Good Morning Mr Roman,
Hope this finds you well,
Just wanted to touch base with you since I'm aware that the 60 days period given to me by the board has or it's about to expire, this is on the windows permit for 6809 Nervia St.
The necessary plans, changes, etc have been presented to the city but the architect/engineer took forever to make these changes therefore this was just presented recently.
I hope to have an answer soon in order to complete this and get the final on this matter.
Thank You,
Jaime Cervera
