Re: Special Certificate of Appropriateness application for **717 North Greenway Drive**, a contributing resource within the "Country Club of Coral Gables Historic District," legally described as Lots 23 and 24, Block 23, Coral Gables Section "B," according to the Plat thereof, as recorded in Plat Book 5, at Page 111 of the Public Records of Miami-Dade County, Florida.

Dear Mr. and Mrs. Marlin:

On September 19, 2019 the Historic Preservation Board met to review an application for a Special Certificate of Appropriateness for the property at 717 North Greenway Drive. The application requested design approval for alterations and construction of a two-story addition to the principal / main building and reconfiguration of the accessory building at the rear of the property.

The Historic Preservation Board found that the overall design of the proposed additions and alterations does not destroy or detract from the integrity of the home and is minimal in impact, which is consistent with the Secretary of the Interior's Standards for Rehabilitation. The Board passed a motion approving the project as submitted. A Special Certificate of Appropriateness is hereby issued. You may now proceed with the permitting process. Any changes or alterations to the approved plans will need to be submitted to this office for a revision to the Certificate of Appropriateness. When submitting to the Board of Architects for Final approval please attach this letter and request administrative approval.

Coral Gables Zoning Code Article 3, Sections 3-118 through 3-1124 describe the method created for the City Commission to allow tax exemptions for the restoration, renovation, or rehabilitation of historically designated properties. ***Please note that not all projects qualify to apply for the tax relief.*** Should you wish to determine if your project is eligible, you must schedule a meeting with the Historical Resources Department staff to review. All applications for Ad Valorem Tax Relief must be submitted prior to the onset of construction.

Should you have any questions please do not hesitate to contact the office.

Sincerely,

Kara Kautz
Assistant Historic Preservation Officer
