

City of Coral Gables  
CITY COMMISSION MEETING  
May 7, 2024

**ITEM TITLE:**

A RESOLUTION OF THE CITY COMMISSION APPROVING AN AMENDMENT TO THE INTERGOVERNMENTAL AGENCY AGREEMENT WITH MIAMI-DADE COUNTY TO PERFORM TRAFFIC ENGINEERING FUNCTIONS

(SPONSORED BY VICE MAYOR ANDERSON)

**BRIEF HISTORY:**

In September of 2018 the City of Coral Gables and Miami-Dade County executed an Intergovernmental Agency Agreement for the performance of traffic calming engineering functions. The City wishes to add “modified speed humps”, as detailed in the approved County design, attached here, as a traffic control device that the City may install and maintain subject to the requirements of the Intergovernmental Agency Agreement. The modified speed hump is a shortened speed table for use when a standard speed table cannot be used because of existing site conditions. All other provisions of the Intergovernmental Agency Agreement remain in effect including the traffic calming criteria and standard designs for the previously approved traffic control devices.
