Damon Sachez

LANDSCAPE DESIGNER | FLORA MAINTENANCE PLAN DEVELOPMENT

Damon is a skilled landscape architectural designer and project manager with 12 years of experience working on award winning, functional, and timeless gardens with municipal clients and world-renowned consultants. He has observed the garden implementation of over 15 built landscapes through the formal construction administration process by way of bid analysis, RFI, shop drawing or submittals review and approval, site visits and field reports, and specimen plant selection and procurement.
