Re:Dear Mr. Adolfo Garcia,

Please accept this letter as a formal request for a 90 day extension to obtain permits for pergolas installed at 11005 Tanya street.

Alot of time and work is needed to prepare plans to submit to the architectural board and then to the building department as you know.

Our engineer is working on the plans for the multiple structures, at this time with all that is entailed we respectfully request a 90 day extension to our deadline.

Please let us know of your decision.

Regards,

Antonio Requejo
