* A drawing set must include a site plan, floor plan(s), and elevations of all facades with sufficient dimensions to conduct a preliminary Zoning Analysis. The purpose of the preliminary Zoning Analysis is to identify possible variances and is not intended to replace any review required as part of the permitting process. The drawings must illustrate the existing conditions and the proposed changes separately. Contextual drawings or photographs of the neighboring properties must also be included. The Department staff may request additional drawings and documents as needed. Requests for Special Certificates of Appropriateness for demolition and/or that require variance(s) must include a certified mailing list, a map, and three sets of mailing labels (1000-foot radius) and the required fee. * It is the responsibility of the applicant to provide sufficient illustrations to convey the intended scope of work.
