**ITEM TITLE:**

A Resolution of the City Commission authorizing an amendment to the fiscal year 2022-2023 annual budget to recognize a transfer from the Building Division Reserve and to appropriate such funds for the cost of building plans review and inspection services.

**DEPARTMENT HEAD RECOMMENDATION:**

Approval.

**BRIEF HISTORY:**

The City's Development Services Department utilizes a pool of qualified professionals to provide building plans review and inspection services with qualifications and ability in specialized areas. The current volume of building plans and inspections requires additional funding of \$1,000,000. There are sufficient funds in the Building Division's fund balance. This resolution recognizes the transfer of these funds and appropriates the funds to the Building Division in the General Fund to cover the cost of building plans review and inspection services.
