Date	January 15, 2013		

Dear Mr. Pino,

We have reviewed the bid documentation and bidder references provided to us by the City. The bid documentation reviewed was submitted by Caribe Utilities of Florida, Inc. dated December 21, 2012 for construction of Ingraham Park and Tiziano Park which includes all work outlined in the approved construction documents and bidding addenda. The bidder references that we reviewed for Caribe Utilities of Florida, Inc. were provided to us by the City on January 15th, 2013.

As the apparent low-bidder, Caribe Utilities of Florida, Inc. appears to have provided all of the necessary documentation required by the City of Coral Gables Invitation for Bid (IFB) No. 2012.11.21. The references provided for Caribe Utilities of Florida, Inc. all appear to be positive in nature. Based on this information provided by the City, we have no known objections to the City proceeding with recommending Caribe Utilities of Florida, Inc. as the lowest responsible responsive bidder to the City Commission for award of the project.

Sincerely,

Brook Dannemiller
