Chief Procurement Officer Walker-Harmon: On this item it's a change order, we are asking for additional spending authority. Immediately there are repairs that need to be made to Garage 6, and also, we are asking for additional spending authority throughout the life of the contract for other elevator and walking move.

Mayor Valdes-Fauli: I had to report that I almost died about a year ago at the garage in front of Books and Books and by the Cinema. The elevator wasn't working and there were two very elderly people who had parked on the sixth floor and I walked up to retrieve their cars, they appreciated it very much, but I almost needed to call rescue to give me respiration and muscle massages and whatever it is. I'm glad we are doing something about that.

Parking Director Kinney: That set of elevators will be replaced right after the ones in the first garage. The first garage is the one down that's a little bit older down 55 Aragon and that one is 22 years old. So that ones going to be first and then the elevators at the museum garage will also be replaced.

Vice Mayor Lago: When you say replaced, its not just a cab refresh, it's an entire...

Parking Director Kinney: A complete refurbishment.

Vice Mayor Lago: OK.

Mayor Valdes-Fauli: Do I hear a motion?

Commissioner Keon: I'll move it.

Vice Mayor Lago: Second.

Mayor Valdes-Fauli: Will you call the roll please.

Commissioner Fors: Yes

Commissioner Keon: Yes

Vice Mayor Lago: Yes

Commissioner Mena: Yes

Mayor Valdes-Fauli: Yes
