TO DATE THE OWNER HAS: NOT submitted revised Recertification Reports nor letters for the City's review.

BUILDING OFFICIAL'S RECOMMENDATION:

A. That the Property Owner submit current electrical recertification report, appropriately signed and sealed by a Florida-licensed professional engineer, recertifying the structure within 30 days of the Board's meeting.

B. That the Property Owner submit appropriately signed and sealed safe-to-occupy letters for both the Structural and Electrical Recertification, as applicable, within 30 days of the Board's meeting attesting that the structure's structural and

electrical systems are safe for occupancy while repairs are undertaken, and that updated safe-to-occupy letters be submitted every six (6) months thereafter while recertification is pending.

C. Recertify the structure within sixty (60) days of the Board's meeting.

D. That the Building Official shall thereafter take any measures within his authority, as set forth in City or County Code and Florida law, to ensure the safety of the building, its occupants, and the surrounding areas, including but not limited to evacuating the structure, disconnecting utilities, and demolition of the structure.

E. That any administrative fees be paid and a \$250 daily fine be imposed if any of the above deadlines are not met.
