Subject: Coral Gables Youth Advisory Board

Good afternoon,

My name is Savannah Payne, and I was nominated by a past board member to be on the Youth Advisory Board. I am an 11th grader at Coral Gables Senior High School. I am a part of my school's dance team, the Gablettes for the 3rd year and have been the President of my class since freshman year. I am involved in a service club, called Twenty Little Working Girls, where I am serving as the 1st Vice President. I would love to be on the Youth Advisory Board because I care a lot about Coral Gables. I grew up and love the city and want to see it continue thriving!

Please let me know if I need to submit anything else. Thank you so much!
