1.	09 03 10	George & Elizabeth Kakouris 1325 Campo Sano Ave Coral Gables, FL 33146	X		Project will increase traffic and disrupt Neighborhood lifestyle.

3.	09 02 10	Murry Tamers 1251 Campo Sano Avenue Coral Gables, FL 33146	X		I very much object to any more areas of Coral Gables being removed from the tax roles!
4.	09 02 10	Luis E. Suarez 5110 San Amaro Drive Coral Gables, FL 33146	X		The University has failed to build the traffic calming road they promised and now they seek to be able to build an unprecedented amount of space without strict oversight. In exchange the city gets very little revenue. The area can't handle more construction. If you don't believe me drive by in morning or afternoon rush hours. The city should not sell out the residents of the area for so little I firmly oppose.

19.	07 28 10	Garcia Pages Lucille & Sergio 5656 Granada Blvd. Coral Gables, FL And 1170 San Pedro Avenue Coral Gables, FL 33156	X		Traffic around the University especially on Ponce de Leon Blvd is disruptive during the special events. The University is not a very nice neighbor. Especially since the U. encourages the Students to register to vote so Amendment are sure to pass. These students leave the area in a few years and the resident have to deal with the Nuisance.
20.	07 28 10	Jose A. Bolanos 4901 Orduna Drive Coral Gables, FL 33146		X	
21.	07 27 10	Doris J. Rudnick 5030 Granada Boulevard Coral Gables, FL 33136	X		Several years ago the University proposed closing the road at Pisano between University & Campo Sano to vehicular traffic. I have lived in my house for 50 years & depend on this route daily because of the increased congestion on So. Dixie Hwy & on Granada.
