DEPARTMENT HEAD RECOMMENDATION:

Approval.

BRIEF HISTORY:

On February 5, 2010 the City entered into an Agreement with the South Florida Water Management District for financial assistance in the amount of \$500,000 to dredge the Coral Gables Waterway. This Agreement was amended by Amendment No. 1 on March 23, 2011.

Dredging operations concluded in October of this year and the project is currently in the process of being certified by the engineer of record, Milian Swain and Associates, Inc. This certification and administrative closeout process is expected to last another couple of months.

SFWMD has prepared the attached Amendment No. 2 to Agreement No. 4600001900 which extends the expiration date of the Agreement to September 2012 in order to allow adequate time to close out the project, and to revise the Payment and Deliverables Schedule in accordance with the new expiration date.
