CITY COMMISSION MEETING
January 26, 2016

ITEM TITLE:

An Emergency Ordinance of the City of Coral Gables Ratifying Amendments to Chapter 54 of the City Code that are Consistent with Solid Waste Special Assessment Settlement with Miami-Dade County, and Providing for Repealer, Codification, and an Effective Date.

DEPARTMENT HEAD RECOMMENDATION:

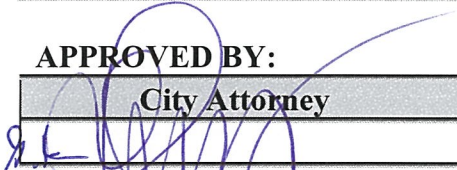

Approval

BRIEF HISTORY:

The City of Coral Gables and Miami-Dade County entered into a settlement agreement (the "Settlement") whereby the County agreed to place the City solid waste assessment on the tax bill for delinquent amounts, as well as amounts becoming due in the future. The City Commission approved the terms of the Settlement at its September 22, 2015 meeting. In order to effectuate the terms of the Agreement, which is already in effect and binding on the City, and in order to provide the discounted rate for advanced payment of the solid waste assessment, the City Code must be amended to reflect the terms of the Settlement. The City Commission, also at its September 22, 2015 meeting, approved the changes to the City Code.

This ordinance is an emergency ordinance as the City Commission has already approved the Settlement and the changes are required to comply with the terms of the Settlement.
