**ITEM TITLE:**

**Ordinance on First Reading.** An Ordinance of the City Commission of Coral Gables, Florida, providing for text amendments to the City of Coral Gables Official Zoning Code, Article 9, “Art In Public Spaces”, Section 9-106 to redefine “Extraordinary Maintenance” (Sponsored by Commissioner Anderson) (Sponsored by Mayor Lago)

**BRIEF HISTORY:**

Coral Gables has a proud history of incorporating public art in the landscape of the City to create both function and beauty including numerous fountains and plazas which have been designated as local historic landmarks.

The City is responsible for the maintenance of these art installations and believes it would be beneficial to allow for the continued and expanded maintenance and repairs of the art in public spaces through the existing Art in Public Spaces fund.
