CASE FILE COA (ST) 2007-42: An application for a Standard Certificate of Appropriateness for paint color for the property at 1137 Asturia Avenue.

Ms. Silvia Unzueta, homeowner, explained that her original window paint color was white, but her present request was for a dark color for window to match mahogany doors on the house. Ms. Kautz said staff's opinion was that the color had too much red in the pigment, which was why the issue was brought to the Board.

Board members asked for window details. Ms. Unzueta said the windows were approved in white. Ms. Meyers pointed out that the dark color would mask the details of the windows, which would dramatically change the appearance of the house.

Contractor Horacio Sweita displayed different window color options, after which Board members posed clarifying questions and comments.

Mr. Beeman made a motion to approve the paint color for the windows. Ms. Meyers seconded the motion.
