Good morning Jorge,

I know I still you the proposal for 1129 Sevilla, I've just been a little bit overwhelmed these past couple weeks. I'm gonna try my hardest to have it to you by Monday.

Hi Alberto,

I do not have anyone that I can use or even recommend.

I have a meeting with the C.G. Employees Group Committee tomorrow in order to discuss this property. Even with our best intentions, I doubt we will be able to receive anything in the 5 digits.

As I stated at our meeting, please prepare the best proposal you can and present it to her. That's all we can really do at this point.

I included the Code Enf. Officer Martha Delgado in the reply as this is her case.

Thank you,

Gm Jorge,

I've been calling around the engineers that I know and I'm fortunately nobody wants to take on this job pro bono. Let me know your thoughts are maybe you can find somebody with in the city that can do this, I wouldn't want to give an estimate not knowing the details of the scope of work.

Thank you,
