

110 Phoenetia – Desarrollo
Crystal Academy
Coral Gables, FL 33134

Asunto: 110 Phoenetia Avenue, Coral Gables – Carta de Apoyo

A quien corresponda:

Como residente de Coral Gables, me enorgullece profundamente el patrimonio arquitectónico de nuestra ciudad y la planificación cuidadosa que la define. El proyecto propuesto de 110 Phoenetia continúa con esa tradición, con un diseño que honra la visión mediterránea de George Merrick y complementa el vecindario que lo rodea.

Más allá de sus cualidades arquitectónicas, este proyecto apoya algo profundamente significativo: la permanencia de Crystal Academy, una escuela que verdaderamente transforma la vida de los niños con autismo y de sus familias. El compromiso de Fifield de construir una instalación nueva y moderna, y de ofrecer a Crystal Academy un contrato de arrendamiento gratuito por 99 años, establece un estándar que todos podemos apreciar en un desarrollador. Mantener esta institución en Coral Gables fortalece nuestra comunidad y refleja nuestros valores compartidos de compasión e inclusión.

Me enorgullece apoyar el proyecto 110 Phoenetia y creo que representa el tipo de progreso equilibrado que beneficia a todos nosotros.

RE: 110 Phoenetia Avenue, Coral Gables – Letter of Support

To Whom It May Concern,

As a resident of Coral Gables, I take great pride in our city's architectural heritage and the thoughtful planning that defines it. The proposed 110 Phoenetia project continues that tradition with a design that honors George Merrick's Mediterranean vision and complements the surrounding neighborhood.

Beyond its architectural qualities, this project supports something deeply meaningful: the continued presence of Crystal Academy, a school that truly transforms the lives of children with autism and their families. Fifield's commitment to build a new, modern facility and provide Crystal Academy with a 99-year rent-free lease sets a standard we can all appreciate in a developer. Keeping this institution in Coral Gables strengthens our community and reflects our shared values of compassion and inclusion.

I am proud to support the 110 Phoenetia project and believe it represents the kind of balanced progress that benefits us all.

Sincerely,

110 Phoenetia – Development
Crystal Academy
Coral Gables, FL 33134

RE: 110 Phoenetia Avenue, Coral Gables – Letter of Support

To Whom It May Concern,

As a resident of Coral Gables, I take great pride in our city’s architectural heritage and the thoughtful planning that defines it. The proposed 110 Phoenetia project continues that tradition with a design that honors George Merrick’s Mediterranean vision and complements the surrounding neighborhood.

Beyond its architectural qualities, this project supports something deeply meaningful: the continued presence of Crystal Academy, a school that truly transforms the lives of children with autism and their families. Fifield’s commitment to build a new, modern facility and provide Crystal Academy with a 99-year rent-free lease sets a standard we can all appreciate in a developer. Keeping this institution in Coral Gables strengthens our community and reflects our shared values of compassion and inclusion.

More info

I am proud to support the 110 Phoenetia project and believe it represents the kind of balanced progress that benefits us all.

Sincerely,

Crystal Academy
Coral Gables, FL 33134

Asunto: 110 Phoenetia Avenue, Coral Gables – Carta de Apoyo

A quien corresponda:

Como residente de Coral Gables, me enorgullece profundamente el patrimonio arquitectónico de nuestra ciudad y la planificación cuidadosa que la define. El proyecto propuesto de 110 Phoenetia continúa con esa tradición, con un diseño que honra la visión mediterránea de George Merrick y complementa el vecindario que lo rodea.

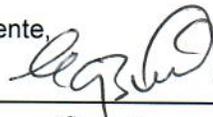

Más allá de sus cualidades arquitectónicas, este proyecto apoya algo profundamente significativo: la permanencia de Crystal Academy, una escuela que verdaderamente transforma la vida de los niños con autismo y de sus familias. El compromiso de Fifield de construir una instalación nueva y moderna, y de ofrecer a Crystal Academy un contrato de arrendamiento gratuito por 99 años, establece un estándar que todos podemos apreciar en un desarrollador. Mantener esta institución en Coral Gables fortalece nuestra comunidad y refleja nuestros valores compartidos de compasión e inclusión.

Me enorgullece apoyar el proyecto 110 Phoenetia y creo que representa el tipo de progreso equilibrado que beneficia a todos nosotros.

Atentamente,

The proposed 110 Phoenetia project continues that tradition with a design that honors George Merrick's Mediterranean vision and complements the surrounding neighborhood.

Beyond its architectural qualities, this project supports something deeply meaningful: the continued presence of Crystal Academy, a school that truly transforms the lives of children with autism and their families. Fifield's commitment to build a new, modern facility and provide Crystal Academy with a 99-year rent-free lease sets a standard we can all appreciate in a developer. Keeping this institution in Coral Gables strengthens our community and reflects our shared values of compassion and inclusion.

I am proud to support the 110 Phoenetia project and believe it represents the kind of balanced progress that benefits us all.

Sincerely,

Asunto: 110 Phoenetia Avenue, Coral Gables – Carta de Apoyo

A quien corresponda:

Como residente de Coral Gables, me enorgullece profundamente el patrimonio arquitectónico de nuestra ciudad y la planificación cuidadosa que la define. El proyecto propuesto de 110 Phoenetia continúa con esa tradición, con un diseño que honra la visión mediterránea de George Merrick y complementa el vecindario que lo rodea.

Más allá de sus cualidades arquitectónicas, este proyecto apoya algo profundamente significativo: la permanencia de Crystal Academy, una escuela que verdaderamente transforma la vida de los niños con autismo y de sus familias. El compromiso de Fifield de construir una instalación nueva y moderna, y de ofrecer a Crystal Academy un contrato de arrendamiento gratuito por 99 años, establece un estándar que todos podemos apreciar en un desarrollador. Mantener esta institución en Coral Gables fortalece nuestra comunidad y refleja nuestros valores compartidos de compasión e inclusión.

Me enorgullece apoyar el proyecto 110 Phoenetia y creo que representa el tipo de progreso equilibrado que beneficia a todos nosotros.
