DEAR COMMISSIONERS.

ITEM #21-2790 "Landmarks Maintenance Advisory Board"

As a concerned citizen who has followed this issue closely, I request that the resolution [SEE ATTACHED] include **HISTORIC & PUBLIC WORKS** as staff to the new board.

PW must be part of the staffing. That is the whole point of this new board.

As it reads now *only* historical resources "SERVE[S] AS PRIMARY ADMINISTRATIVE SUPPORT STAFF FOR THE BOARD."

Both departments must work together to accomplish the objective of the new board.

Thank you for your support on this very important item that will prove the City's commitment to maintaining its landmarks . 

Respectfully submitted,  
Karelia

Dear City of Coral Gables Commission,

As per our correspondence of September 12th, we applaud the establishment of the landmark maintenance advisory board, to preserve our Historic legacy.

Additionally, we do believe that the board's effectiveness is dependent upon the joint efforts of staff from both Historic Preservation and Public Works.

Sincerely,  
Jaime & Zully Pardo

Dear Members of the Coral Gables City Commission,  
I wish to express my support for resolution F-1 "Landmarks Maintenance Advisory Board" co-sponsored proposed by Commissioner Anderson and Mayor Lago. As you know this new advisory board will act in the public interest in partnership with the city's preservation efforts **and** public works department to make informed and equitable recommendations concerning the maintenance and care of the city's public landmarks such as entrances, plazas, fountains, historically significant poles and lights, historic markers, statues, and other historically significant landmarks or items.

I am currently out of town and unable to join the meeting tomorrow as I will be traveling back to Florida but as a concerned citizen who has followed this issue closely and hope to be involved more in the future, I request that the resolution include both historic **and** public works [as originally intended] to co-staff the new board.

Sincerely,
