- There is a current partnership with Miami-Dade College. School Board items proffered are as follows:

- H-3 -Comprehensive Review and Update of the Teaching and Learning Process for Reading and Mathematics Skills in Miami-Dade County Public Schools.
 - Board Member Ward Sando inquired on item regarding H-3 as textbook materials are available online for regular students but not for special needs classes. Information cannot be located on the school portal. Board Member Rojas was unaware of this situation, but this matter will be addressed with the Superintendent. It's important to ensure that the children have the necessary tools for them to shine and progress.

- Community Recreation department has developed a plaque and will be put up as a "Hall of Fame" the names of the honorees that are recognized. The date of the event will be May 20, 2023, not to interfere with Memorial Day. The date was selected as in prior occasions many were unable to attend due to vacations and holidays.
- Board Member Ward Sando inquired: Is the list limited to those individuals who have agreed to show up to the festival? Board Member Joseph commented that it's important to alert and ensure the individual is aware of the event with ample time so that they can be present and enjoy the festivities.
- Board Member Ward Sando inquired if the international group will be targeted with respect to having books in the native language or will the books be translated to English? Board Member Joseph indicated he is interested in seeing books donated in the native language. Another aspect that is being looked at is having consuls and or their staff read to the children whether in their native language or in English. The county is trying to build their relationship with various consulates including the Irish consulate and have them participate with their book donations.
- Children are also welcome to come and read.
