## About the Scholarship

The Donald R. Hopkins and William A. Cooper Scholarship Program was established in 1989 by the City of Coral Gables to help student-residents complete their educational and career goals. The scholarship is named after two prestigious African American city residents, each of whom impacted the community in his own way.

Dr. Donald Hopkins, a Coral Gables native, received his Bachelors of Science from Morehouse College, his Doctorate of Medicine from the University of Chicago and his Masters of Public Health from Harvard University. He is currently the Vice President and Director of Health Programs at the Carter Center. Prior to joining the Carter Center in 1987, he served as Deputy Director of the Centers of Disease Control from 1984-1987. Dr. Hopkins was instrumental in the eradication of the Guinea Worm Disease and the control of River Blindness worldwide.

Mr. William A. Cooper was born in 1929 in Miami, FL. He attended George Washington Carver High School and St. Augustine College in Raleigh, North Carolina. He was one of the founders, and served as president, of the Lola B. Walker Homeowners Association, which represents the historically black neighborhoods of Coral Gables. He served as president of the Crime Watch Committee and was a member of the Code Enforcement Board. Mr. Cooper was also very active in the Christ Episcopal Church in Coconut Grove and served in many capacities. Mr. Cooper was a strong family man and an advocate for community safety and improvements.

The Hopkins/Cooper Scholarship is based on the following eligibility requirements: candidates must be a MacFarlane Homestead/Golden Gate resident, demonstrate financial need, and have a record of good academic performance. Students must attend a Miami-Dade County High School and have a 2.5 GPA in order to apply. The MacFarlane Homestead is a U.S. historic district located in Coral Gables, Florida. The district is bounded by **Jefferson Street, Frow Avenue, Brooker Street** and **Grand Avenue**. The adjacent Golden Gate neighborhood is bounded by **South Dixie Hwy., Grand Avenue, Lincoln Drive** and **Le Jeune Road**.

The scholarship is available on a competitive basis with awards generally ranging from \$1,000 to \$5,000 annually (contingent on the scholarship's budget availability). The original award amount may be renewed for up to three additional years, provided the recipient continues to maintain a 2.5 GPA, or higher Coral Gables residency and full time enrollment in a college or university. Proof of continued qualifications must be submitted to the City of Coral Gables on an annual basis.

The Scholarship Committee is responsible for reviewing timely applications and may choose to interview candidates before making their selection/s for a given year. The scholar will be recognized at a City Commission meeting or other City function and scholarship funds will be sent directly to the awardee's college or university.

Please complete all sections of the scholarship form.
