I submitted today, June 10, 2022, all the documents requested by the permits department, and I am confident that everything is in order. Kindly please postpone the hearing scheduled for June 15th at 8:30 am to 60 days later should it be needed. My veteran husband and I will not be available on June 15th as we are visiting our daughter in Spain and will return on July 5th.

I would like to compliment Sebastian in the permits office for his patience with me, and my ignorance of the permits system.
