Tahiti Beach- Common Areas Improvements-Proposed Monuments

**PROJECT:** Tahiti Beach-Common Areas Improvements  
31 Tahiti Beach Isla Road  
Coral Gables, Florida 33143

To whom it may concern:

On behalf of our clients, the *Tahiti Beach Homeowners Association*, we respectfully submit this enclosed *Letter of Intent* for your review and approval of the proposed monuments and future sidewalk for the existing Isla Dorada Bridge. Pursuant to the enclosed plans prepared by the Architect of Record, *The Weber Studio, PLLC*, the client intends to add two (2) new monuments to each end of the existing Isla Dorada Bridge.

The intent of these monuments to is to provide a welcoming landmark for the *Tahiti Beach* community entrance, while aesthetically enhancing the bridge and nature it spans. You will now know you are arriving at a very special place!

Should you have any questions or need any additional information, please no not hesitate to contact directly.
