Agenda Item F-1 – Emergency Ordinance amending Section 3-600 of the Zoning Code to create Section 3-612 “Covid 19 Testing Site Temporary Use Permit”

[Date]

1

Deputy City Attorney Suarez: Good morning, Mayor and Commissioners. This ordinance would allow for federal, state and/or local governments and/or their contractors who want to have a Covid testing, vaccination or treatment site in the city, to do so kind of on a simplified basis. The Manager is authorized to prepare a simple application and then there is concurrent reviews by various city departments that are listed in the ordinance, and it would just basically facilitate that because there is currently still a demand for those services. And the reason why its an emergency is because my understanding is that there is a pending request for such a site.

Mayor Lago: Are there any questions, any statements.

City Manager Iglesias: They would work with our Emergency Manager Chief de la Rosa to make sure that these sites are the appropriate sites for our city, and we will eliminate all the sites that are not either county, state, or federal.

Mayor Lago: I'll entertain a motion.

Commissioner Anderson: I'll move it.

Commissioner Menendez: Second.

City Attorney Ramos: Sir, any public comment?

City Clerk Urquia: No ma'am.

Mayor Lago: We have a first and a second.

Commissioner Menendez: Yes

Commissioner Anderson: Yes

Commissioner Fors: Yes

Mayor Lago: Yes

Mayor Lago: Thank you.
