SECTION 1 – INTRODUCTION TO REQUEST FOR PROPOSAL

Request for Proposals (RFP) No. 2024-033

1.1. Invitation

Thank you for your interest in this Request for Proposals (“RFP”). The City of Coral Gables (the “City”), through its Procurement Division invites responses (“Proposals” / “Responses”) from Firms (“Proposers”) which offer to provide the services described in Section 2.0 “Scope of Work”.

Throughout this RFP, the terms “must”, “shall”, and “will” denote mandatory requirements. Any response that does not meet the mandatory requirements is subject to immediate disqualification.

1.2. Contract Terms and Conditions

The Proposer(s) selected to provide the service(s) requested herein (the “Successful Proposer(s)”) shall be required to execute a Contract or a Professional Services Agreement (“Agreement” / “Contract”) with the City in substantially the same form as the Agreement included as part of this RFP, if applicable.

The term(s) of the Agreement shall be for an initial period of three (3) years with the option to renew for two (2) additional one (1) year periods.

The City shall have the right to terminate this contract pursuant to Section 1.13 of this solicitation. Continuation of the Contract beyond the initial period is a City prerogative; not a right of the Proposer. This prerogative will be exercised only when such continuation is clearly in the best interest of the City.

A. CONDITIONS FOR RENEWAL

Each renewal of this contract is subject to the following:

- (1) Continued satisfactory performance compliance with the specifications, terms and conditions established herein.
- (2) Availability of funds

B. CONTRACT EXTENSION

The City reserves the right to exercise its option to extend a contract for up to one hundred-eighty (180) calendar days beyond the contract period and will notify the Professional in writing of the extension.

1.3. Additional Information or Clarification

The Proposer must thoroughly examine each section of this RFP. If there is any doubt or obscurity as to the meaning of any part of the RFP, the Proposer may request clarification at the pre-proposal conference or by WRITTEN REQUEST to INFOR [Supplier Services webpage](#) prior to the Deadline for Written Questions. Proposer is responsible for downloading and bringing a copy of the RFP for the pre-proposal conference as copies will not be provided by the City.

Interpretations or clarifications in response to such questions will be issued in the form of a **WRITTEN ADDENDUM** which shall be released through INFOR. Proposers must register via INFOR to ensure receipt of any addendum issued to this solicitation. Failure to acknowledge receipt of an addendum may result in disqualification of proposal submitted.

No person is authorized to give oral interpretations of or make oral changes to the RFP. The issuance of a written addendum shall be the only official method whereby such an interpretation or clarification will be made. Where there appears to be conflict between the RFP and any addenda issued, the last addendum issued shall prevail.

Proposers should not rely on any representations, statements or explanations other than those made in this RFP or in any written addendum to this RFP.

1.4. Method of Award

Award of this project will be made highest ranked responsive and responsible proposer(s), based on the criteria outlined in this solicitation. The City in its sole discretion will determine if it is in the best interest of the City to move forward with the award.

1.5. Award of an Agreement

An Agreement may be awarded to the Successful Proposer by the City Commission or City Manager, as applicable, to the most responsible, responsive Proposer, meeting all specifications, and not necessarily to the highest ranked Proposer. Should the award be made to the highest ranked Proposer, the City will strictly enforce all the provisions of the resulting Contract, including penalty clauses for any service or quality problems. The Successful Proposer shall not be permitted rate increases as a result of an artificial low-price Proposal submitted in anticipation of the contract. Non-performance shall result in cancellation of the contract with the Proposer. The City reserves the right to execute or not execute an Agreement with the Successful Proposer if it is determined to be in the best interest of the City.

1.6. Agreement Execution

By submitting a Response, the Proposer agrees to be bound to and execute the Agreement for this solicitation. Without diminishing the foregoing, the Proposer may request clarification and submit comments concerning the Agreement for City's consideration. Only comments and proposed revisions included within the Response will be considered by the City. Any comments identified after the Response has been received may not be considered by the City. Furthermore, any requests to negotiate provisions of the Agreement not identified in the Response after the Response has been received, may be grounds for removal from further consideration for award. None of the foregoing shall preclude the City from seeking to negotiate changes to the Agreement during the negotiations process.

Failure of the Successful Proposer to execute a contract within thirty (30) days after the notification of award may, at the City's sole discretion, constitute a default. However, the Agreement must be executed no later than one hundred twenty (120) days, based upon the requirements set forth in the RFP through action taken by the City Commission at a duly authorized meeting. If the Proposer first awarded the Agreement fails to enter into the contract as herein provided, the award may be declared null and void, and the Agreement awarded to the next most responsible, responsive Proposer, or re-advertised, as determined by the City.

1.7. Unauthorized Work

Any unauthorized work performed by the Successful Proposer(s) shall be deemed non-compensable by the City.

1.8. Changes/Alterations

Proposers may change or withdraw a Response at any time **prior to the Submittal Deadline through INFOR**. Modifications will not be allowed after the Response Submittal date.

1.9. Discrepancies, Errors, and Omissions

Any discrepancies, errors, or ambiguities in the RFP or addenda (if any) should be reported in writing to the City's Procurement Division in the manner prescribed in the RFP. Should it be necessary, the City will issue a written addendum via **INFOR** to the RFP clarifying such conflicts or ambiguities.

1.10. Disqualifications

The City reserves the right to disqualify Responses before or after the submission date, upon evidence of collusion with intent to defraud or other illegal practices on the part of the Proposer. It also reserves the right to waive any immaterial defect or informality in any Response; to reject any or all Responses in whole or in part, or to reissue a Request for Proposals.

Any Responses submitted by a Proposer who is in arrears (money owed) to the City or where the City has an open claim against a Proposer for monies owed the City at the time of Proposal submission, will be rejected as non-responsive and shall not be considered for award.

1.11. Proposer Expenditures

Proposer understands and agrees that any expenditure they make in preparation and submittal of Responses or in the performance of any services requested by the City in connection with the Responses to this RFP are exclusively at the expense of the Proposers. The City shall not pay or reimburse any expenditure, or any other expense incurred by any Proposer in preparation of a Response or anticipation of a contract award or to maintain the approved status of the Successful Proposers if an Agreement is awarded.

1.12. Financial Stability and Strength

The Proposer must be able to demonstrate a good record of performance and have sufficient financial resources to ensure that they can satisfactorily provide the goods and/or services required herein.

In determining a Proposer's responsibility and ability to perform the Contract, the City has the right to investigate and request information concerning the financial condition, experience record, personnel, equipment, facilities, principal business location and organization of the Proposer, the Proposer's record with environmental regulations, and the claims/litigation history of the Proposer. The City reserves the right to consider third party information (e.g., Dun & Bradstreet's Supplier Reports or similar) in determination of capacity.

Proposers **may** be required to submit financial statements for each of their last two (2) complete fiscal years within five (5) calendar days, upon written request. The Bid Bond of the successful Proposer will be retained until receipt and acceptance of a performance bond and all other required documents. The original bid bond must be delivered to the address listed on the Proposer's Acknowledgment Form with the name of the solicitation clearly indicated.**

1.13. Performance and Payment Bond

The Successful Proposer shall post a Performance and Payment Bond from a Corporate Surety after an approved award, which is satisfactory to the City as security for the performance and prompt payment to all persons supplying labor and material in the execution of the work to be performed under this Contract and on any and/or all duly authorized modifications hereof.
