**Re: Application Amendment #1
University of Miami
6500 Red Road (f/k/a United Methodist Church)
Proposed Amendments to:**

- **Comprehensive Plan Future Land Use Map**
- **Zoning Code Text**
- **Zoning Code Map**
- **Development Agreement**

Dear Mr. Trias:

Enclosed please find the University of Miami (“University”)’s first amended application (Application Amendment #1) for Comprehensive Plan, Zoning Code, and Development Agreement amendments for the property located at 6500 Red Road (f/k/a United Methodist Church). This amended application is directed to address those helpful comments we received from the Development Review Committee on September 28, 2018 regarding the site-specific zoning on the parcels at issue. Put simply, Application Amendment #1 harmonizes the site-specific zoning requirements to the proposed Zoning Code text amendments.

For your ease of review, we include in this amended application the original application materials together with the proposed revisions addressing the site-specifics. The individual applications are itemized below:

- A. **Comprehensive Plan Future Land Use Map (Small Scale) amendment from Religious / Institutional classification to University Campus classification. Because the property comprises less than ten (10) acres,**

it is eligible for treatment as small scale amendment in accordance with Section 163.3187, Florida Statutes. The proposed amendment is further described in **Exhibit A**.

- B. Zoning Code text amendments to:
- a. Article 4 – “Zoning Districts.” Section 4-202(G)1 to include a description of the new proposed “UCD Frontage F”.
 - b. Article 8 – “Definitions” modify the definition of the existing “University Campus District (UCD) Frontage B” and create a new definition for the proposed “University Campus District (UCD) Frontage F”.
 - c. Appendix A – “Site Specific Zoning Regulations.” Minor modifications to Section A-89-Riviera Section Part 14.

The proposed amendments are further described in **Exhibit B**.

- C. Zoning Map amendment to rezone the property from Special Use District (S) to University Campus District (UCD). The proposed amendment is further described in **Exhibit C**.
- D. Development Agreement amendment to **Exhibit A – Legal Description of Properties within the Main Campus City of Coral Gables, Miami-Dade County, Florida, Areas I and II**. The proposed amendment is further described in **Exhibit D**.

We look forward to working with you and your team and, hopefully, to your favorable recommendation to the proposed amendments.

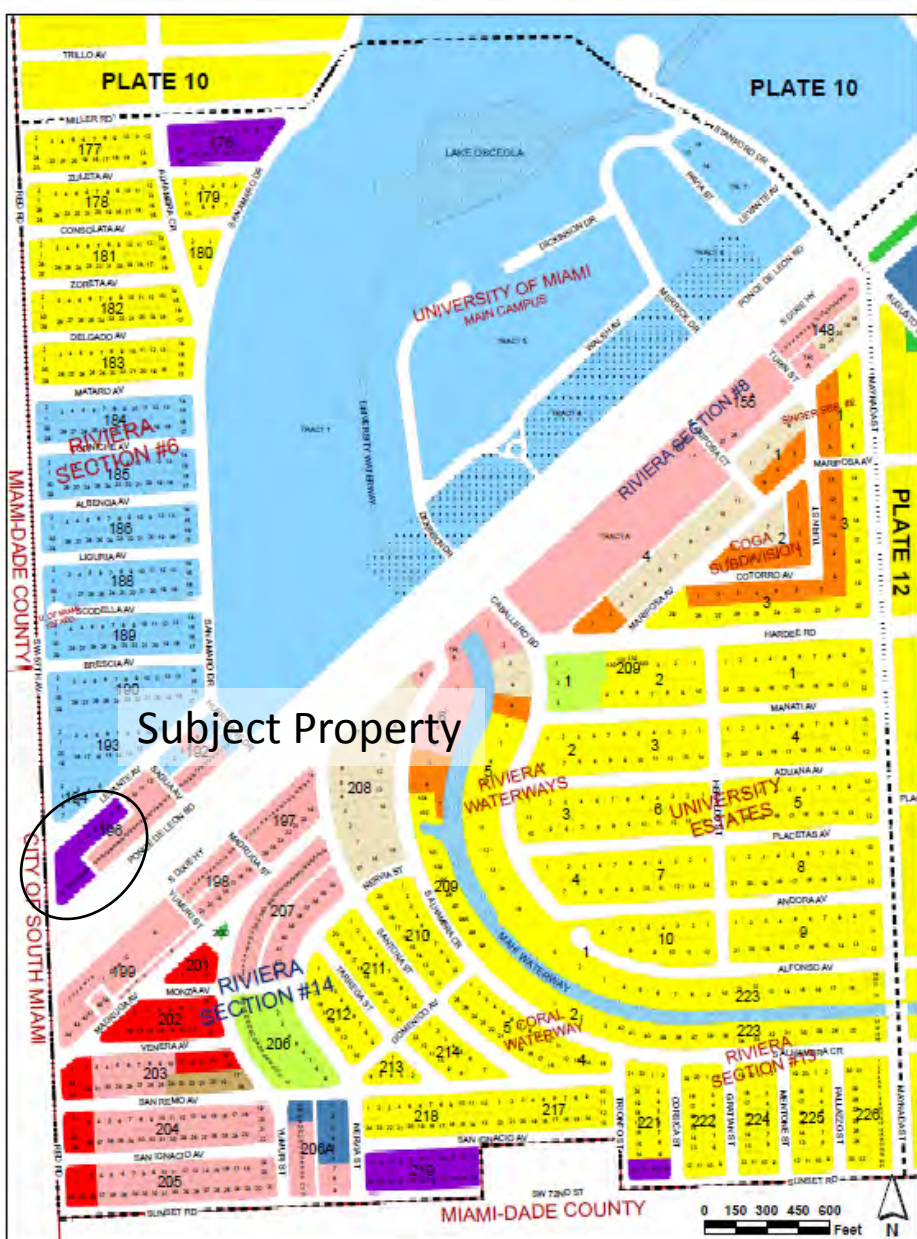

Sincerely,

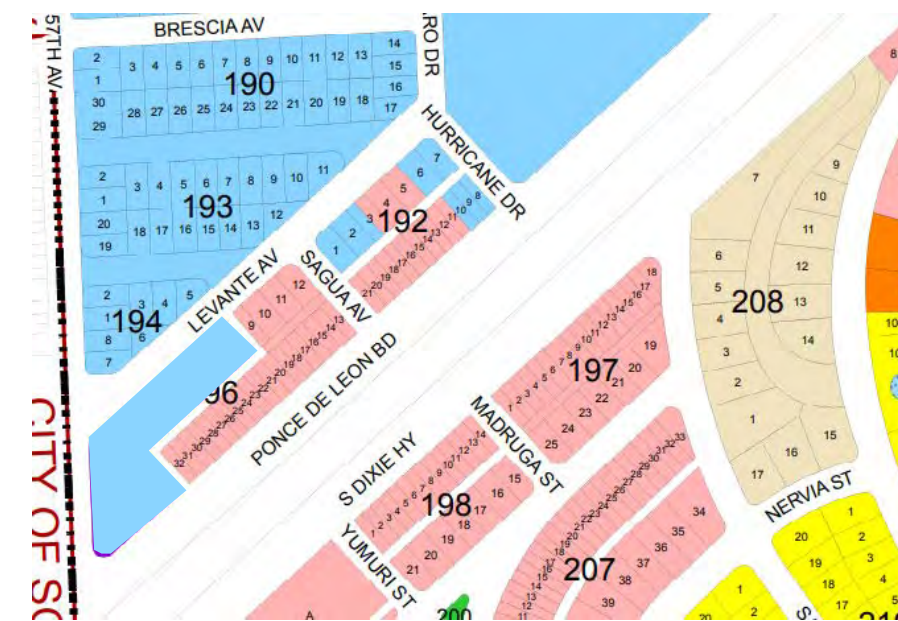

Jeffrey S. Bass
