Hi Mary. Nice to speak to you now. As mentioned, there is a provision to get the appeal fee waived if I can get 30% of the neighbors within 1000 feet of the property to sign. **As agreed, I am sending it to you by email so you can "sign" it electronically by cutting /copying this below, filling it out and emailing back to me. For your signature, you can just type in your name again.)**

Again, your signing of this is only to waive the appeal fee. The commissioners will make the final decision at a future commission meeting as to the eventual fate of the property.

Thanks again for your support. Time is of the essence as there is a strict deadline for submitting this – it did not change or suspend this matter even during this current health situation we find ourselves in. Come if any questions!

Hi Marina. Nice to meet you & speak to you earlier about some of the things going on in our cit & neighborhood. As mentioned, there is a provision to get the appeal fee waived if I can get 30% of the neighbors within 1000 feet of the property to sign. As agreed, I am sending it to you by email so you can "sign" it electronically by cutting /copying this below, filling it out and emailing it back to me. For your signature, you can just type in your name again.) One per household.

Again, your signing of this is only to waive the appeal fee. The commissioners will make the final decision at a future commission meeting as to the eventual fate of the property.

Thanks again for your support. Time is of the essence as there is a strict deadline for submitting this - they did not change or suspend this matter even during this current health situation we find ourselves in. Contact me if any questions!

Hi Jimena. I haven't heard back from you and tomorrow Monday I need to turn in my numbers to the city clerk to see if we can qualify for the appeal fee waiver.

I am following up to see if you received my email below from last Friday after we met, and if so if I can count on your signature to help us waive the fee as explained. The form is at the end of the original message but I have recopied it here so easier for you to cut/copy and fill out and send back to me. Thanks you!
