

City of Coral Gables  
CITY COMMISSION MEETING  
COMMISSION MEETING DATE

**ITEM TITLE:**

A Resolution accepting the recommendation of the Chief Procurement Officer to award the Purchase of Trash Receptacles to Tiger Companies, LLC., the lowest responsive and responsible bidder in the estimated amount of \$68,000.00, pursuant to Section 2-763 of the Procurement Code entitled "Contract Award" and Request for Proposal (IFB) 2025-007.

**BRIEF HISTORY:**

The purpose of this Invitation for Bids is to establish a contract with a successful bidder for the purchase of trash receptacles.

On April 11, 2025, the Procurement Division of Finance formally advertised, issued and distributed IFB 2025-007 Purchase of Trash Receptacles. Thirteen (13) prospective bidders were notified through INFOR, the City's web-based e-procurement system.

On May 2, 2025, six (6) bids were received, including one (1) no bid in response to the IFB: DIRT Environmental Solutions, Inc., (no bid), Landscape Forms, Northrock Enterprises, LLC., Southern Park and Play, LLC., Tiger Companies, Inc., and Victor Stanley, LLC.

The responses were reviewed by the Procurement Division in order to determine responsiveness to the requirements of the IFB and to identify the lowest responsive responsible bidder. The Procurement Division finalized its due diligence process and confirmed that Tiger Companies, Inc., is both responsive to the requirements of the IFB and responsible bidder.

The Public Works Department concurs with the Chief Procurement Officer's recommendation to award Tiger Companies, Inc., the lowest responsive and responsible bidder for the Purchase of Trash Receptacles for a two (2) year term with the option to renew for three (3) additional one (1) year periods in an amount not to exceed the available budget.

**ATTACHMENT(S):**

**FINANCIAL INFORMATION:**

No.	Amount	Account No.	Source of Funds
1.	\$68,00000	310-1603-539-6425	GCI
Total:	\$68,000.00		

**Fiscal Impact:**

We are requesting the replacement of 80 trash and recycling waste receptacles throughout the downtown area for ones that have significant wear and tear resulting from heavy usage,

vandalism, and frequent overflows caused by high pedestrian traffic. For this initiative, the cost per waste receptacle is \$850.00 which totals \$68,000.00 for 80 waste receptacles.

**BUSINES IMPACT:**

Not Applicable.
