The City will respond to loss of HVAC service within 24 hours. The City also shall maintain and make repairs to landscaping components of the Entire Facility, including fountains. All maintenance and repairs shall comply with Laws. The City will provide its own telephone, information technology (IT) needs, and janitorial in the City Portion, and at its option, may install card access readers for the Entire Facility (in which case appropriate access rights shall be programmed with regard to the Facility and Shared Facilities). The City will also install, monitor and maintain the base fire monitoring and alarm systems at the City's cost for the Entire Facility; provided, however, that the City shall undertake no liability with regard to failure of such systems for any reason whatsoever. It is understood and agreed that the City is not an insurer, and that its sole obligation hereunder shall be to pay for the cost of such monitoring and repairs. It shall be the obligation of CGM to notify the City of any repairs required to the Facility or Shared Facilities, and that CGM shall carefully and properly test the alarm systems with reasonable frequency to determine whether repairs are necessary. IT IS FURTHER UNDERSTOOD AND AGREED THAT CITY IS NOT AN INSURER AND THAT ANY INSURANCE, IF ANY, COVERING PERSONAL INJURY AND PROPERTY LOSS OR DAMAGE ON THE FACILITY OR SHARED FACILITIES AS A RESULT OF AN ERROR OR OMISSION INVOLVING AN ALARM OR MONITORING SYSTEM SHALL BE

OBTAINED BY CGM; THE CITY IS MERELY PAYING FOR MONITORING AND REPAIR SERVICES FOR SYSTEMS DESIGNED TO REDUCE CERTAIN RISKS OF LOSS BUT THE PROVISION OF SUCH SYSTEMS IS NOT A GUARANTY THAT NO LOSS WILL OCCUR. THE CITY IS NOT ASSUMING RESPONSIBILITY FOR ANY LOSSES WHICH MAY OCCUR EVEN DUE TO CITY'S NEGLIGENT PERFORMANCE OR FAILURE TO PERFORM WITH REGARD TO ANY ALARM OR SECURITY SYSTEMS, AND CITY HEREBY DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THOSE OF MERCHANTABILITY FOR FITNESS THAT THE SYSTEMS INSTALLED OR THE SERVICE SUPPLIED MAY NOT BE COMPROMISED OR THAT SERVICES WILL IN ALL CASES PROVIDE THE PROTECTION FOR WHICH IT IS INTENDED. CGM AGREES TO AND SHALL INDEMNIFY AND SAVE HARMLESS THE CITY, ITS EMPLOYEES AND AGENTS, FOR AND AGAINST ALL THIRD PARTY CLAIMS, LAWSUITS, AND LOSSES ALLEGED TO BE CAUSED BY THE CITY'S PERFORMANCE, NEGLIGENT PERFORMANCE, OR FAILURE TO PERFORM ITS OBLIGATIONS WITH REGARD TO ANY ALARM OR SECURITY SYSTEMS.

CGM shall pay its proportion of the cost no more than fifteen (15) days after receipt of the bill, payable to the City of Coral Gables and delivered to the Finance Department at 405 Biltmore Way, Coral Gables, Florida, 33134.

The City believes that pursuant to that Solid Waste and Recycling Collection Franchise Agreement dated September 20, 2000 by and between the City and Waste Management, Inc., as such agreement may be amended from time to time, the City should not be charged for the solid waste and recycling collection services for the Entire Facility. However, in the event of a charge, CGM shall be responsible for the cost of all removal of waste from the Facility and Shared Facilities.

D. Assessments and Taxes. CGM and City acknowledge that while CGM is currently exempted from various taxes by virtue of being a qualified non-profit organization, CGM is responsible for and shall pay before delinquency all applicable municipal, county or state taxes and assessments, without limitation, assessed during the Term of this Agreement against any occupancy interest, payments or personal property of any kind, owned by or placed in, upon or about the Facility and Shared Facilities by CGM. CGM shall have the right to contest, at its sole expense, from time to time, any taxes or tax assessments levied against the Facility and Shared Facilities by legal proceedings; provided, however, that such protest is made in accordance with applicable law and that all such taxes or assessments are paid as and when due pursuant to such legal proceedings and further provided that the City is held harmless by CGM in connection with such tax contest. CGM also agrees to be responsible its proportionate share of all assessments, to the extent applicable and including any Business Improvement District (BID) assessments that may be assessed to the Facility and Shared Facilities. CGM shall be responsible to pay all amounts due hereunder to City within thirty (30) days after receipt of an invoice therefor. In the event that CGM fails to make the appropriate payment for assessments when due, CGM shall be responsible for any penalties imposed on the City as a result of CGM's delinquency in the payment of said assessments.

Any disputes regarding the provisions of this Article XII shall be resolved by the City whose determination shall be final and binding on the parties.

CGM shall provide evidence of all insurance required under this Article X to City, along with applicable copies of all applicable endorsements prior to occupying the Facility, and at a minimum, evidence of Commercial General Liability Insurance coverage shall be provided prior to execution of this Agreement by City.

Failure on the part of the CGM to obtain and maintain all required insurance coverage is a material breach upon which the City may, in its sole discretion, immediately terminate this Agreement or obtain such insurance on behalf of CGM and charge the cost therefor to CGM, along with a twenty percent (20%) administration fee. CGM agrees to pay any increase in City's insurance premiums, resulting from CGM's activities, whether or not City has consented to such activity.

If City's insurance premiums for any separate insurance carried by City exceed the standard premium rates for similar property because the nature of CGM's operation results in extra hazardous exposure, then CGM shall reimburse City, immediately upon receipt of appropriate invoices from City, for such increase in premiums.

B. City shall provide Commercial General Liability insurance with regard to the City Portion up to the limits contained in Florida Statutes Section 768.28. City, at its cost, shall insure the building, structure, roof, and major building systems of the Entire Facility on a 100% replacement cost basis, and shall cover the cost of any deductible for claims that are not caused directly or indirectly by CGM, its agents, employees or contractors.

C. CGM's contractors and subcontractors shall provide evidence of insurance, and CGM shall include or cause to be included in each contract for work to be performed at the Entire Facility on behalf of CGM the following insurance requirements:

(a) Installation, floater or builder risk-completed value fire and extended coverage form covering damage to the construction and improvements to be made by CGM in amounts at least equal to the estimated complete cost of the construction and improvements with one hundred percent (100%) coinsurance protection. City and CGM shall be named as an additional insured and loss payee.

(b) Commercial General Liability insurance with broad form endorsement or equivalent, product liability, contractual liability, personal and advertising injury, severability of interests with cross liability provision, and personal injury and property damage liability with limits no less than \$1,000,000 per occurrence for bodily injury and property damage, and \$2,000,000 in the aggregate, and with a deductible not to exceed Five Thousand Dollars (\$5,000.00). Said policy or policies shall name the CGM and City as an additional insured on a primary and non-contributory basis and shall reflect the hold harmless provisions contained herein.

(c) Worker's Compensation Insurance for all employees of contractor including statutory limits for employer's liability insurance contained in Florida Statutes Section 440.

(d) Automobile Liability insurance covering all owned, non-owned and hired vehicles with a Combined Single Limit of no less than one million per occurrence. If vehicles are not owned or leased (long term) by the contractor, then only hired and non-owned coverage applies.

Evidence of insurance of all contractors and subcontractors working under this Agreement shall be maintained and kept for a period of time no less than the applicable statute of limitations and/or statute of repose for any claim that could be brought against CGM and/or City and/or for any claim that could be made against the contractor as a result of the work performed. These records must be made available to the City upon request. Evidence of insurance shall include a Certificate of Insurance and copies of all applicable endorsements evidencing the required coverage. The Certificate of Insurance alone does not evidence insurance adequately. This includes, but is not limited to, endorsements evidencing additional insured status on a primary and non-contributory basis, waivers of subrogation, and endorsements amending the standard cancellation clause. The obligations set forth in this paragraph shall survive expiration or earlier termination of this Agreement.

CGM and its contractors and/or subcontractors shall comply with Florida Statutes Section 255.05, as applicable.

ARTICLE XIV

Indemnification

A. CGM hereby covenants and agrees that it will hold City harmless from and indemnify City against any claim, loss or expense sustained by City arising directly or indirectly out of the performance by CGM (or City) of this Agreement relative to claims for personal injury, disease, death, loss of use, advertising injury, or property damage on the part of any third party (including employees and agents of CGM) or relative to any loss or damage or both to CGM's or City's property from any cause whatsoever, excluding only the gross negligence of City, its agents, representatives or employees occurring within the Facility and/or Shared Facilities. In amplification of the foregoing, CGM shall be required to indemnify City against or hold City harmless even from any such liability (other than any liability for accidents or events occurring outside of the immediate vicinity of the Facility and Shared Facilities) which results from the negligence (but excluding the gross negligence) of City, its agents, representative or employees. The obligations of CGM under this Article XIV shall not be limited in any respect by the requirements of Article XIII.

At CGM's expense, CGM shall promptly and diligently settle or defend any claim, action, or proceeding brought against City or CGM jointly or severally arising out of or connected with any of the foregoing, and CGM shall hold City harmless from and fully indemnify City against any judgment, loss or settlement on account thereof, regardless of the jurisdiction in which any such claims, actions, or proceedings may be brought. In amplification of the foregoing, CGM shall be required to indemnify City against or hold City harmless even from any such liability (other than any liability for accidents or events occurring outside of the immediate vicinity of the Facility and/or Shared Facilities) which results from the negligence (but excluding the gross negligence) of City, its agents, representatives or employees. The obligation of City under this Article XIV shall not be limited in any respect by the requirements of Article XIII.

CGM shall reimburse City upon demand for any money or other property which City is required to pay out for any reason whatsoever, except as is otherwise expressly provided herein, including without limitation, charges or debts incurred or assumed by City relative to judgments, settlement, or expenses in defense of any claim, civil or criminal action, proceeding, charge, or prosecution instituted or maintained against City or CGM, jointly or severally, related to or arising out of (a) the condition or use of the Facility and/or Shared Facilities; (b) acts or omissions on the part of the CGM, or employees of the CGM; (c) events arising out of, or based

upon any law, regulation, requirement, contract or award relating to the hours of employment, working conditions, wages and/or compensation of employees or former employees of CGM; or (d) any other cause in connection with the Facility and/or Shared Facilities; including (in each instance) any claims which are caused by the negligence (but excluding the gross negligence) of City, or its agents, representatives or employees.

Notwithstanding any other provision of this Agreement, in no event shall CGM make any claim against the City on account of any alleged errors of judgment made in good faith in connection with the Entire Facility or the implementation of its rights or obligations under this Agreement, and CGM hereby releases City from any liability for such errors.

CGM is and shall be deemed to be in control and possession of the Facility and/or Shared Facilities and the museum operations, and the City shall not, in any event whatsoever, be liable for any injury or damage to any property or to any person happening in, on or about the Facility and/or Shared Facilities, nor for any injury or damage to any property of CGM, or of any other person or person contained therein.

B. Notwithstanding anything herein to the contrary, City acknowledges and agrees that, with respect to any claims or causes of action which may be asserted against City solely in its capacity as the municipality in which the museum exists (i.e., those actions or claims which could have been brought against the City even if the City did not own the demised property), shall not be subject to indemnifications by CGM under any applicable provision of this Agreement.

ARTICLE XV

CGM Budget

CGM shall fund its own museum operating budget, which shall not include any operating or capital expenses that are the responsibility of the City pursuant to this Agreement. Any contribution made by the City toward the CGM budget shall be based on a yearly grant as approved by the City Commission in its sole discretion. To qualify for funding by the City, the CGM shall at a minimum, prepare and submit a proposed budget to the City Manager no later than March 1, of each year in which CGM is seeking funding from the City. This will include anticipated and/or projected revenues (including contributions from the City) and expenses.

The City shall either hire or fund, at the City's discretion, a receptionist to provide agreed upon services to the museum under the direction of the Historical Resource Department for not more than forty (40) hours a week.

The final balanced budget for CGM is subject to final approval by the Museum Board of Trustees.

ARTICLE XVI

Accounting

CGM shall submit to the City, by March 1 of each year, a reviewed statement prepared by a Certified Public Accountant covering the previous fiscal year. The City shall have the right to audit the books and records of CGM at all times. CGM shall maintain accurate and complete records of its activities and operations relating to this Agreement in accordance with generally accepted accounting principles. CGM agrees that the City or its agents shall have access to and the right to examine, audit, excerpt, or copy any pertinent transaction, activity, records, software and any records in electronic form relating to this Agreement including but not limited to financial statements, invoices, documents, receipts, costs, and any and all other agreement or sources of information that may in the City's judgment have any bearing on or pertain to any matters, rights, duties or obligations under or covered by this Agreement. All costs shall also be supported by properly executed payrolls, time records, invoices, contracts or vouchers, or other official documentation evidencing in proper detail the nature and propriety of other accounting documents pertaining in whole or in part to this Agreement and shall be clearly identified and readily accessible. The City or its designee shall be allowed to interview all current or former employees to discuss matters pertinent to the performance of this Agreement.

CGM agrees to make such records, books of account, and other materials available to City at its office during normal business hours and upon three (3) days notice at a location in Miami-Dade County, Florida, provided that if any such material is located outside Miami-Dade County, then, at City's option CGM shall pay the City for the travel, per diem, and other costs incurred by the City to examine, audit, excerpt or copy such material at such other location. At such times and in such form as the City may require, there shall be furnished to City such statements, records, reports, data, and information as the City may request pertaining to matters covered by this Agreement. All records, books of account, and other materials will be made available to City during the term of this Agreement including any and all renewals thereof and for a period of three (3) years after receipt of final payment or all pending matters are closed, whichever is later. If an audit, litigation or other action involving this Agreement is started before the end of the three year period, the records shall be retained until all issues arising out of

the action are resolved or until the end of the three year period, whichever is later. Any contract or other agreement issued by CGM or its contractors related to this Agreement for work and/or any use of the Facility or Shared Facilities exceeding one (1) week shall have an audit clause similar in form and execution to this clause.

Such inspection and audit shall be at City's expense unless it shall disclose a cumulative variance of more than five percent (5%) from the payments due to the City for any period covered by the inspection or audit, or if the audit reveals that the condition of CGM's records is such that the revenue due the City cannot be properly determined. In the event of either condition described above, the cost of such inspection or audit, including any applicable travel costs, shall be at CGM's expense and shall be immediately paid to the City within five business days of receipt of invoice.

In the event that an audit is conducted by CGM specifically regarding this Agreement by any Federal or State auditor, or by any auditor or accountant employed by the CGM, then CGM shall file a copy of the audit report with the City's auditor within thirty (30) days of CGM's receipt thereof, unless otherwise provided by applicable Federal or State law. City shall make a reasonable effort to maintain confidentiality of such audit report(s).

This audit right clause shall not construed to limit, revoke, or abridge any other rights, powers, or obligations relating to audit which the City may have by State, City, or Federal statute, ordinance, regulation, or agreement, whether those rights, powers, or obligations are express or implied.

ARTICLE XVII

Relationship of Parties

Nothing herein contained to the contrary shall be deemed or construed by the parties hereto or by any third party to create the relationship of principal and agent or of partnership or of joint venture or of any association whatsoever between City and CGM. Notwithstanding the City's role under this Agreement, CGM acknowledges that this Agreement does not grant CGM any rights or create any exceptions to its obligation to comply with and meet the requirements of all the City's ordinances, resolutions and codes, and that this contractual relationship shall have no effect upon the jurisdiction and governing rights of the City over the Entire Facility and CGM shall be required to fulfill and comply with all applicable laws, rules and regulations, ordinances

24

and resolutions of the City as though no such contractual relationship existed, including, without limitation, all requirements of the City's Building and Zoning Department or other pertinent City agencies.

The City designates the City Manager (or his/her designee) as City's authorized representative to CGM on all matters in connection with this Agreement. This will remain as the official and primary means of communication between the respective parties to this Agreement; notwithstanding, there will be communications between City personnel, the City Commission, CGM Trustees and officers, etc. All requests for action or approvals by the City shall be sent to the City Manager for decision as to whom within the City, including the City Commission, must act or approve the matter of behalf of the City. If the City Manager's office shall be vacant or if the City Manager shall not have the full authority to act or approve matters required of the City pursuant to this Agreement, then the City shall promptly, upon written request by CGM, designate such other officer or department as may be appropriate to perform the City's obligations. The City Commission may designate one of its members as a non-voting member of the Board of Trustees of CGM.

In the event that CGM has a vacancy or long term temporary absence of its museum director, CGM may request from the City that the City provide administrative staff assistance for a short period of time acceptable to City to assist with administration of the museum, during which time CGM shall work in good faith to procure the services of a new museum director or interim museum director. The City may provide such interim assistance, or not, in its sole discretion. In the event that the City elects to provide such interim assistance, it shall incur no liability therefor, regardless of the City's negligent performance or failure to perform with regard to the provision of such assistance, and shall have the right to terminate such services at any time. CGM agrees to and shall indemnify and save harmless the City, its employees and agents, for and against all third party claims, lawsuits, and losses alleged to be caused by the City's performance, negligent performance, or failure to perform with regard to such assistance.

ARTICLE XVIII

Non-Compete

The City will attempt not to undertake, through its agencies or through other entities, programs, which will conflict with or duplicate specific CGM programs. It will be in the City's sole discretion to determine whether such a conflict exists. This Article in no way is meant to restrict either party's ongoing efforts to assist proposed or existing programs.

ARTICLE XIX

Mutuality of Interest

The City and CGM agree that the creation and success of a local museum is of mutual interests to the parties. The program(s) delivered to the public cannot be achieved without the mutual cooperation in fact and spirit of both parties. The City and CGM will work to ensure that both governing bodies and employees will work to achieve the most favorable program(s) and image of the City and Museum possible in the eyes of the public. CGM acknowledges that a portion of the cost of construction and development of the Coral Gables Museum was funded with the proceeds of governmental bonds the interest on which is excluded from gross income for federal income tax purposes. CGM and the City acknowledge that they will not enter into any agreement or take any action that would adversely affect such exclusion from gross income for federal income tax purposes of the interest on such bonds.

ARTICLE XX

Conformance with City Policy

CGM shall comply with all federal, state and local statutes and laws with the City's established policy concerning no discrimination in employment, CGM membership, or in the use of CGM facilities by the general public.

Default and Termination

In the event the City determines that it is in the public interest to terminate this Agreement, the City may cancel this Agreement upon issuing a sixty (60) day advance written notice to CGM; provided, however, that CGM shall be given reasonable access and adequate time to vacate the Facility. CGM was created as a not-for-profit organization to operate the Coral Gables museum at the Facility as its primary location, and the parties agree that the

primary purpose of this Agreement is provide for a museum in the City for the benefit of the City and its residents. If the City determines that CGM has failed to continue with its primary purpose as provided herein, then this agreement shall terminate in its entirety, subject to Article XLII.

The City and CGM acknowledge that upon termination, all furniture, fixtures, collections, exhibits, displays, and any other items owned by CGM or the City will remain with the Facility. In the event the City elects to terminate, CGM shall have the right to present any objections to the City Commission, however the right to present any objections shall not diminish the City's right to terminate in its sole discretion. In the event the City exercises such right of termination and ceases using the Facility as a museum, the City shall have no further liability; provided, however, that the City shall commit to invest in other historic uses within the City of Coral Gables an amount equal to the unamortized value of any land, real property or permanent improvements incorporated into the Facility [amortized over a twenty (20) year period] of funds donated to CGM expressly for the purpose of construction of a museum. It is acknowledged that money received for grants shall not be considered donations hereunder. Upon written notice canceling this Agreement, CGM agrees to vacate the Facility and Shared Facilities with due diligence, but in no event more than one hundred and eighty (180) days.

CGM shall be in default if any one or more of the following events (herein sometimes called "Events of Default") shall happen:

- A. if CGM fails to make any payments due to City after thirty (30) days' written notice under the Agreement at the time and in the manner required by the Agreement;
- B. if default shall be made by CGM in the performance of, or compliance with, any of the covenants, agreements, or terms or conditions contained in this Agreement or default be made by CGM in compliance or non-compliance with any and all Laws now in force or which may hereafter be in force, and such default shall continue for a period of thirty (30) days after written notice thereof from City to CGM; provided, however, that if CGM is unable to cure such default within such thirty (30) day period and such default results solely from the failure to obtain a building permit after diligent effort and such need for a building permit is not the result of any actions of CGM, then, and in that event, CGM shall have such additional reasonable time as is necessary;

C. if CGM shall file a voluntary petition in bankruptcy or shall be adjudicated a bankrupt or insolvent, or shall file any petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, wage earner's plan, dissolution or similar relief under the present or any future federal bankruptcy act or any other present or future applicable federal, state or other debtor's relief statute or law, or shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of CGM or of all or any substantial part of CGM's properties or of the Facility; or

D. if within ninety (90) days after commencement of any proceeding against CGM seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or any future federal bankruptcy act or any other present or future applicable federal, state or other debtor's relief statute or law, such proceeding shall not have been dismissed, or stayed on appeal, or if, within ninety (90) days after the appointment, without the consent or acquiescence of CGM, of any trustee, receiver or liquidator of CGM or of all or any substantial part of CGM's properties or of the Facility, such appointment shall not have been vacated or stayed on appeal or otherwise, or if, within ninety (90) days after the expiration of any such stay such appointment shall not have been vacated; or

E. if the Facility shall be seized under any levy, execution, attachment or other process of court and the same shall not be promptly vacated or stayed on appeal or otherwise, or if the CGM's interest in the Entire Facility is sold by judicial sale and the sale is not promptly vacated or stayed on appeal or otherwise; or

F. if CGM:

1. fails to open to the public within 200 days of the Commencement Date,
or
2. vacates, abandons, or deserts the Facility, or
3. ceases the continual operation of CGM's business at the Facility for fifteen (15) continuous days and forty-five (45) days (in the aggregate)

in any one year during the Term, unless prevented from operating said business as a result of the occurrence of Force Majeure, or

4. ceases the primary operation as a museum; or

1. terminate this Agreement and retake possession;
2. cure the default and charge CGM the cost to cure such default along with a twenty percent (20%) administrative fee;
3. deem all of CGM's personal property, including, but not limited to CGM's furniture, fixture and equipment, collections, displays, goods and chattels from the Facility and Shared Facilities abandoned, and therefore the property of City, it being the intent of the parties that all such items shall belong to the City upon expiration or earlier termination, including termination for an Event of Default, of this Agreement, and otherwise enforce City's lien on such items by distress, foreclosure or otherwise; and/or
4. pursue any other right or remedy available at law or equity;

In addition to the foregoing, in the event CGM defaults three or more times during any four (4) consecutive years of the Term of this Agreement, City, at its option, may terminate this Agreement.

All rights and remedies granted in this Agreement to City or available at law or equity shall be cumulative and not mutually exclusive. In no event shall the City be liable for indirect,

consequential, or punitive damages or for damages based on lost profits. Upon an Event of Default, City shall be permitted to place a leasing sign on the Facility.

CGM agrees that, in exchange for the promises made in this Agreement and other good and valuable consideration received from City, in the event CGM files a voluntary petition in bankruptcy or is the subject of an involuntary bankruptcy at any time during the Term or any extensions hereof, City shall not be subject to the provisions of 11 U.S.C. §362, and shall automatically and immediately be entitled to relief from the stay imposed thereby without necessity of further action or court approval. Nothing contained in this Agreement shall limit or prejudice the right of City to prove for and obtain, in proceedings for the termination of this Agreement by reason of bankruptcy or insolvency, an amount equal to the maximum allowed by any statute or rule of law in effect at the time when, and governing the proceedings in which, the damages are to be proved, whether or not the amount be greater, equal to, or less than the amount of the loss or damages referred to above. The failure or refusal of City to relet the Premises or any part or parts thereof shall not release or affect CGM's liability for damages.

ARTICLE XXIII

Successors and Assigns

All terms and provisions of this Agreement to be observed and performed by CGM shall be applicable to and binding upon CGM's respective heirs, personal representatives, successors and assigns, subject, however, to the restrictions as to assignment and subletting by CGM as provided herein.

ARTICLE XXIV

City's Control of Lawsuits

The parties agree that in any lawsuit brought in its name or defended in its name, City must retain all final control and authority of the lawsuit. Therefore, in any lawsuit envisioned in this agreement in which City is a party, City retains full control of the lawsuit, including full authority to determine what legal actions or positions may be asserted to the courts in the name of City and the full authority to settle or compromise any claim on behalf of City. CGM agrees that its responsibilities under this Agreement continue in full force and effect regardless of any decision of City in this regard.

ARTICLE XXV

Mechanic's Liens

CGM shall keep the Entire Facility and all parts thereof at all times free of mechanic's liens and any other lien for labor, services, supplies, equipment or material purchased or procured, directly or indirectly, by or for CGM. CGM further agrees that CGM will promptly pay and satisfy all liens of contractors, subcontractors, mechanics, laborers, materialmen, and other items of like character, and will indemnify City against all expenses, costs and charges, including bond premiums for release of liens and attorneys' fees and costs reasonably incurred in and about the defense of any suit in discharging the Entire Facility or any part thereof from any liens, judgments, or encumbrances caused or suffered by CGM. In the event any such lien shall be made or filed, CGM shall bond against or discharge the same within ten (10) days after the same has been made or filed. It is understood and agreed between the parties hereto that the expenses, costs and charges above referred to shall be immediately due upon invoice.

CGM shall not have any authority to create any liens for labor or material on the City's interest in the Entire Facility and all persons contracting with CGM for the construction or removal of any facilities or other improvements on or about the Entire Facility, and all materialmen, contractors, mechanics, and laborers are hereby charged with notice that they must look only to CGM and to CGM's interests in the Entire Facility to secure the payment of any bill for work done or material furnished at the request or instruction of CGM. The provisions of this Article shall survive expiration or earlier termination of this Agreement.

ARTICLE XXVI

Loss; Damage

City shall not be liable for any injury or damage to persons or property resulting from fire, explosion, falling plaster, gas, electricity, water, rain or leaks or from the pipes, appliances or plumbing works or from the roof, street or sub-surface or from any other place or by dampness, humidity or by any other cause or nature whatsoever, unless due to the gross negligence of City, its agents, or employees; nor shall City or its agents be liable for any such damage caused by other tenants or persons or caused by construction of any private, public or quasi-public work; nor shall City be liable for any latent defect in the Entire Facility. CGM shall give immediate notice to City in case of fire or accidents in the Entire Facility or of defects

therein or in any fixtures or equipment. City shall not be responsible or liable for the theft, loss or damage to person or property in, on or about the Facility or Shared Facilities.

ARTICLE XXVII

Estoppels

CGM agrees that from time to time, upon not less than ten (10) days' prior request by City, CGM will deliver to City a statement in writing certifying (a) that this Agreement is unmodified and in full force and effect (or, if there have been modifications, that the Agreement as modified is in full force and effect and stating the modifications); (b) the dates to which any charges have been paid; (c) that City is not in default under any provisions of this Agreement, or, if in default, the nature thereof in detail; and (d) other matters reasonably requested by City. Failure to provide such estoppel statement as required shall be a material default of this Agreement.

ARTICLE XXVIII

Casualty

If any improvements on the Entire Facility shall be destroyed or damaged in whole or in part during the Term as a result of fire or other casualty not covered under the hazard insurance maintained by City, or as a result of the gross negligence or willful misconduct of CGM or any person occupying the Facility or Shared Facilities under CGM, then City shall have the option of not rebuilding the Entire Facility and canceling the terms of this Agreement. In the event that City does not elect to terminate the Agreement, then City shall repair, rebuild, restore, or reconstruct the structure of the Entire Facility, but only to the extent of the insurance proceeds available therefor. CGM shall at its own expense promptly repair, restore, or reconstruct those portions of Facility and Shared Facilities required to be insured by CGM. CGM shall have the right to use for such purposes the proceeds of any hazard insurance policy(ies) maintained by CGM, however, CGM shall be responsible for any amounts not covered by CGM's insurance coverage. If CGM fails, within thirty (30) days following written notice from City, to commence such repair, restoration or reconstruction or fails thereafter diligently to prosecute the same to completion, then upon written notice to CGM, City shall have the right (but not the obligation) to assume full and exclusive control of CGM's insurance proceeds and cause such repair,

restoration or reconstruction to be done; provided, however that CGM shall have such additional reasonable time as is necessary in order to coordinate its reconstruction efforts with any reconstruction being or to be done by City. CGM hereby expressly authorizes City to enter the Facility and Shared Facilities for such purposes and CGM agrees that such entry by City shall have no other legal consequences. If the damage or destruction resulted from the gross negligence or willful misconduct of CGM or any person occupying the Facility or Shared Facilities or portion thereof under CGM, then all costs and expenses incurred in accomplishing repairs, restoration or reconstruction in excess of the insurance proceeds available therefor (if any) shall be paid by CGM, and if City shall advance any sums for such excess costs and expenses, then CGM shall repay and reimburse City therefor promptly upon demand and said sums shall be considered due. Nevertheless, to the extent that any of the above-described property damage is covered by valid, collectible insurance, the City hereby waives any subrogation rights against the City, and CGM likewise agrees to waive any subrogation rights against the City. In no event shall City be liable for interruption to CGM's business or for damage to or replacement or repair of CGM's personal property, trade fixtures, and inventory.

ARTICLE XXIX

Condemnation

In the event that the Entire Facility or any material part thereof is taken for any public or quasi-public use by condemnation or by right of eminent domain, or purchase in avoidance or settlement of a condemnation or eminent domain proceeding, City and CGM agree that this Agreement shall be cancelled. Any and all condemnation awards shall be the property of the City.

ARTICLE XXX

No Waiver

Failure of City to declare any default immediately upon occurrence thereof, or delay in taking any action in connection therewith, shall not waive such default, but City shall have the right to declare any such default at any time and take such action as might be lawful or authorized hereunder, in law and/or in equity. No waiver of any term, provision, condition or covenant of this Agreement by City nor the failure of City to insist upon strict performance of

one or more covenants or conditions of this Agreement shall be deemed to imply or constitute a further waiver by City of any other term, provision, condition or covenant of this Agreement, and no acceptance of payment shall be deemed a waiver of any default hereunder, nor shall such acceptance operate as a waiver of any provisions of the Agreement or any of City's rights, remedies, privileges or options.

ARTICLE XXXI

Right of Entry

City, or any of its agents, shall have the right to enter the Facility during all reasonable hours and after twenty-four (24) hours notice to CGM (except in the event of an emergency, to be determined in City's sole discretion, in which event no notice shall be required) to examine the same or to make such repairs, additions or alterations as may be deemed necessary for the safety, comfort, or preservation thereof or to otherwise exhibit the Facility to third parties, including, without limitation, mortgagees, insurance examiners and building inspectors. Said right of entry shall likewise exist for the purpose of removing placards, signs, fixtures, alterations, or additions which do not conform to this Agreement. City and CGM agree that any restriction on City's right of entry to the Facility applies solely to City in its capacity under this Agreement and does not apply to City in its capacity as a municipality with jurisdiction over the Facility and the property where it is located.

ARTICLE XXXII

Surrender

CGM agrees to surrender to City, at the end of the Term of this Agreement and/or upon any cancellation or early termination of this Agreement, the Facility, furniture, fixtures, equipment, collections, displays, and exhibits in as good condition as the Facility was at the beginning of the Term of this Agreement, ordinary wear and tear, and damage by fire, or other casualty not caused by CGM's negligence excepted. CGM agrees that if CGM does not surrender the Facility to City at the end of the Term of this Agreement, then CGM will pay to City, to the extent permitted by law and as liquidated damages, five thousand dollars (\$5,000) for each month or portion thereof that CGM holds over, plus all damages that City may suffer on account of CGM's failure to so surrender to City possession of the Facility, and will indemnify

35

and save City harmless from and against all claims made by any succeeding occupant of the Facility against City on account of delay of City in delivering possession of the Facility to the succeeding occupant so far as such delay is occasioned by failure of CGM to so surrender the Facility in accordance herewith or otherwise.
