# CITY OF CORAL GABLES PROHIBITION ON EXPANDED POLYSTYRENE

## What is Expanded Polystyrene and Why is the City Prohibiting the Use of It?

Expanded polystyrene, most commonly known as Styrofoam, is a petroleum by-product that is neither readily recyclable nor biodegradable and takes hundreds to thousands of years to degrade in the environment. Products that are made from expanded polystyrene can include, but are not limited to, plates, bowls, cups, containers lids, trays, coolers, ice chests, food containers, etc. It can fragment into smaller pieces that can be ingested by marine life and other wildlife, thus harming and killing them and constitutes a portion of the litter in the City's streets, parks, public places, and waterways.

The City Commission of the City of Coral Gables declares that it is in the best interest of the public health, safety, and welfare of its residents and visitors to reduce litter and pollutants on the land and in the waters of the City. The goal of the ordinance is promote replacing expanded polystyrene items with reusable, recyclable, or compostable alternatives whenever possible thus helping remove it from the waste stream. To help lead by example, the City has ceased purchasing products that are made of expanded polystyrene.

## Who Does the Prohibition Apply To?

Food service providers and stores shall not sell, use, offer for sale or use, or provide food in expanded polystyrene food service articles. Food service providers shall include, but are not limited to, chain food service providers, restaurants, fast food restaurants, cafes, sidewalk cafes, delicatessens, coffee shops, grocery stores, markets, supermarkets, drug stores, pharmacies, bakeries, caterers, gas stations, vending trucks or carts and cafeterias.

From August 9 through December 31, 2016, the City will only issue warnings for violations of the Ordinance. On January 1, 2017, Code Enforcement will begin issuing tickets for violations of the Ordinance.

## RICK SCOTT GOVERNOR

2018: Securing Florida's Future

Dear Business Professional:

Congratulations on receiving your license from the Florida Department of Business and Professional Regulation. This milestone moves you closer to achieving your dreams in the Sunshine State. Thank you for your commitment as a licensed business professional and your hard work to provide high quality professional service to Florida families and businesses.

Our goal is to make Florida the global destination for jobs so Floridians can continue to have great opportunities to live their dreams. We have cut taxes more than 80 times, saving Floridians over \$7.5 billion. Since December 2010, Florida businesses have created more than 1.4 million private sector jobs. I am proud that Florida's unemployment rate has reached a more than 10-year low. We will continue to work to make our state more business-friendly by cutting taxes, reducing regulations and keeping the cost of living down so job creators can grow and succeed.

We want your business to grow in Florida and more companies to choose to invest in our state. Florida has a lot to offer to outcompete other states for jobs: our business climate, low taxes, education system, workforce, transportation infrastructure, and even the weather. I encourage you to invite your business partners outside of Florida to consider growing their business in Florida. You can help spread the word about Florida's business friendly environment.

At DBPR, we have eliminated more than two hundred burdensome regulations and significantly reduced the amount of time it takes to obtain a license, allowing licensees to get to work more quickly. That's the way government should work - with efficiency and innovation to help Florida's businesses open their doors.

As we look ahead to the future of Florida, it is important to continue fighting every day to make sure that our children and grandchildren have every opportunity to lead successful lives in the Sunshine State. We are fighting to help secure Florida's future as the best place for families and job creators to succeed.

Again, congratulations on receiving your license. We want Florida to be first for jobs and the best place in the world to raise a family, get a great education, and achieve the American dream. Please let me know your ideas for how we can grow our small businesses and further diversify our economy to invest in the future of our state.

Sincerely,
