROPERTY.

debtor(s), and to endorse receipt of such payment upon the records in any appropriate public office;

(3) Receive, collect and give all proper acquittance for any other sums of money owing to the FDIC for any Acquired Asset which the attorney-in-fact may sell or dispose of;

(4) Execute any and all transfers and assignments as may be necessary to assign any securities or other choses in action;

(5) Sign, seal, acknowledge and deliver any and all agreements, easements, or conveyances as shall be deemed necessary or proper by the FDIC attorney-in-fact in the care and management of the Acquired Assets;

(6) Sign, seal, acknowledge and deliver indemnity agreements and surety bonds in the name of and on behalf of the FDIC;

(7) Sign receipts for the payment of all rents and profits due or to become due on the Acquired Assets;

(8) Execute, acknowledge and deliver deeds of real property in the name of the FDIC;

(9) Extend, postpone, release and satisfy or take such other action regarding any mortgage lien held in the name of the FDIC;

(10) Execute, acknowledge and deliver in the name of the FDIC a power of attorney wherever necessary or required by law to any attorney employed by the FDIC;

(11) Foreclose any mortgage or other lien on either real or personal property, wherever located;

(12) Do and perform every act necessary for the use, liquidation or collection of the Acquired Assets held in the name of the FDIC;

(13) Sign, seal, acknowledge and deliver any and all documents as may be necessary to settle any action(s) or claim(s) asserted against the FDIC, either in its Receivership or Corporate capacity, or as Manager of the FSLIC Resolution Fund.

This Power of Attorney shall be effective August 19, 2009, and shall continue in full force and effect through August 18, 2011, unless otherwise terminated by any official of the FDIC authorized to do so by the Board of Directors of the FDIC.

THIS CORRECTIVE SPECIAL WARRANTY DEED, is made and entered into as of this 25th day of Oct., 2011, by FEDERAL DEPOSIT INSURANCE CORPORATION as Receiver for Turnberry Bank, a Federal Savings Bank, (the "Grantor"), whose address is c/o Quantum Partners, 4801 Woodway, Ste. 210W, Houston, TX 77056, and having been appointed Receiver by the Department of the Treasury under Order No. 2010-43, a copy of which is hereby attached as Exhibit "A", accepted the appointment of Receiver in letter attached as Exhibit "B", and acting by and through its attorney-in-fact as designated in the Limited Power of Attorney attached as Exhibit "C" and incorporated herein by this reference; to and in favor of RC Acquisitions, LLC, a Delaware limited liability company, (the "Grantee"), whose address is 1201 W. Peachtree Street, Atlanta, GA 30309.

WITNESSETH:

THAT, for and in consideration of the sum of Ten and No/100 Dollars (\$10.00) and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged by the Grantor, the Grantor hereby grants, bargains, sells, aliens, remises, releases, conveys and confirms unto the Grantee all that certain land situate in Miami-Dade County, Florida and more particularly described as follows;

LOTS 12 AND 13, IN BLOCK 29, OF CORAL GABLES CRAFTS SECTION, ACCORDING TO THE PLAT THEREOF AS RECORDED IN PLAT BOOK 10, OF PAGE 40, OF THE PUBLIC RECORDS OF MIAMI-DADE COUNTY, FLORIDA.

TOGETHER with all of the tenements, hereditaments and appurtenances thereto belonging or in anywise appertaining.

TO HAVE AND TO HOLD the same in fee simple forever.

Whereas, the subject Property hereinabove described was acquired by Grantor by that certain Statutory Warranty Deed Recorded on June 28, 2000 in Book 19173 at Page 234 of the Official Public Records of Real Property for Miami-Dade County, State of Florida.

Grantor, for the consideration stated and subject to any reservations from and exceptions to conveyance and warranty stated herein, grants, sells and conveys to Grantee the Property, any and all improvements located thereon and affixed thereto, together with all and singular the rights and appurtenances thereto in any wise belonging, to have and hold the Property unto Grantee, Grantee's successors and assigns forever, subject to (a) the Permitted Encumbrances, as hereinafter defined, and (b) the exceptions, limitations and conditions herein set forth. Grantor binds Grantor and Grantor's successors and assigns to warrant and forever defend the title to the Property to Grantee and Grantee's heirs, executors, administrators, successors and assigns against every person whomsoever lawfully claiming or to claim the same or any part thereof, except as to any reservations from and exceptions to conveyance and warranty herein, when and only when the claim is by, through, or under Grantor but not otherwise.

Except for the limited covenant of warranty stated immediately above, the Property is conveyed: (a) without covenant, representation, or warranty of any kind or nature, express or implied, and (b) subject to the following matters (such matters hereinafter referred to individually and collectively as "Permitted Encumbrances"): (1) easements, rights of way, and prescriptive rights, whether of record or not; licenses and leases, whether written or oral, recorded or unrecorded; all presently recorded restrictions, reservations, covenants, conditions, oil and gas leases, mineral severances; liens, conveyances, and other instruments affecting the Property that have not been created, or do not arise, by, through, or under Grantor; rights of co-owners and co-tenants; rights of adjoining owners in any walls and fences situated on a common boundary; discrepancies, conflicts, and shortages in area or boundary lines; any encroachments or protrusions, or overlapping of improvements; any condition, right, claim, or other matter which would be revealed by a current survey of the Property or which could be discovered by an inspection of the Property; all rights, obligations and other matters emanating from and existing by reason of the creation, establishment, maintenance, and operation of any County Water Improvement District, Municipal Utility District, or similar governmental or quasi-governmental agency; taxes and assessments of whatever kind, type, or nature, assessed, levied, due, or payable for the year or period during which this conveyance takes place and for any subsequent year or period, the payment of which Grantee assumes; taxes, penalties, and assessments for the year in which this conveyance takes place and prior years due to change in land usage, ownership, or omission and/or mistake of assessment, the payment of which Grantee assumes; (2) existing building and zoning ordinances, land use laws and regulations, and environmental regulations; and (3) rights of parties in possession.

BY ACCEPTANCE OF THIS DEED, GRANTEE ACKNOWLEDGES THAT GRANTOR HAS NOT MADE AND DOES NOT MAKE ANY REPRESENTATIONS AS TO THE PHYSICAL CONDITION OF THE PROPERTY, OR ANY OTHER MATTER AFFECTING OR RELATED TO THE PROPERTY (OTHER THAN WARRANTIES OF TITLE AS PROVIDED AND LIMITED HEREIN). GRANTEE EXPRESSLY AGREES THAT TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE PROPERTY IS CONVEYED "AS IS" AND "WITH ALL FAULTS", AND GRANTOR EXPRESSLY DISCLAIMS, AND GRANTEE ACKNOWLEDGES AND ACCEPTS THAT GRANTOR HAS DISCLAIMED, ANY AND ALL REPRESENTATIONS, WARRANTIES OR GUARANTIES OF ANY KIND, ORAL OR WRITTEN, EXPRESS OR IMPLIED (EXCEPT AS TO TITLE AS HEREIN PROVIDED AND LIMITED) CONCERNING THE PROPERTY, INCLUDING, WITHOUT LIMITATION, (i) THE VALUE, CONDITION, MERCHANTABILITY, HABITABILITY, MARKETABILITY, PROFITABILITY, SUITABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE, OF THE PROPERTY, (ii) THE MANNER OR QUALITY OF THE CONSTRUCTION, OR THE MATERIALS, IF ANY, INCORPORATED INTO THE CONSTRUCTION, OF ANY IMPROVEMENTS TO THE PROPERTY, (iii) THE MANNER OF REPAIR, QUALITY OF REPAIR, STATE OF REPAIR OR LACK OF REPAIR OF ANY SUCH IMPROVEMENTS, AND (iv) ACCESS. GRANTEE HAS MADE ALL INSPECTIONS OF THE PROPERTY TO DETERMINE ITS VALUE AND CONDITION DEEMED NECESSARY OR APPROPRIATE BY GRANTEE. GRANTEE ACKNOWLEDGES THAT GRANTEE IS NOT RELYING ON ANY INFORMATION PROVIDED BY GRANTOR IN DETERMINING THE PROPERTY CONDITION. DISPUTE RESOLUTION AGREEMENT

This Dispute Resolution Agreement (hereinafter, the "Agreement"), is made and entered into by and among MUNDOMED S.A., a Dominican Republic corporation, and SOUTH HIGH CLIFF CORP., a Panama corporation (collectively, hereinafter the "Owners") and the CITY OF CORAL GABLES, a Florida municipality (hereinafter the "City) (collectively, the "Parties").

WITNESSETH:

WHEREAS, the Owners own certain real property identified by Miami-Dade County Property Tax Folio Identification Nos. 03-5107-001-0040 and 03-5107-001-0030, legally described as:

Lot 3 of Avocado Land Co. according to the plat thereof recorded at Plat Book 2, Page 44, in the Public Records of Miami-Dade County, Florida (hereinafter the "Property");
and

WHEREAS, the Property is currently zoned as Single-Family Residential District pursuant to the City of Coral Gables Zoning Map; and

WHEREAS, the City intends to change the Property's zoning district to Preservation District; and

WHEREAS, Article 3, Division 17 of the City of Coral Gables Zoning Code ("Division 17") entitled, "Protection of Landowners' Rights; Relief from Inordinate Burdens," is intended to protect landowners' rights and provide relief from inordinate burdens; and

WHEREAS, pursuant to Section 3-1702(B) of the City of Coral Gables Zoning Code, City Staff may initiate this procedure and file an application at any time in order to settle a pending dispute or litigation; and

WHEREAS, pursuant to Section 3-1701 of the City of Coral Gables Zoning Code, the City may agree to a settlement to mitigate the burden where a party to a settlement agrees in the settlement to bear a disproportionate burden of a government use that benefits the public; and

WHEREAS, pursuant to Section 3-1703(A) of the City of Coral Gables Zoning Code, if the City demonstrates that a settlement would avoid, mitigate, or remedy an unfair, disproportionate, or inordinate burden to a property owner, the City Commission may grant appropriate relief; and

WHEREAS, pursuant to Section 3-1703(B) of the city of Coral Gables Zoning Code, the decision to grant such relief rests in the sound discretion of the City Commission in the exercise of its inherent sovereign powers to settle legitimate disputes; and

WHEREAS, pursuant to Section 3-1703(B) of the City of Coral Gables Zoning Code, the City's policy is to fashion a proposal for resolving a dispute based on a considered balance of the following factors: (1) the degree of burden suffered by the applicant or property owners; (2) the nature and significance of the public interest that is served by the application of the regulation to the property; and (3) the likelihood of litigation, and its likely cost, the City's potential exposure, the uncertainty of the outcome, the timetable for resolving disputes, and whether there is a perceived need for a judicial determination of the issues raised by the application; and

WHEREAS, pursuant to Section 3-1703(B) of the City of Coral Gables Zoning Code, all relief granted pursuant to Division 17 is conditioned upon the execution of a release of all claims that may arise from or relate to the application of the land development regulations that allegedly created the unfair, disproportionate or inordinate burden; and

WHEREAS, the Bert J. Harris, Jr. Private Property Protection Act (the "Bert J. Harris Act") as codified in Section 70.001 of the Florida Statutes defines the term "inordinately burden" to include the use of real property such that the property owner is unable to obtain reasonable, investment-backed expectations for the use of the subject property; and

WHEREAS, Owners allege that the City's rezoning of the Property from Single-Family Residential District to Preservation District would disproportionately and inordinately burden the Owners' property rights in violation of Division 17 of the City of Coral Gables Zoning Code and the Bert J. Harris Act as codified in Section 70.001 of the Florida Statutes; and

WHEREAS, Owners have agreed, as part of the settlement, to not oppose or challenge the rezoning of the Property to the Special Use or Preservation District designation and to convey the Property to the City for use as open space and preservation area, which is of substantial public benefit, and which results in a limitation to development on the property, which is also resolved as part of this settlement; and

WHEREAS, the City Commission finds sufficient evidence in the record to justify a settlement pursuant to Division 17 of the City of Coral Gables Zoning Code and the Bert J. Harris Act as codified in Section 70.001 of the Florida Statutes; and

WHEREAS, pursuant to Division 17 of the City of Coral Gables Zoning Code and the Bert J. Harris Act as codified in Section 70.001 of the Florida Statutes, the Parties wish to enter into a dispute resolution agreement; and

WHEREAS, on March 28, 2017, the City Commission reviewed and approved this Agreement in this substantial form, after public hearing, pursuant to Section 3-1705 of the City of Coral Gables Zoning Code; and

WHEREAS, the Parties have reached an agreement as to their dispute and they desire to fully and finally resolve any and all claims against each other and their respective agents, employees, officers, elected and appointed officials, independent contractors, and representatives concerning, relating to, or in any way arising out of their dispute, and entered into this Agreement to completely settle and depose of all claims or disputes of whatever kind or nature, including, but not limited to, the Bert J. Harris Act claim, any takings or property rights claim, any petitions for certiorari, or any other matter regarding the subject matter of this Agreement whether actually asserted by Owners, or as may have been asserted, whether known or unknown, against the City; and

WHEREAS, this Agreement between the Parties shall fully resolve all of Owners' claims pursuant to Division 17 of the City of Coral Gables Zoning Code and the Bert J. Harris Act as codified in Section 70.001 of the Florida Statutes, which were, or could have been noticed, plead, or initiated, and any other matters described and/or defined herein.

NOW, THEREFORE, in consideration of the mutual promises contained herein, it is agreed between the Parties as follows:

1. The foregoing recitals are true and correct and incorporated herein as if fully set forth.
2. The Parties and all signatories hereto represent and warrant that they have full authorization and legal authority to establish the legally binding rights, obligations, and duties as expressed herein or contemplated hereby.
3. Owners hereby agree not to oppose or challenge the rezoning of the Property from Single Family Residential to Preservation District or Special Use or the redesignation of the Property on the Comprehensive Plan Land Use Map from Residential Single-Family Low Density to Parks and Recreation, Open Space, or Conservation Areas.
4. The City hereby agrees, pursuant to Section 3-1703(A)(2) of the Zoning Code, that Owners are entitled to 50,000 square feet of transferable development rights ("TDRs"), which may be transferred to and utilized in either the Central Business District or the North Ponce Mixed Use Corridor pursuant to and subject to the TDR process and approval criteria provided for in Division 10 of Article 3 of the Zoning Code. The TDRs may also be utilized in other Commercial and Industrial Zoned areas of the City, which do not abut and are not adjacent to either (i) South Dixie Highway or (ii) properties zoned SFR (Single Family Residential), with the filing of the TDR application being subject to the absolute discretion of the City Commission. Upon the approval of the filing of such TDR application, the City Commission shall utilize utilizing the process and criteria set forth in Division 10 of Article 3 of the Zoning Code. Alternatively and subject to the TDR process and approval criteria provided for in Division 10 of Article 3 of the Zoning Code, the TDRs may be used to

transfer density units at a ratio of 1,000 square feet being equivalent to 1 density unit. Any floor area utilized to transfer density units shall be deducted from the 50,000 square feet of TDRs.

5. Owners shall convey the Property to the City of Coral Gables within 90 days of the approval of this Agreement. Said timeframe may be extended administratively by the City Manager at his/her discretion.
6. The Parties understand and agree that no Party admits liability of any sort by reason of the above incidents, acts, casualties, actions, events, representations, omissions, conduct, or interpretation.
7. As required by Section 3-1703(E) of the Coral Gables Zoning Code, Owners hereby release the City of Coral Gables, including its agents, employees, officers, elected and appointed officials, independent contractors, and representatives for any claims concerning, relating to, or in any way arising out of their dispute, including, but not limited to, the Bert J. Harris Act claim, any takings or property rights claim, any petition for certiorari, or any matter regarding the subject matter of this Agreement, whether actually asserted by Owners, or as may have been asserted, and whether known or unknown.
8. The Parties warrant and represent that they have not sold, assigned, transferred, conveyed, or otherwise disposed of any of the claims, demand, obligations, or causes of action referred to in this Agreement. Further, the Parties recognize that this matter is solely unique to the circumstances arising from any potential claims pursuant to the Bert J. Harris Act and/or Division 17 of the City of Coral Gables Zoning Code, and Owners may not assign, transfer, convey, or otherwise dispose of their obligations under this Agreement.
9. The Parties declare and represent that they were not induced to enter into this Agreement by any representations respecting the nature and extent of any damages, legal liability, or financial responsibility made by any Party or their representatives.
10. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
11. The Parties acknowledge that this Agreement constitutes the entire Agreement entered into by the Parties. The Parties further acknowledge that they have read it and understand it; that the terms and conditions of this Agreement were arrived at in arm's-length negotiations between the Parties with all Parties provided the opportunity to seek the advice of legal counsel; that each Party's legal counsel did or could have reviewed this Agreement; and that each of the Parties have given due and full consideration to the legal position of the other in regard to the provisions contained herein.

12. This Agreement sets forth the entire Agreement and understanding among the Parties relating in any way to the subject matter contained herein and merges all prior discussions between Owners and the City. This Agreement may be amended or modified by written instrument signed by both Parties.
13. As established in Section 3-1706 of the Coral Gables Zoning Code, this Agreement shall not become effective until the Agreement is executed by the City Manager, ratified by the City Commission, and executed by an authorized representative of the Owners.
14. Any notice required or permitted to be given under this Agreement shall be in writing and shall be deemed to have been given if delivered by hand, sent by a recognized courier (such as FedEx) or mailed by certified or registered mail, return receipt requested, in a postage prepaid envelope and addressed as follows:

15. This Agreement shall be construed, enforced, and interpreted in accordance with the laws of the State of Florida. In the event that an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if crafted jointly by each of the Parties hereto and no presumptions or burdens of proof shall arise favoring any party by virtue of the authorship of any of the provisions of the Agreement. The Parties jointly conclude that, should this Agreement be challenged by any of the

Parties, venue to bring such challenges shall be proper in Miami-Dade County, Florida.

16. The Parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the Parties intend to directly or substantially benefit a third party by this Agreement. The Parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the Parties based upon this Agreement. Nothing herein shall be construed as consent by either of the Parties to be sued by third parties in any manner arising out of this Agreement, or other obligations, whether known or unknown to the Parties.
17. For breach of any provision of this Agreement, the Parties shall provide notice, a reasonable time to cure, and will have such remedies and rights as are available at law or in equity.
18. The waiver by any Party of a breach of any provision of this Agreement by any other Party shall not operate or be interpreted as a waiver of any later breach of that provision or any other provision.
19. The Parties agree that if any provision of this Agreement is held to be invalid, illegal or unenforceable, either legislatively or judicially, that provision will be severed from the Agreement and the remainder of this Agreement shall not be effected thereby and will continue to be valid and enforceable to the fullest extent permitted by law, unless such determination of invalidity shall deprive any party of the substantial benefit of this bargain.
20. The term Owners shall include the Owners, their heirs, successors, and assigns.

WHEREFORE, on the effective date as established in paragraph 13 and Section 3-1706 of the Zoning Code, the Parties and signatories hereto acknowledge this Agreement and represent and warrant their authority to enter into this Agreement and do so jointly and severally for all purposes specified.

Re: Ponce Park Residences – 3000 Ponce de Leon Boulevard, et. al. - Neighborhood Meeting Summary – October 24, 2023

Dear Ms. Garcia:

On October 24, 2023, a neighborhood information meeting was held at 121 Alhambra Plaza to share information with the public about the above-caption project. Approximately 15 community members attended the meeting and were received by representatives of the applicant, the project architect and the undersigned counsel.

Attendees were generally familiar with the prior versions of the project. All reacted very positively to the new design and complemented the architecture. Neighbors were pleased to see a design that is more consistent with the traditional Coral Gables Mediterranean architectural style, featured a very elaborate and well-designed paseo and colonnade, and well-designed public improvements that retained the slip lane on University Drive consistent with the community's expressed preferences.

When discussing possible public contributions or benefits, neighbors expressed an interest in the following possible improvements: (i) improvements or a contribution to the planned improvements to Ponce Circle Park, including the possible construction of a bandshell in the park; (ii) construction of a possible dog park south of University Drive; and (iii) replication of the improvement made by the Plaza south of University Drive along the west side of Ponce de Leon Boulevard from Malaga Avenue to San Sebastian Avenue.

We believe this provides a fair summary of the evening's proceedings and feedback received from neighbors.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Javier E. Fernández', with a large, stylized flourish at the end.
