BACKGROUND: I am a resident of Coral Gables and a third generation native of Miami-Dade County. For the past sixteen years, I have been a practicing trial lawyer in Miami-Dade County. Martindale-Hubbell's legal rating service has awarded me with an AV rating. Martindale-Hubbell is the facilitator of a peer review process that rates lawyers. This AV rating is the highest accolade in Martindale Hubbell's grading service and is awarded as a result of an extensive and confidential review conducted among legal professionals. The rating reflects the confidential opinions of members of the Bar and the Judiciary. The rating signifies that my legal abilities as a criminal defense lawyer are "Very High to Preeminent" and that my professional ethics are "Very High." It is significant to note that the AV rating is the highest accolade available.

For the past several years I have consistently been recognized by fellow attorney's as being among *Florida Trend's Florida Legal Elite* and a *Superlawyer* in the field of criminal defense work. It has been reported that only the top 2% of practicing Florida lawyers have been distinguished with this honor.

I began my legal career as an Assistant State Attorney in the Miami-Dade County State Attorney's Office. As a Chief prosecutor in the Misdemeanor Crimes Division, I co-authored the training manual for prosecutors, supervised and trained over 30 attorneys and prosecuted high profile or media cases. During my career as an ASA I successfully prosecuted more than 70 jury trials.

As a civil practitioner I garnered extensive litigation experience handling multi-million dollar product liability claims, commercial litigation claims, aviation disaster claims, negligent security claims and wrongful death claims. During this time I drafted and argued numerous motions to dismiss and motions for summary judgment, I have participated in countless mediation where I achieved remarkable awards and settlements for my clients.
