Economic Development Department | 2121 Ponce de Leon Blvd., Suite 720, Coral Gables, FL 33134 | 305-460-5311 www.coralgables.com/economic Library System and asked her to provide an update on the library construction project. Ms. D'Andrea-Thompson stated that the Coral Gables branch library is under renovation and is currently 25% complete. The contractor is largely done with a lot of the demolition work. They've removed electrical conduit, wires, light fixtures, walls, stucco, drywall, the bathrooms which are being renovated, ceilings and ceiling tiles. They're currently trenching the floor for the new electrical lines. The fire alarm is about 99% complete. All the low voltage work is being set. The major upcoming work is the roof replacement. They've completed the installation of some of the outlets for the low voltage. The window replacement shop drawings were just received from the contractors. They will be reviewing them and will be heading to the City for Historical review. The project is still on schedule for substantial completion by the end of August 2022.

Mr. Carson inquired as to when will the library be available to open to the public.

Ms. D'Andrea-Thomson anticipates it will be opened by the Fall of 2022.

Ms. Perez informed the Board the City typically has a ribbon cutting ceremony for openings and reopenings. Once it gets closer, we can schedule the Mayor and the Commissioners to attend.

Mr. Carson inquired if the public was getting photographs of the progress so people could know what's happening and be excited for the project.

Ms. Sardiñas stated we have a large PDF that was previously provided to the Board that we can circulate to the new Board members.
