**DEPARTMENT HEAD RECOMMENDATION:**

Approval.

**BRIEF HISTORY:**

This request is to authorize the waiving of special event fees, parking fees and barricade fees for the North Ponce Harvest Market operated by Flamingo Fling Productions at the 100 block of Minorca every Saturday from October 22, 2022, to December 17, 2022.

The Community Recreation Department organized and hosted the Harvest Market in 2021 and there are no budgeted funds to continue the market in 2022. The Community Recreation Department is working with Flamingo Fling Productions to provide a market event to replace the Harvest Market presented by the City.

Flamingo Fling Productions has agreed to be the event organizer and finance the event with the Community Recreation Department providing guidance to ensure the event meets city guidelines and specifications. This relationship will allow for a harvest market event to continue that provides value to the northern Coral Gables community.
